**Prosa** U of Minnesota Press

Visionary poet Allen Ginsberg was one of the most influential cultural and literary figures of the 20th century, his face and political causes familiar to millions who had never even read his poetry. And yet he is a figure that remains little understood, especially how a troubled young man became one of the intellectual and artistic giants of the postwar era. He never published an autobiography or memoirs, believing that his body of work should suffice. The Essential Ginsberg attempts a more intimate and rounded portrait of this iconic poet by bringing together for the first time his most memorable poetry but also journals, music, photographs and letters, much of it never before published.

**Snapshot Poetics** Grove/Atlantic, Inc.

Lançado no outono de 1956, o longo e profético Uivo de Allen Ginsberg foi apreendido pela polícia de San Francisco, sob a acusação de se tratar de uma obra obscena. Depois de um tumultuado julgamento, o poema foi liberado pela Suprema Corte americana e vendeu milhões de exemplares. Desde então se tornou uma fonte indispensável para todos aqueles que pretendem penetrar nas estações do inferno e iluminações de Allen Ginsberg e seus companheiros hipsters, pelas estradas amplas e becós sórdidos da América. Junto com On the road de Jack Kerouac, é Uivo que marca o início do movimento beat. Subitamente transformado numa celebridade na América, Ginsberg prosseguiu produzindo num mesmo ritmo frenético até sua morte, em 1997.

**White Shroud** City Lights Books

The ethnically diverse scope, broad chronological coverage, and mix of biographical, critical, historical, political, and cultural entries make this the most useful and exciting poetry reference of its kind for students today. American poetry springs up out of all walks of life; its poems are "maternal as well as paternal...stuff'd with the stuff that is coarse and stuff'd with the stuff that is fine," as Walt Whitman wrote, adding "Of every hue and caste am I, of every rank and religion." Written for high school and undergraduate students, this two-volume encyclopedia covers U.S. poetry from the Colonial era to the present, offering full treatments of hundreds of key poets of the American canon. What sets this reference apart is that it also discusses events, movements, schools, and poetic approaches, placing poets in their social, historical, political, cultural, and critical contexts and showing how their works mirror the eras in which they were written. Readers will learn about surrealism, ekphrastic poetry, pastoral elegy, the Black Mountain poets, and "language" poetry. There are long and rich entries on modernism and postmodernism as well as entries related to the formal and technical dimensions of American poetry. Particular attention is paid to women poets and poets from various ethnic groups. Poets such as Amiri Baraka, Nathaniel Mackey, Natasha Trethewey, and Tracy Smith are featured. The encyclopedia also contains entries on a wide selection of Latino and Native American poets and substantial coverage of the avant-garde and experimental movements and provides sidebars that illuminate key points.

"Kaddish", also known as "Kaddish for Naomi Ginsberg", is a poem by Beat writer Allen Ginsberg about his mother Naomi and her death on June 9, 1956. Ginsberg began writing the poem in the Beat Hotel in Paris in December 1957 and completed it in New York in 1959. It is often considered one of Ginsberg's finest poems, with some scholars holding that it is his best poem. The title "Kaddish" refers to the mourner's prayer or blessing in Judaism. This long poem was Ginsberg's attempt to mourn his mother, Naomi, but also reflects his sense of loss at his estrangement from his born religion. The traditional Kaddish contains no references to death, whereas Ginsberg's poem is riddled with thoughts and questionings of death. The poem was published as the lead poem in the collection "Kaddish and Other Poems" in 1961. Contents: Kaddish For Naomi Ginsberg 1894-1956 Poem: Rocket Europe! Europe! To Lindsay Message To Aunt Rose At Apollinaire's Grave The Lion For Real Ignu Death To Van Gogh's Ear! Laughing Gas Mescaline Lysergic Acid Magic Psalm The Reply The End Fuji Books' edition of "Kaddish And Other Poems" contains supplementary texts: \* "Howl", by Allen Ginsberg. \* "America", by Allen Ginsberg. \* A few selected quotes

of Allen Ginsberg.

