Short Stories John Wiley & Sons
Outlines tools, materials, techniques and projects for using hidden space in one's home--from carving out shelving between studs in the wall to building storage spaces beneath the floorboards. Original.

Ozain Mystery of the Congo and Yoruba Independently Published
The edition is probably the more comprehensive book on Alberto Greco (b. Argentina 1931-1965) that has been published to date, comprising texts from different authors, letters, photographs, unpublished documents and a series of drawings made by artist Alberto Passolini, that recreate Greco's ephemeral artworks of which they are no records. Although in an attempt to clarify some aspects of his life, through the contribution of new documentation, we did not intend to distinguish the extreme reality from fiction, myth from reality, but more precisely - to respect the rules of the game, we tried to "stretch" the legend and include more information about some episodes from imaginative strategies. We understand that, for certain, the interpretations proposed by the drawings of Passolini provide a new perspective that enriches what is so far known." (HKB Translation)

"I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be--their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis
A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.

Alberto Greco Cengage Learning
The most highly acclaimed jazz piano method ever published! much more! Endorsed by Kenny Barron, Down Beat, Jamey Aebersold, etc.

Strategic Brand Management Univ of North Carolina Press

Since its original publication in Paris in 1959, *Naked Lunch* has become one of the most important novels of the twentieth century. Exerting its influence on the relationship of art and obscenity, it is one of the books that redefined not just literature but American culture. For the Burroughs enthusiast and the neophyte, this volume—that contains final-draft typescripts, numerous unpublished contemporaneous writings by Burroughs, his own later introductions to the book, and his essay on psychoactive drugs—is a valuable and fresh experience of a novel that has lost none of its relevance or satirical bite.

Cuban Music from A to Z New World Library

One of the earliest chronicles of the Inca empire was written in the 1550s by Juan de Betanzos. Although scholars have long known of this work, only eighteen chapters were actually available until the 1980s when the remaining sixty-four chapters were discovered in the collection of the Fundación Bartolomé March in Palma de Mallorca, Spain. *Narrative of the Incas* presents the first complete English translation of the original manuscript of this key document. Although written by a Spaniard, it presents an authentic Inca worldview, drawn from the personal experiences and oral traditions told to Betanzos by his Inca wife, Doña Angelina, and other members of her aristocratic family who lived during the reigns of the last Inca rulers, Huayna Capac Huascar and Atahualpa. Betanzos wrote a history of the Inca empire that focuses on the major rulers and the contributions each one made to the

growth of the empire and of Inca culture. Filled with new insights into Inca politics, marriage, laws, the calendar, warfare, and other matters, *Narrative of the Incas* is essential reading for everyone interested in this ancient civilization.

Chess Praxis Chronicle Books

Guanabacoa is a city in Cuba famous as the birthplace of some of the most powerful Paleros ever. One of these spiritual giants was Demetrio Gomez, who for nearly fifty years led one of the most potent Palo houses in Cuba. Using an insider's knowledge as well as the careful scholarship that has come to identify his work (*Cuban Santeria: Walking with the Night*), Demetrio's godson, Baba Raul Canizares, known in Palo circles as Tata Camposanto Medianoche, gives us Demetrio's own teachings, which makes this the best Palo book in English, featuring never-before published sygills, workings, and the unique contribution to the field of over 200 translations of herbs, sticks, and palo sticks from CUBAN Spanish to Bantu and English, including each plant's scientific classification. The book also features many photographs of rituals, initiations, and sacrifices

the ultimate technical study of four-way independence in Afro-Cuban rhythms Lulu.com

This entertaining history of Cuba and its music begins with the collision of Spain and Africa and continues through the era

of Miguelito Valdes, Arsenio Rodriguez, Benny More, and Perez Prado. It offers a behind-the-scenes examination of music from a Cuban point of view, unearthing surprising, provocative connections and making the case that Cuba was fundamental to the evolution of music in the New World. The ways in which the music of black slaves transformed 16th-century Europe, how the "claves" appeared, and how Cuban music influenced ragtime, jazz, and rhythm and blues are revealed. Music lovers will follow this journey from Andalucia, the Congo, the Calabar, Dahomey, and Yorubaland via Cuba to Mexico, Puerto Rico, Saint-Domingue, New Orleans, New York, and Miami. The music is placed in a historical context that considers the complexities of the slave trade; Cuba's relationship to the United States; its revolutionary political traditions; the music of Santeria, Palo, Abakua, and Vodou; and much more.

