### Difficult Loves

Prabhat  
Prakashan  
With his  
characteristic  
raw and  
minimalist  
style, Charles  
Bukowski  
takes us on a  
walk through

his side of  
town in Hot  
Water Music.  
He gives us  
little vignettes  
of depravity  
and  
lasciviousness  
, bite sized  
pieces of what  
is both  
beautiful and  
grotesque.  
The stories in  
Hot Water  
Music dash

around the  
worst parts of  
town - a motel  
room stinking  
of sick, a  
decrepit  
apartment  
housing a  
perpetually  
arguing  
couple, a bar  
tended by a  
skeleton - and  
depict the  
darkest parts  
of human

existence. Bukowski talks simply and profoundly about the underbelly of the working class without raising judgement. In the way he writes about sex, relationships, writing, and inebriation, Bukowski sets the bar for irreverent art – his work inhabits the basest part of the mind and the most extreme absurdity of the everyday. *Summer with the Enemy* Open Book Publishers SHORTLISTED

FOR THE INTERNATIONAL PRIZE FOR ARABIC FICTION AN INTERGENERATIONAL TALE OF LIFE AND LOVE SEEN THROUGH THE EYES OF THREE WOMEN FROM RAQQA The western popular imagination about the now devastated city of Raqqa, Syria is filled with static and clichéd images of the Arab world. On the news, Raqqa looks like a dusty and abandoned desert village overrun by

ISIS and other brands of Islamic fundamentalists, making its desperate, impoverished people yearn to flee at all costs. In the Arab popular imagination, the image of Raqqa is not much different--this ancient city, nestled along the Euphrates river in northeastern Syria, is typically thought of by Arabs as a remote Bedouin outpost, far removed from the nearest large metropolis,

Aleppo. People's real lives, however, are always more complex. Nothing could help bring these real and complex histories to more widespread attention than Shahla Ujalyli's brilliant new novel, *Summer with the Enemy*. This novel is a compelling tale that follows the charming, if at times difficult, everyday life of three women-- Lamis, her mother Najwa, and her grandmother Karma - and all of the complexities of their relationships with each other, their extended family, and the wider social worlds they inhabit. The diversity of life in Syria, especially Raqqa, is on display throughout this book, and the stories told in its seven chapters move back and forth between time and place, with attention to the intimate details of lives and relationships, and with an eye to the larger historical and political contexts in which they live. An intergenerational novel, *Summer with the Enemy* traces the lives of these women not only in Raqqa where the bulk of the novel is set, but also in the places their families lived before -- Turkey, Jerusalem, Aleppo and Damascus. It reminds us that Syria and Syrians have

never been isolated from the world, and that indeed the lives of people stretched far beyond the confines of Raqqa's city limits, long before the online world existed.

**Everyday Use** Everyday Use Now in its fourth edition, *A Handbook of Critical Approaches to Literature* has become a standard introduction to the close reading of literature. It offers students and other readers

a variety of ways to interpret a piece of literature, ranging from traditional approaches through the formalist, the psychological, the mythic and archetypal, and into such contemporary approaches as feminist criticism and cultural studies. Applying these diverse approaches to the same five works, the book shows students how various methods offer different insights,

enriching their response to and understanding of the individual work. This fourth edition features a new chapter on cultural studies and the inclusion and interpretation of Alice Walker's singularly rich short story, "Everyday Use." *Hot Water Music* Createspace Independent Publishing Platform Chekhov's short story "The Beggar" revolves around the

theme of spiritual transformation where a depraved alcoholic becomes a better person through compassion and kindness. A perfect example of a narrative with a twist, the short story offers some insight into the topic of knowing the other and delving deeper into the human psyche. What is more, Chekhov places his characters and their extraordinary encounters

against the mundane daily grind, a typical characteristic feature of his whole work. The unexpected ending reveals Chekhov's affinity to conclude his stories with a touch of morality. A prolific writer of seven plays, a novel and hundreds of short stories, Anton Chekhov is considered one of the best practitioners of the short story genre in literature. True to life and painfully

morbid with his miserable and realistic depictions of Russian everyday life, Chekhov's characters drift between humour, melancholy, artistic ambition, and death. Some of his best-known works include the plays "Uncle Vanya", "The Seagull", and "The Cherry Orchard", where Chekhov dramatizes and portrays social and existential problems. His short stories unearth the mysterious

beneath the ordinary situations, the failure and horror present in everyday life.