This volume explores the sense and sensibility of madness in literature and the arts. As madwomen and madmen venture into uncharted or prohibited terrain, they disrupt normalcy. Yet, they may also unleash the liberatory and transformative potential of unrestrained madness.

*Howl* Panini

"The way to point to the existence of the universe is to see one thing directly and clearly and describe it. . . . If you see something as a symbol of something else, then you don't experience the object itself, but you're always referring it to something else in your mind. It's like making out with one person and thinking about another." —Ginsberg speaking to his writing class at Naropa Institute, 1985 With "Howl" Allen Ginsberg became the voice of the Beat Generation. It was a voice heard in some of the best-known poetry of our time—but also in Ginsberg's eloquent and extensive commentary on literature, consciousness, and politics, as well as his own work. Much of what he had to say, he said in interviews, and many of the best of these are collected for the first time in this book. Here we encounter Ginsberg elaborating on how speech, as much as writing and reading, and even poetry, is an act of art. Testifying before a Senate subcommittee on LSD in 1966; gently pressing an emotionally broken Ezra Pound in a Venice pensione in 1967; taking questions in a U.C. Davis dormitory lobby after a visit to Vacaville State Prison in 1974; speaking at length on poetics, and in detail about his "Blake Visions," with his father Louis (also a poet); engaging William Burroughs and Norman Mailer during a writing class: Ginsberg speaks with remarkable candor, insight, and erudition about reading and writing, music and fame, literary friendships and influences, and, of course, the culture (or counterculture) and politics of his generation. Revealing, enlightening, and often just plain entertaining, Allen Ginsberg in conversation is the quintessential twentieth-century American poet as we have never before encountered him: fully present, in pitch-perfect detail.

**Howl and Other Poems** Rowohlt Verlag GmbH

In these most personal of pages we follow Allen Ginsberg from heady times of the San Francisco Poetry Renaissance and sojourns in the Arctic and Mexico, through his 1957 visit to Burroughs in Morocco, and adventures in Paris, Amsterdam, London, and New York. These journals offer an account of Ginsberg's emotional life: his homosexuality; his love affair with Peter Orlovsky; and the death of his mother.

**The Sense and Sensibility of Madness** Aufbau Digital

A revelatory look at how poet Allen Ginsberg transformed

experiences of mental illness and madness into some of the most powerful and widely read poems of the twentieth century. Allen Ginsberg's 1956 poem "Howl" opens with one of the most resonant phrases in modern poetry: "I saw the best minds of my generation destroyed by madness." Thirty years later, Ginsberg entrusted a Columbia University medical student with materials not shared with anyone else, including psychiatric records that documented how he and his mother, Naomi Ginsberg, struggled with mental illness. In *Best Minds*, psychiatrist, researcher, and scholar Stevan M. Weine, M.D., who was that medical student, examines how Allen Ginsberg took his visions and psychiatric hospitalization, his mother's devastating illness, confinement, and lobotomy, and the social upheavals of the postwar world and imaginatively transformed them. Though madness is often linked with hardship and suffering, Ginsberg's showed how it could also lead to profound and redemptive aesthetic, spiritual, and social changes. Through his revolutionary poetry and social advocacy, Ginsberg dedicated himself to leading others toward new ways of being human and easing pain. Throughout his celebrated career Ginsberg made us feel as though we knew everything there was to know about him. However, much has been left out about his experiences growing up with a mentally ill mother, his visions, and his psychiatric hospitalization. In *Best Minds*, with a forty-year career studying and addressing trauma, Weine provides a groundbreaking exploration of the poet and his creative process especially in relation to madness. *Best Minds* examines the complex relationships between mental illness, psychiatry, trauma, poetry, and prophecy—using the access Ginsberg generously shared to offer new, lively, and indispensable insights into an American icon. Weine also provides new understandings of the paternalism, treatment failures, ethical lapses, and limitations of American psychiatry in the 1940s and 1950s. In light of these new discoveries, the challenges Ginsberg faced appear starker and his achievements, both as a poet and an advocate, even more remarkable.

