[Chocolate Fever](#) Delacorte Books for Young Readers

In this post-apocalyptic novel from Newbery Medal-winning author Robert C. O'Brien, a teen girl struggling to survive in the wake of unimaginable disaster comes across another survivor. Ann Burden is sixteen years old and completely alone. The world as she once knew it is gone, ravaged by a nuclear war that has taken everyone from her. For the past year, she has lived in a remote valley with no evidence of any other survivors. But the smoke from a distant campfire shatters Ann's solitude. Someone else is still alive and making his way toward the valley. Who is this man? What does he want? Can he be trusted? Both excited and terrified, Ann soon realizes there may be worse things than being the last person on Earth.

SAGE

This psychological drama allows readers to piece together the sequence of events that changes a teen boy's perspective on what it means to be a good friend and a good person.

"War, reclamation, and what Tim O'Brien called 'the Lives of the Dead' are eternal literary themes for men. Clay Bonnyman Evans has honored that lineage with this masterful melding of military history and personal quest."—Ron Powers, co-author of New York Times #1 bestseller *Flags of Our Fathers* In November 1943, Marine 1st Lt. Alexander Bonnyman, Jr. was mortally wounded while leading a successful assault on a critical Japanese

fortification on the Pacific atoll of Tarawa, and posthumously awarded the Medal of Honor, the nation's highest military honor. The brutal, bloody 76-hour battle would ultimately claim the lives of more than 1,100 Marines and 5,000 Japanese forces. But Bonnyman's remains, along with those of hundreds of other Marines, were hastily buried and lost to history following the battle, and it would take an extraordinary effort by a determined group of dedicated civilians to find him. In 2010, having become disillusioned with the U.S. government's half-hearted efforts to recover the "lost Marines of Tarawa," Bonnyman's grandson, Clay Bonnyman Evans, was privileged to join the efforts of History Flight, Inc., a non-governmental organization dedicated to finding and repatriating the remains of lost U.S. service personnel. In *Bones of My Grandfather*, Evans tells the remarkable story of History Flight's mission to recover hundreds of Marines long lost to history in the sands of Tarawa. Even as the organization begins to unearth the physical past on a remote Pacific island, Evans begins his own quest to unearth and reclaim the true history of his grandfather, a charismatic, complicated hero whose life had been whitewashed, sanitized, and diminished over the decades. On May 29, 2015, Evans knelt beside a History Flight archaeologist as she uncovered the long-lost, well-preserved remains of his grandfather. And more than seventy years after giving his life for his country, a World War II hero finally came home.

*The War with Grandpa (Robert Kimmel Smith)* Univ of South Carolina Press

The hilarious story of a boy who leaps into battle when he's forced to share a room with his grandfather. Now a major film!

[My Friend Grandpa](#) Wendy Lamb Books

The award-winning children's classic - now a major film Peter was so excited that Grandpa was coming to live with his family - but he hadn't expected Grandpa to take his room... Peter loves his Grandpa, but now he feels he has only one choice: to declare war! With the help of his friends, Peter

devises outrageous plans to make Grandpa surrender the room. But Grandpa is tougher than he looks. Rather than give in, Grandpa plans to get even. They used to be such great pals. Has their war gone too far?

*The War with Grandpa* by Robert Kimmel Smith Skyhorse

"The sequel to *The War with Grandpa*"--Cover.

**The Road** Random House Books for Young Readers

**The War with Grandpa** Little, Brown Young Readers

"Invites the reader to join top monster scientists (and a zombie named Tina) as they clear up the myths and misconceptions people have about these scary yet misunderstood creatures"--

**The Goldfish Boy** Simon and Schuster

EIGHT STARRED REVIEWS! The reassuring book kids and families need right now. "An absolute original . . . a story that kids will love." --R. J. Palacio, bestselling author of *Wonder* At a time when everything is changing for Bea and her family, the important things will always stay the same. A soon-to-be classic by the Newbery Award-winning author of *When You Reach Me*. After her parents' divorce, Bea's life became different in many ways. But she can always look back at the list she keeps in her green notebook to remember the things that will stay the same. The first and most important: Mom and Dad will always love Bea, and each other. When Dad tells Bea that he and his boyfriend, Jesse, are getting married, Bea is thrilled. Bea loves Jesse, and when he and Dad get married, she'll finally (finally!) have what she's always wanted--a sister. Even though she's never met Jesse's daughter, Sonia, Bea is sure that they'll be "just like sisters anywhere." As the wedding day approaches, Bea will learn that making a new family brings questions, surprises, and joy, and readers will discover why the *New York Times* called Rebecca Stead a "writer of great feeling." "An undeniably beautiful book." --The *New York Times* "No author writing today observes young lives with more clarity, tenderness, and grace." --Newbery Medalist Katherine Applegate, author of *The One and Only Ivan* "Stead truly understands the inner life of kids." --Newbery Medalist Erin Entrada Kelly, author of *Hello, Universe* and *You Go First*

Ten-year-old Bobby Ellis loves everything about baseball, from the hits to the hot dogs. That's why he calls himself Bobby Baseball! Every day he dreams of becoming a major league pitcher and joining the stars in the Baseball Hall of Fame. And what better place to start his career than right here on his own Kids Club team, the Hawks? But the hawks' coach happens to be Bobby's father, who has other ideas. "You're a natural second baseman," he says, expecting Bobby to be a model player who never makes a single mistake. Get real, Dad! When Bobby pitches three winning games in a row, the Hawks rule. Suddenly Bobby's life seems like one big baseball game--games on the field, games on TV, and games in his mind. Can Bobby keep on winning? Can he count on Dad?