*The Emperor's New Clothes* McFarland Beginning with a brief history and evolution of the short story genre, alongside an overview of the key short story writers, and an explanatory chapter of literary criticism, this book aims to give readers insight into the works by canonical British, Irish, and American

authors, including Edgar Allan Poe, James Joyce, Flannery O'Connor, and more. Applying close reading skills and critical literary approaches to twelve selected short stories in English, this work conducts comparative analyses to reveal the interrelationships between the texts, the authors, the readers, and the sociocultural contexts. Developed and tested in literature

classes at university over several semesters, this book addresses key issues, topics and trends in the short story genre. Der Circle OUP Oxford Grammar is the starting point of the syllabus. The problem-solving approach to grammar helps students to work out for themselves the meaning and use of structures. Practice activities help students use the grammar in everyday situations.

Motivating topics draw on students' own experiences and develop their interest in the world around them. Integrated skills work presents students with a variety of activities that develop their confidence and fluency in speaking, reading, writing and listening. The variety of texts, discussions and dialogues is supported by practical tasks that help students to use and understand the new

language. A systematic vocabulary syllabus combined with learning-to-learn skills encourage students to develop their own strategies for remembering new words. A lively photo-story in the first two levels presents informal language and a cultural reference as it follows the everyday lives of a group of British teenagers. The two upper levels contain a series of free-standing short stories

which develop extensive reading skills. Practical 'Learn to learn' features help students to develop their study skills, record new vocabulary and organize their language learning. You can start the course either with Pacesetter Starter, which is for beginners, or Pacesetter Elementary, which is suitable for those who have achieved a basic level of English. A helpful review section at the

end of each unit summarizes the main learning points and provides a reference for revision work. Three consolidation units in each level revise key grammar points, vocabulary and dialogues through controlled and freer activities. The projects at the end of these units provide an opportunity for students to produce more substantial and personal pieces of work.

*The Beggar*

Arcturus Publishing I had called upon my friend, Mr. Sherlock Holmes, one day in the autumn of last year and found him in deep conversation with a very stout, florid-faced, elderly gentleman with fiery red hair. With an apology for my intrusion, I was about to withdraw when Holmes pulled me abruptly into the room and closed the door behind me. "You could not possibly have

come at a better time, my dear Watson," he said cordially. "I was afraid that you were engaged." "So I am. Very much so." "Then I can wait in the next room." "Not at all. This gentleman, Mr. Wilson, has been my partner and helper in many of my most successful cases, and I have no doubt that he will be of the utmost use to me in yours also." The stout gentleman half rose from

his chair and gave a bob of greeting, with a quick little questioning glance from his small fat-encircled eyes. "Try the settee," said Holmes, relapsing into his armchair and putting his fingertips together, as was his custom when in judicial moods. "I know, my dear Watson, that you share my love of all that is bizarre and outside the conventions and humdrum routine of everyday life. You have shown your

relish for it by the enthusiasm which has prompted you to chronicle, and, if you will excuse my saying so, somewhat to embellish so many of my own little adventures." "Your cases have indeed been of the greatest interest to me," I observed. "You will remember that I remarked the other day, just before we went into the very simple problem presented by Miss Mary

Sutherland, that for strange effects and extraordinary combinations we must go to life itself, which is always far more daring than any effort of the imagination." "A proposition which I took the liberty of doubting." "You did, Doctor, but none the less you must come round to my view, for otherwise I shall keep on piling fact upon fact on you until your reason breaks down under them and

acknowledges me to be right. Now, Mr. Jabez Wilson here has been good enough to call upon me this morning, and to begin a narrative which promises to be one of the most singular which I have listened to for some time. You have heard me remark that the strangest and most unique things are very often connected not with the larger but with the smaller crimes, and occasionally, indeed, where

there is room for doubt whether any positive crime has been committed. As far as I have heard, it is impossible for me to say whether the present case is an instance of crime or not, but the course of events is certainly among the most singular that I have ever listened to. Perhaps, Mr. Wilson, you would have the great kindness to recommence your narrative. I ask you not merely because my

friend Dr. Watson has not heard the opening part but also because the peculiar nature of the story makes me anxious to have every possible detail from your lips. As a rule, when I have heard some slight indication of the course of events, I am able to guide myself by the thousands of other similar cases which occur to my memory. In the present instance I am forced to admit that the facts are, to

the best of my belief, unique.”