#### **Plutonian Ode:And Other Poems 1977-1980** SIU Press

This is the only volume to bring together all of Allen Ginsberg's published verse in its entirety, celebrating half a century of brilliant work from one of America's greatest poets. Presented chronologically, it sets Ginsberg's verse against the story of his extraordinary life: from his most famous landmark works 'Howl' and 'Kaddish' to the poems of *White Shroud* and *Cosmopolitan Greetings*, and on to his later writings such as the caustically funny 'Death and Fame', the provocative 'New Democracy Wish List' and the elegiac 'Things I'll Not Do (Nostalgia)'. Ginsberg, as chief figure among the Beats, fomented a social and political revolution, yet his groundbreaking verse also changed the course of American poetry with its freewheeling spontaneity, rawness, honesty and energy. Also containing illustrations by Ginsberg's artist friends, illuminating notes to the poems, original prefaces and photographs, this is the essential record of one of the most influential voices in twentieth century poetry.

MÖGE DER VERS MIT EUCH SEIN! Der Barde aus Stratford begibt sich in eine weit, weit entfernte Galaxis. In Shakespeares Star Wars treffen zwei Welten aufeinander, die sonst nicht in einem Atemzug genannt werden. Aber warum eigentlich nicht? Immerhin haben die Figuren aus Star Wars viel mit den Dramatis Personae eines elisabethanischen Dramas gemein: Es gibt einen weisen (Jedi-)Ritter und einen bösen (Sith-) Lord, der eine schöne Prinzessin gefangen hält. Auch der jugendliche Held, der zur Rettung eilt, fehlt nicht. Hinzu kommen noch ein kampfprober Draufgänger und dessen treuer Begleiter. Ian Doescher hat mit diesem Drama in Stile des großen Meisters Episode IV

umgedichtet und dabei alle Vorteile genutzt, die das neue Medium zu bieten hat. Das Resultat ist ein einzigartiges Lesevergnügen.

#### **Howl, Kaddish and Other Poems** HarperCollins

Allen Ginsberg was the bard of the beat generation, and *Howl, Kaddish and Other Poems* is a collection of his finest work published in Penguin Modern Classics, including 'Howl', whose vindication at an obscenity trial was a watershed moment in twentieth-century history. 'I saw the best minds of my generation destroyed by madness, starving hysterical naked' Beat movement icon and visionary poet, Allen Ginsberg broke boundaries with his fearless, pyrotechnic verse. This new collection brings together the famous poems that made his name as a defining figure of the counterculture. They include the apocalyptic 'Howl', which became the subject of an obscenity trial when it was first published in 1956; the moving lament for his dead mother, 'Kaddish'; the searing indictment of his homeland, 'America'; and the confessional 'Mescaline'. Dark, ecstatic and rhapsodic, they show why Ginsberg was one of the most influential poets of the twentieth century. Allen Ginsberg (1926-97) was an American poet, best known for the poem 'Howl' (1956), celebrating his friends of the Beat Generation and attacking what he saw as the destructive forces of materialism and conformity in the United States at the time. He was inducted into the American Academy of Arts and Letters, was awarded the medal of Chevalier de l'Ordre des Arts et des Lettres by the French Minister of Culture, won the National Book Award for *The Fall of America* and was a co-founder of the Jack Kerouac School of Disembodied Poetics at the Naropa Institute, the first accredited Buddhist college in the Western world. If you enjoyed *Howl, Kaddish and Other Poems*, you might like Jack Kerouac's *On the Road*, also available in Penguin Modern Classics. 'The poem that defined a generation' *Guardian* on 'Howl' 'He avoids nothing but experiences it to the hilt' William Carlos Williams

