LESTER MIDDLETON

Of Body Snatchers and Cyberpunks Black Dog & Leventhal
 THE SECOND BOOK IN THE BESTSELLING EVE OF MAN TRILOGY
 AND NO. 1 SUNDAY TIMES BESTSELLER - EVE AND BRAM HAVE
 ESCAPED, BUT CAN THEY SURVIVE? Eve is the last girl on earth.
 For the last sixteen years, Eve has been a prisoner. Guarded by
 the Mothers. Trapped by her fate. Watched by the world. Until
 she took her chance, and escaped. Eve finally has the freedom
 she has wanted for so long, and with Bram she has the love. But
 both come at a price. In this dangerous new world beyond the
 Tower, the regime is only ever one step behind. And, together
 with the desperate rebel group fighting against them, Eve has
 found herself in more danger than she ever could have imagined.
 With everything stacked against them, can Eve and Bram
 survive? Praise for Eve of Man 'A Hunger Games-esque novel . . .
 a compelling read' The Mail on Sunday 'Set in a dystopian future
 that has seen no girls born for 50 years . . . This promises to be
 one of the big books of the year. You'd be a fool to miss it' Heat
 'This chilling dystopia is at heart a love story, and the vivid

characterisation has you rooting for the duo from page one'
 CHILDREN'S BOOK OF THE MONTH Mail on Sunday 'A thoughtful,
 and excellent read' The Sun

Zealot Diversion Books

The spellbinding sequel to Tom Fletcher's bestselling magical
 adventure, *The Christmasaurus*. 'She is the best-kept Christmas
 secret of all,' whispered Santa Claus. 'Which is surprising,
 because Christmas itself would not exist without her. She is older
 than time itself, yet still as young as tomorrow. She is known only
 as the Winter Witch.' One year has passed since William Trundle's
 incredible adventure with the most extraordinary dinosaur: the
 Christmasaurus. Now, William is swept back to the magical North
 Pole, where he meets the mysterious, icy Winter Witch - whose
 power to control time allows Santa Claus to make the long
 journey all around the world every Christmas Eve. And when they
 learn that the fate of Christmas itself hangs in the balance,
 William and the Christmasaurus must work with the Winter Witch
 to protect it... Full of magic and music, humour and heart, and a
 friendship like no other, *The Christmasaurus and the Winter
 Witch* is the most enchanting Christmas read for the whole family
 by Tom Fletcher, star of BBC's *Strictly Come Dancing*

Both historically and in the present, the Supreme Court has largely been a failure. In this devastating book, Erwin Chemerinsky—"one of the shining lights of legal academia" (The New York Times)—shows how, case by case, for over two centuries, the hallowed Court has been far more likely to uphold government abuses of power than to stop them. Drawing on a wealth of rulings, some famous, others little known, he reviews the Supreme Court's historic failures in key areas, including the refusal to protect minorities, the upholding of gender discrimination, and the neglect of the Constitution in times of crisis, from World War I through 9/11. No one is better suited to make this case than Chemerinsky. He has studied, taught, and practiced constitutional law for thirty years and has argued before the Supreme Court. With passion and eloquence, Chemerinsky advocates reforms that could make the system work better, and he challenges us to think more critically about the nature of the Court and the fallible men and women who sit on it.

The Danger Gang Red Fox Picture Books

In this utterly sweet and moving women's fiction novel, a celebrity comes to town and sweeps a young woman - who is used to being overlooked - off her feet. Sophie May is content with her life in her small English village, working in the local coffee shop and living with her mom. But when famous actor Billy comes to town to play Mr. Darcy in a new film adaptation of *Pride and Prejudice*, Sophie's quiet life is quickly turned on its head. Billy is adored by women around the world, but he only wants Sophie on his arm. But being with Billy comes at a price, and Sophie is thrown in the spotlight after years of shying away from attention. Can she handle the constant scrutiny that comes with being with Billy? *Brimming with humor, wit, and genuine warmth, Billy and Me* is a book about taking a chance on life and on love. Flatiron Books

These super-simple chunky mini books are designed specifically to introduce babies and toddlers to the best-selling *The Dinosaur That Pooped* stories. Based on the original picture books stories, these little books have just a few words per page, colourful backgrounds and big pictures, they are quick to read but perfect for little ones to enjoy. The titles included in the slipcase are *Christmas Present!*, *Planet Poop!*, *In the Past!* and *Time for Bed!* and each book follows the plot of the original books, but with under ten words per book.

My Life in Dire Straits Simon and Schuster

For anyone who has ever felt like they don't belong, Sigh, Gone shares an irreverent, funny, and moving tale of displacement and assimilation woven together with poignant themes from beloved works of classic literature. In 1975, during the fall of Saigon, Phuc Tran immigrates to America along with his family. By sheer chance they land in Carlisle, Pennsylvania, a small town where the Trans struggle to assimilate into their new life. In this coming-of-age memoir told through the themes of great books such as *The Metamorphosis*, *The Scarlet Letter*, *The Iliad*, and more, Tran navigates the push and pull of finding and accepting himself despite the challenges of immigration, feelings of isolation, and teenage rebellion, all while attempting to meet the rigid expectations set by his immigrant parents. Appealing to fans of coming-of-age memoirs such as *Fresh Off the Boat*, *Running with Scissors*, or tales of assimilation like Viet Thanh Nguyen's *The Displaced* and *The Refugees*, Sigh, Gone explores one man's bewildering experiences of abuse, racism, and tragedy and reveals redemption and connection in books and punk rock. Against the hairspray-and-synthesizer backdrop of the '80s, he finds solace and kinship in the wisdom of classic literature, and in the subculture of punk rock, he finds affirmation and echoes of

his disaffection. In his journey for self-discovery Tran ultimately finds refuge and inspiration in the art that shapes—and ultimately saves—him.