Felicity), but are too squeamish and resentful to tend to his physical needs. Nariman must now turn to his younger daughter, Roxana, her husband, Yezad, and their two sons, who share a small, crowded home. Their decision will test not only their material resources but, in surprising ways, all their tolerance, compassion, integrity, and faith. Sweeping and intimate, tragic and

mirthful, Family Matters is a work of enormous emotional power.

**The Love of a Good Woman**

Markham, Ont. : Penguin Books Canada  
Do you have enormous difficulty with your clothing? My shoes and I are constantly at odds because they regularly kidnap my socks. In my house, all kinds of conspiracies abound. Does your cat think you're stupid? If so, you should be concerned,

and this book will tell you why. My cat insults me every day with his 'I know better than you, idiot' looks. So do the rabbits in the backyard. It's hard not being liked by the house pets. Do you find history, holidays, travel, and even fruit funny? I've lost count of the times that I've sat in my car in the middle of a traffic jam, while pondering these subjects and many others, along with odd

moments too numerous to count. And what is a moment? Here is my own description: A moment is technically ninety seconds. A minute is less than that. And a 'New York Minute' is the shortest measurable unit of time, with the possible exception of my own patience when someone tells me to "wait a second." But read this book and find out more. Let me relieve you of a small sum of your vast

wealth and leave you with a feeling of exhaustion brought on by nothing more than a bit of laughter and just a hint of incredulity..... A Vaporous Collection of Moments is an assemblage of seventy-five essays and mad rants on subjects too ridiculous to ignore. Dominic Macchiaroli is also the author of 'My Parakeet was an Anarchist' and 'Skateboarding on the Appian Way' What others would say

about this book, if they were living: "I came, I saw, I read!" - G.J. Caesar "Sic semper tyrrific!!" - J.W. Booth "I am not a pastry!" - L.H. Oswald Book reviews online: PublishedBest sellers website. [Tales from Firozsha Baag](#) Jaico Publishing House Ein junger Mann kehrt nach einigen Jahren in Amerika heim nach Lagos in Nigeria, an den Ort seiner Kindheit, den er vor vielen

Jahren verlassen hat. Er kommt bei Verwandten unter, trifft alte Freunde, lässt sich durch die Straßen treiben. Lagos ist anstrengend und korrupt, Verheißung und Zumutung in einem, voller Geschichten von spiritueller Größe und Verkommenheit. Jede Nacht ist ein vergeblicher Versuch, Ruhe zu finden. Und jeder Tag ein Spiegel, in dem er sich selbst immer klarer sieht.

Soll er bleiben oder fliehen? In Teju Coles leuchtenden Sätzen, in denen eine große, gebrochene Liebe zum Ausdruck kommt, entsteht das poetische Porträt eines bedrückten Landes und der größten Metropole in Afrika.

 "Showcases the truth and fullness of people of color."  
 —Book

Riot In the tradition of Best American Short Stories comes Everyday People: The Color of Life, a dazzling collection of contemporary short fiction. Everyday People is a thoughtfully curated anthology of short stories that presents new and renowned work by established and emerging writers of color. It illustrates the dynamics of character and culture that reflect familial strife, political

conflict, and personal turmoil through an array of stories that reveal the depth of the human experience. Representing a wide range of styles, themes, and perspectives, these selected stories depict moments that linger—crossroads to be navigated, relationships, epiphanies, and times of doubt, loss, and discovery. A celebration of writing and expression, *Everyday People* brings to light the