#### **Kaddish and Other Poems** Fordham Univ Press

Featuring the legendary and groundbreaking poem "Howl," this remarkable volume showcases a selection of Allen Ginsberg's poems, songs, essays, letters, journals, and interviews and contains sixteen pages of his personal photographs. One of the Beat Generation's most renowned poets and writers, Allen Ginsberg became internationally famous not only for his published works but for his actions as a human rights activist who championed the sexual revolution, human rights, gay liberation, Buddhism and eastern religion, and the confrontation of societal norms—all before it became fashionable to do so. He was also the dynamic leader of war protesters, artists, Flower Power hippies, musicians, punks, and political radicals. *The Essential Ginsberg* collects a mosaic of materials that displays the full range of Ginsberg's mental landscape. His most important poems, songs, essays, letters, journals, and interviews are displayed in chronological order. His poetic masterpieces, "Howl" and "Kaddish," are presented here along with lesser-known and difficult to find songs and prose. Personal correspondence with William Burroughs and Jack Kerouac is included as well as photographs—shot and captioned by Ginsberg himself—of his friends and fellow rogues William Burroughs, Neal Cassady, and more. Through his essays, journals, interviews, and letters, this definitive volume will inspire readers to delve deeper into a body of work that remains one of the most impressive literary canons in American history.

#### **Collected Poems 1947-1980** City Lights Books

A collection of Ginsberg's poems include meditations, songs, soliloquies, fantasies, elegies, and regional portraits of America. **To Eberhart from Ginsberg** Chronicle Books (CA) Gathered here for the first time is the verse of three decades of one of America's greatest poets. *Collected Poems 1947-1980* includes all writings in the groundbreaking paperback volumes published by City Lights Books, the contents of many rare pamphlets issued by small presses, and, finally, some notable texts hitherto unpublished—one, "Many Loves," withheld "for reasons of prudence and modesty," is an erotic rhapsody dating from the historic "San Francisco Renaissance" era. Allen Ginsberg is, of course, a chief figure in the group of writers (among them Kerouac, Corso, Ferlinghetti, Creeley, Duncan, Snyder, and O'Hara) who, in the Bay Area and in New York in the 1950s, began to change the course of American poetry, liberating it from closed academic forms by the creation of open, vocal, spontaneous, and energetic postmodern verse in the tradition of Whitman, Apollinaire, Hart, Crance, Pound, and William Carlos Williams. Within a decade, Ginsberg's classics "Howl," "Kaddish," and "The Change" would become central in leading American (and international) poetry toward uncensored vernacular, raw candor, the ecstatic, the rhapsodic, and the sincere—al leavened, in Ginsberg's work, by an attractive and pervasive streak of common sense. These raw tones and attitudes of spiritual liberation helped catalyze a psychological revolution that has become a permanent part of our cultural heritage, profoundly influencing not only poetry and popular song and speech but also a generation's view of the world. Even the literary establishment, hostile at first toward the revolutionary new spirit, has recognized Allen Ginsberg's achievement by honoring him with a National Book Award and membership in the American Academy and Institute of Arts and Letters. The uninterrupted energy of Ginsberg's remarkable career—embodying political activism as well as Buddhist spiritual practice—is clearly revealed in this volume. Seen in the order of composition, the poems reflect on one another; they are not only works but also a work. Here are the familiar anthology staples "Sunflower Sutra" and "To Aunt Rose"; the great antiwar poem "Wichita Vortex Sutra"; "Wales Visitation" (an extraordinary nature ode inspired by psychedelic experiments); the much-translated elegy "September on Jessore Road" and the meditative fantasy "Mind Breaths," followed by the haunting "Father Death Blues" and a later heroic, full-voiced "Plutonian Ode," addressed to "you, Congress and American people." Among the recent poems are the delicate familiar anecdotes in "Don't Grow Old"; "Birdbrain!," a savage political burlesque; and the new-wave lyric "Capitol Air." Adding to the splendid richness of this book are illustrations by Ginsberg's artist friends; unusual and illuminating notes to the poems, inimitably prepared by the author; extensive indexes; and prefaces and other materials that accompanied the original publications.