New Foreword by Irvine Welsh. In *Before We Was We Madness* tell us how they became them. A story of seven originals, whose collective graft, energy and talent took them from the sweaty depths of the Hope and Anchor's basement to the Top of the Pops studio. In their own words they each look back on shared adventures. Playing music together, riding freight trains, spraying graffiti and stealing records. Walking in one another's footsteps by day and rising up through the city's exploding pub music scene by night. *Before We Was We* is irreverent, funny and full of character. Just like them.

This nostalgic, fully-illustrated history of boy bands -- written by culture critic and boy band stan Maria Sherman -- is a must-have for diehard fans of the genre and beyond. The music, the fans, the choreography, the clothes, the merch, the hair. Long after Beatlemania came and went, a new unstoppable boy band era emerged. Fueled by good looks and even greater hooks, the pop phenomenon that dominated the '80s, '90s, and 2000s has left a long-lasting mark on culture, and it's time we celebrate it. Written by super fan Maria Sherman for stans and curious parties alike, *Larger Than Life* is the definitive guide to boy bands, delivered with a mix of serious obsession and tongue-in-cheek humor. *Larger Than Life* begins with a brief history of male vocal groups, spotlighting The Beatles, the Jackson 5, and Menudo before diving into the building blocks of these beloved acts in "Boy Bands 101." She also focuses on artists like New Edition, New Kids on the Block, Backstreet Boys, *NSYNC, One Direction, and BTS before ending with an interrogation into the future of boy bands. Included throughout are Tiger Beat-inspired illustrations, capsule histories of the swoon-iest groups, in-depth investigations into one-hit wonders, and sidebars dedicated to conspiracy theories, dating, in-fighting, haters, fan fiction, fashion (Justin and Britney in denim, of course), and so much more. Informative, affectionate, funny, and never, ever fan-shaming, *Larger Than Life* is the first and only text of its kind: the ultimate celebration of boy bands and proof that this once maligned music can never go unappreciated.

In 2011, Janet Devlin wowed X-Factor judges and charmed the nation with her unique vocals and performances. She consistently received the highest consecutive public vote out of all the contestants and gained a place on the live arena tour. But rather than this steering her towards greater musical success, Janet faced numerous challenges which almost cost her her career... "Believe it or not, you're holding my life in your hands. Not the picture-perfect version we've all become accustomed to, thanks to social media. This is my life as I've lived it - no filters. Each chapter in this book unlocks the truth behind a song from my album *Confessional*. They span ten years of intense self-discovery married with a lot of self-sabotage. My broken brain has taken me to dark places both in my own head and in the real world. But, with destruction comes creation. I genuinely hope that My *Confessional* does not personally resonate with you and that you've not been to the same Hell that I've come to call Home, but

if you have let my life be proof that it all works out in the end. I see now that the world is truly what we make of it and that everything happens for a reason. Or, at least, that's what I tell myself. Here lyeth my confessional of the sins I want so much to be free from and to finally forgive myself for what I've done. I confess. Janet Devlin"

This is the first book to tell the full inside story of the world's most awesome supergroup, McBUSTED. McBusted takes an exclusive look at the birth of Busted and McFly, two ground-breaking pop-rock bands who journeyed through sell-out arena tours with number-one hits, and the unique friendships that the boys shared from the very beginning. Packed with behind-the-scenes gossip, it follows the boys through the years, revealing the truth behind Busted's shock break-up and McFly's hiatus, the secrets of their private lives, and the roller-coaster ride that fame took them on - both the good times and the bad. In September 2013, McFly staged their tenth-anniversary show at the Royal Albert Hall and James and Matt were invited along as special guests to perform a medley of hits with the band. The reaction to the six-piece supergroup was stratospheric and the boys decided to take the new superband on tour - and lo, McBUSTED was born.

McBusted walks side by side with Tom, James, Danny, Dougie, Matt and Harry as they build the band and provides a backstage pass into the tour, the fans and what the future might hold.

With guitar-driven punk pop to rival top US groups like Blink 182 and Wheatus - Busted were a breath of fresh air when they burst onto the scene in 2002 with the catchy single *What I Go To School For*, followed by *Year 3000*. Busted aim to be the natural antidote to choreographed boy bands and this book offers a scrapbook of the group's personal rock'n'roll memorabilia, reflecting their rapid rise to fame. Surfing, shooting pool, football, gigging - a series of snapshots of life in young, bright, guitar-driven Britain in 2003. Every tale is told by the lively Busted 18-year-olds, Mattie, Charlie and James, oozing wit, style and charm. Added to the mix are exclusive photographs of the band in recording and television studios, on the road and live on stage during their first tour in May 2003.