rich tapestry that binds us all. The contributors are an eclectic mix of award-winning and critically lauded writers, including Mia Alvar, Carleigh Baker, Nana Brew-Hammond, Glendaliz Camacho, Alexander Chee, Mitchell S. Jackson, Yiyun Li, Allison Mills, Courttia Newland, Dennis Norris II, Jason Reynolds, Nelly Rosario, Hasanthika Sirisena, and Brandon Taylor. Some

of the proceeds from the sale of *Everyday People* will benefit the Rhode Island Writers Colony, a nonprofit organization founded by the late Brook Stephenson that provides space for speculation, production, and experimentation by writers of color. *Reading the Short Story* Longman Publishing Group Set in the Syrian neighborhood of al-Qaweyq, *Sour Grapes* is

a collection of fifty-nine wry, satirical short stories loosely connected by a cast of rotating characters living at society's margins. Tamer captures their everyday lives, weaving the attendant cruelties and ironies of living under an oppressive regime with the residents' irreverence and small acts of defiance. Inspired by the heroines of Arab mythology, the women of al-Qaweyq navigate the

patriarchal community with brash confidence and dark humor while the younger generation of children inherit a bitter cynicism from their fathers. Evoking under-ripened and immature fruit, the collection's title serves as a bittersweet metaphor for a world that possesses the seeds of change but is unprepared for the harvest. Considered a master of the short story, Zakaria Tamer is one of the

Arab world's most prominent and widely read writers. Columbu and Capallera's fluid translation gives English readers access to Tamer's original and provocative voice.

### **The Captain of the Polestar**

Vintage  
This book is your ticket to a practical and pleasant journey to German fluency! In this book, you will find fifteen short stories showcasing the modern

and exciting lives of people in contemporary Germany. These stories are funny, emotional and riddled with facts about German history and culture. They only take a few minutes to read and you can do so anywhere you want and at any time that suits you. They will fill your day with interesting new thoughts and perspectives from an entirely new world. It is the perfect guide for beginners,

intermediate level learners and anyone wanting to brush up on their German. Each story is rich in German vocabulary and yet simple enough for you to get a clear understanding . At the end of each chapter, a reading comprehension section and a quiz will allow you to go further and expand your knowledge. In addition to getting an immersive dive into the German culture, you will get the following out

of reading this book and completing the suggested exercises: After reading all 15 chapters and completing the suggested exercises, you'll be able to: \* Learn and remember hundreds of German words, phrases and expressions that you can use in real-life situations. \* Improve your general German reading comprehension skills. \* Get a sense of how the German

language is used in normal, everyday situations and learn useful vocabulary you will be able to use next time you visit Germany! \* Familiarize yourself with many grammatical structures without having to memorize any rules \* Learn about the German culture and people. \* Learn in a fun way: reading our stories will not feel like you're studying! \* Experience language

learning from an entirely different point of view. So don't hesitate. If you want to learn German the fun way, now is the time. Just scroll up and grab your copy now! Die 1%-Methode - Minimale Veränderung, maximale Wirkung Xist Publishing 'Anyuta' is a short story that portrays the key aspects of Chekhov's writings: dry humour, disillusionment, and a realistic depiction of

social issues. The story revolves around Anyuta, a poor woman living with a medical student, Stepan, who has little time for her. Stepan dreams of a better life and is torn between following his aspirations alone or resigning himself to destitution with Anyuta. Chekhov criticises the social standing of men and women as many male students have gone on to

achieve greatness, while Anyuta's life remains static. These feminist messages made the story controversial at the time and they are still significant today. 'Anyuta' is a poignant and compassionate tale about the difference between dreams and reality that depicts Chekov's ability to find small moments of humour in melancholy moments and features striking

portrayals of poverty. This short is recommended for avid Russian literature readers and its feminist aspects make it suitable for fans of novels such as 'The Handmaid's Tale'. A prolific writer of seven plays, a novel and hundreds of short stories, Anton Chekhov (1860-1904) is considered one of the best practitioners of the short story genre in literature. True to life and painfully

morbid with his miserable and realistic depictions of Russian everyday life, Chekhov's characters drift between humour, melancholy, artistic ambition, and death. Some of his best-known works include the plays 'Uncle Vanya', 'The Seagull', and 'The Cherry Orchard', where Chekhov dramatizes and portrays social and existential problems.