It's tough for eleven-year-old Ned—or Jelly Belly, as he's known at school—to stop eating. At four feet eight inches tall, he weighs 109 pounds, and he keeps growing—wider! When his parents send him to a sleepaway diet camp, he and his bunkmates can't quite give up their old habits. Nightly "cheating" adventures keep the boys plump, betraying their secret trips. When Ned finally realizes there's only one way to lose weight for good, his whole family is glad to help—except Grandma. Grandma loves to cook for Ned and is hurt when he rejects her treats. Can he resist temptation without hurting his grandma and himself?

**The War with Grandpa** Open Road Media

In 1998, the author learned about a new monument in Washington, D.C., created to honor the black soldiers and sailors who had served in the Civil War. What she was about to learn; however, was that her great grandfather's name would not be among those remembered there. Why not? Because he had not served in one of the segregated units whose members' names are engraved on the memorial wall. Instead, Crowder Pacien/Patience had served in a white regiment. An identifiably "Col'd" man, he had been a private in the 103rd Pennsylvania Volunteer Infantry. After having been told that there had been no black soldiers serving in white regiments, the author made a hypothesis that if there had been one such black soldier in a white regiment, as she knew, then there might have been others. This series traces the author's journey to such proof. The hundreds of names listed here should be proof enough for the "nay-sayers" to conclude that black men indeed did serve in white regiments. Chapters in Volume II include: Difficulties with Finding Facts, C-Span Book TV Presentation, Mixed Race Regiments, Honoring Civil War Ancestors, Recruitment of Black Soldiers, General Orders No. 323 and the Undercooks, Three Undercooks Garrisoned at Plymouth, N.C., A Trip to the Carlisle Barracks, Finding the Gravesites of Black Soldiers, A Gravesite Lost in North Carolina, One Descendant's Determination, and Conclusion. Chapters are followed by lists: Additional Black Soldiers Alphabetized, Additional Black Soldiers by States, and Final Resting Places. Numerous photographs and illustrations, End Notes, Sources, and an index to full-names, subjects and places add to the value of this work. Historians and Civil War "buffs" alike will find new information revealed in this series, even though so many years have passed since the last shot of the war was fired.

Rowman & Littlefield

A high-school freshman who refuses to participate in the annual fund-raising chocolate sale is forced to defend his convictions.

*Experiences of Latter-Day Saints in World War II* Hyweb Technology Co. Ltd.

A Kirkus Reviews Best Nonfiction Book of 2021 Family secrets emerge as a best-selling author dives into the history of the mob in small-town America.

Best-selling author Russell Shorto, praised for his incisive works of narrative history, never thought to write about his own past. He grew up knowing his grandfather and namesake was a small-town mob boss but maintained an unspoken family vow of silence. Then an elderly relative prodded:

You're a writer—what are you gonna do about the story? Smalltime is a mob story straight out of central casting—but with a difference, for the small-

town mob, which stretched from Schenectady to Fresno, is a mostly unknown world. The location is the brawny postwar factory town of Johnstown,

Pennsylvania. The setting is City Cigar, a storefront next to City Hall, behind which Russ and his brother-in-law, "Little Joe," operate a gambling

empire and effectively run the town. Smalltime is a riveting American immigrant story that travels back to Risorgimento Sicily, to the ancient, dusty,

hill-town home of Antonino Sciotto, the author's great-grandfather, who leaves his wife and children in grinding poverty for a new life—and wife—in a

Pennsylvania mining town. It's a tale of Italian Americans living in squalor and prejudice, and of the rise of Russ, who, like thousands of other young

men, created a copy of the American establishment that excluded him. Smalltime draws an intimate portrait of a mobster and his wife, sudden riches,

and the toll a lawless life takes on one family. But Smalltime is something more. The author enlists his ailing father—Tony, the mobster's son—as his

partner in the search for their troubled patriarch. As secrets are revealed and Tony's health deteriorates, the book become an urgent and intimate

exploration of three generations of the American immigrant experience. Moving, wryly funny, and richly detailed, Smalltime is an irresistible memoir

by a masterful writer of historical narrative.

*The Yearling* (□□□□) Yearling

A multiple award-winning story from the author of *Chocolate Fever* and *The War with Grandpa*. Since his parents split up, Mark's life drastically

changes and he feels he doesn't have any rights left at all. Things will probably get worse--unless he finds the courage to confront his life.