Deities, Initiatory Rituals and Ceremonies University of Texas Press
 The definitive guide to the composers, artists, bands, musical instruments, dances, and institutions of Cuban music.

Chicago Review Press
 From masks to the symbolic script of the Ashanti, symbols play an important role in all aspects of African life. These sacred items come in a breathtaking array of styles, and here, divided into six areas of cultural similarity, are some of the most beautiful, along with explanations of their meanings. Demons, for most Africans, are responsible for justice and retribution: the superb demon mask shown depicts Kponingo, who belongs to the mythical world of the Senufo in the Ivory Coast. A calabash with the beak of a hornbill, adorned with cowrie shells and made by medicine

men, is a typical instrument of witchcraft. Other fascinating symbols include sculptures, cave paintings, status symbols, and art for everyday use.

 Just where is Mulch, Virginia? Nestled between Quinton Oak and Rainswood, in Richmond County near the Chesapeake Bay, the Mulch community once bustled with activity. Daily life centered around the post office, general store, school, church, farms, fish factories, sawmills, and of course, the cemetery. The Mulch Post Office no longer exists, but will remain in the precious memories of all the families. With biographies including facts, stories, and many pictures, this book serves as a complete source of

relationships and cemetery mapping for Oakland United Methodist Church Cemetery. If your family name is Beazley, Bryant, Burgess, Clark, Davis, Dodson, Douglas, Lewis, or Walker, chances are you have an ancestor buried here. Come travel with us through the hard lives and happy times of our families and neighbors from 1870 to the present.

El Libro de los Médiums "O'Reilly Media, Inc."

The mind possesses a symbolic language the oneiric world, since ancient times Nix the goddess of the night begot the twins Hypnos god of dreams and Thanatos god of death. Hypnos and his children Morpheus, Fobetor, Fantaso, and Oniros, speak through dreams, warn, announce, reveal, predict. Who knows the meaning discovers what in dreams is revealed. The mind is unified with the existing universe without the past, present or future prevailing, navigating in dreams in timewithout time, the borders of human language are annulled, entering the world of symbols and images. Each dream has an interpretation, each night is the continuity of different dreams, different realities, life is not only the tangible reality that lives but lives that are ignored. In spite of all the investigations today no one can explain where the dreams occur, because future events are revealed, as the inspiration in dreams is appreciated. In this magical dictionary, you will find the techniques to identify each dream and the art of interpreting dreams and discovering a different universe of unknown realities. By knowing this book, you will discover the art of ONIROMANCE, the power to reveal the future through the meaning of dreams

Narrative of the Incas Lulu.com

The ultimate comprehensive social media reference book for any business looking to transform its marketing and operational strategies. Realizing that social media is dramatically impacting businesses, customers, and everyone connected to them, the authors of *The Social Media Bible* have consulted with leading social media experts from companies and consulting firms, as well as New York Times bestselling authors nationwide, to assemble a content-rich social media bible that will help businesses increase revenues, improve profitability, and ensure relevance and competitiveness. The book outlines just what social media is, and how to harness its power to achieve a measurable competitive advantage in rapidly changing markets. It allows readers to build a functional knowledge base, and tap into the collaborative power of such social media applications as Facebook, Linked In, Twitter, MySpace, Flickr, and YouTube. The book is part reference, part how-to manual, and part business strategy. For corporate enterprises, small businesses, and nonprofits alike, the strategies in *The Social Media Bible* are practical, powerful, and effective ways to connect with customers, prospects, employees, stakeholders, and collaborators. Packed with contributions from top names in the field covering virtually every major topic in social media, this is the perfect social media resource for businesses big and small. Lon Safko (Gilbert, AZ) is an innovator and professional speaker with over 20 years of experience in entrepreneurship, marketing, sales, strategic partnering, speaking, training, writing, and e-commerce. He is the founder of eight successful companies, including Paper Models, Inc. David K. Brake (Mesa, AZ) is the CEO and founder of Content

Connections, a company that uses social networking strategies to help clients build economically viable relationships around their content.

Publisher Description

The Hero's Journey Cambridge University Press

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study

since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
