 Arihant Publications India limited
 Finance is key to every business organisation as well as outside. This book makes sense of the finance world from a non-finance perspective. It introduces, explains and demystifies essential ideas of business finance to those who do not have financial background or training. Lucid, accessible, yet comprehensive, the book delineates the financial workings of businesses and offers an overview of corporate finance in the global context. The volume: Contains effective tools for financial communication, monitoring, analysis and resource allocation; Provides important learning aids such as figures, tables, illustrations and case studies; Highlights fundamental concepts and applications of finance; Surveys global corporate practices, recent trends and current data. This updated second edition contains new sections on Tax Planning, including Income Tax and Goods and Services Tax in India. A guide to building financial acumen, this book will be a useful resource for executive and management development programmes (EDPs & MDPs) oriented towards business managers, including MBA programmes. It will benefit business executives, corporate heads, entrepreneurs, government officials, teachers, researchers, and students of management and business, as well as those who deal with finance or financial matters in their daily lives.

 These classic Bible Study Courses by Rev. Kenneth E. Hagin have been credited to include chapter review questions to further enhance your study of God's Word. These teachings on the vital subjects of faith, prayer, the Holy Spirit and His gifts, and healing will show you how to live a life of victory and abundance!

Learning how to pray effectively is one of the most important things a believer can ever do in his Christian walk. A believer cannot be successful in fulfilling God's purpose in his life if he does not know how to pray according to biblical principles. A believer's prayer life should be based and built on the Word of God. This Bible Prayer Study Course discusses many principles of prayer that are found in the Word of God. As you apply these principles in your life, you can be sure of an answer every time! Chapter titles include: -- Seven Steps to Answered Prayer -- Praying in Jesus' Name -- Praying for Results -- The Prayer of Faith -- Praying With Tongues -- What Jesus Sai About Prayer -- The Will of God in Prayer

 'Hale's writing is beautiful, with a vivid eye for detail' Daily Telegraph Anidora-Kiladra Talianna Isilee, Crown Princess of Kilindree, spent the first years of her life listening to her aunt's incredible stories, and learning the language of the birds. Little knowing how valuable her aunt's strange knowledge would prove to be when she grew older. From the Grimm's fairy tale of the princess who became a goose girl before she could become a queen, Shannon Hale has woven an incredible, original and magical tale of a girl who must understand her own incredible talents before she can overcome those who wish her harm. Shannon Hale has drawn on her incredible gift for storytelling to create a powerful and magical grown-up fairytale.

Introductory Microeconomics - Class 11 - CBSE (2021-22) PHI

Learning Pvt. Ltd.

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features: Each chapter starts with a To Do list. It gives the central idea of the chapter and the way it has been addressed. Each chapter is divided into several sections corresponding to different components of the syllabus. Each chapter is splashed with HOTS. This is to promote clarity of the basics. Focus Zones in each chapter present a crux of the concepts. Blocks in each chapter include matter of special significance. Power Points and Revision Window offer a quick glance of the subject matter. 'Exercise' is tuned to the pattern of examination. Answers to important questions focus on the technique of writing. The exercise includes: objective type questions (remembering & understanding based questions), divided into five sections: (a) multiple choice questions, (b) fill in the blanks, (c) true or false, (d) matching the correct statements, (e) 'very short answer' objective type questions reason-based questions HOTS & applications analysis & evaluation CBSE questions (with answers or reference to the text for answers) NCERT questions (with hints to answers) miscellaneous and add-on questions (with hints or reference to the text for answers) Dos and Don'ts (at the end of each chapter) should serve as a safeguard against misinterpretation of the concepts. Ability Zone is a uniquely designed section at the end of the chapter. This raises the difficulty level, of course, but should serve as a useful material for the outstanding learners. Solved & Unsolved numericals are given to boost a grip on the subject. *Frank ISC Economics Class XII* Oswaal Books and Learning Private Limited

projects namely "STUDENTS' DUMMY BANK" is available at – <http://youtu.be/FnToqUaiZLY>. Sufficient number of CASE STUDIES are available. Also find Practice Papers at the end of the book. *Accountancy For Class XII* Oswaal Books and Learning Private Limited

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

Causes, Effects and Control VK Global Publications

The Third Edition of this text, which is a thoroughly revised and enlarged version of Prof. V.K. Goyal's book, *Corporate Accounting*, Second Edition, gives a clear analysis of the fundamental concepts of corporate accounting. Accounting for various types of companies comes under the sphere of corporate accounting. This book primarily deals with the preparation and presentation of accounts strictly in accordance with the provisions of the Indian Company Law. Organized into 11 chapters, this book, at the outset, presents provisions of the Indian Companies Act, 1956, SEBI's guidelines, and different types of shares and modes for issue of shares. Then it goes on to give a detailed discussion on the conditions for redemption of preference shares with their sources and conversion of preference shares into equity shares. Besides, this text covers, in detail, topics such as different modes of issue and redemption of debentures, internal and external construction of companies, preparation of cash flow statement and its classification as well as the distinction between cash flow statement and fund flow statement. Finally, the book elaborates on several methods of analysis of financial statements and advantages and limitations of ratio analysis. This well-organized and student-friendly book is intended as a text for undergraduate students of commerce (B.Com. Programme/B.Com. Pass) in universities across India. In addition, it would be useful for professional courses such as CA, ICWA and CS. Key Features Covers concepts and principles of corporate accounting in a comprehensive manner. Includes 300 worked-out examples to illustrate the concepts discussed. Provides 250 unsolved problems in a graded manner for the benefit of students.
