JONATHAN JAIDYN

Foreign Policy in the Shadows Rowman & Littlefield

Updated annually and part of the renowned "World Today Series," USA and the World presents an unusually penetrating look into America and its relationship to the rest of the world.

A History of the Republic UNC Press Books

This primary source reader in the popular DISCOVERING series contains a six-part pedagogical framework that guides students through the process of historical inquiry and explanation. The text emphasizes historical study as interpretation rather than memorization of data. Each chapter is organized around the same pedagogical framework: The Problem, Background, The Method, The Evidence, Questions to Consider, and Epilogue. Volume 1 of the Eighth Edition integrates new documents and revised coverage throughout. For example, there

are new chapters on creation stories and culture in colonial America, the transition to racial slavery in Virginia, women's rights, and Civil War nurses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. *D-Day Remembered* Cengage Learning This collection of essays surveys the Hiroshima story. The Brief American Pageant: A History of the Republic, Volume I: To 1877 University Rochester Press

A resource for all who teach and study history, this book illuminates the unmistakable centrality of American Indian history to the full sweep of American history. The nineteen essays gathered in this collaboratively produced volume, written by leading scholars in the field of Native American history, reflect the newest directions of the field and are organized to follow the chronological arc of the standard American history survey. Contributors reassess major events, themes, groups of historical actors, and approaches--social, cultural, military, and political--consistently demonstrating how Native American people, and questions of Native American sovereignty, have animated all the ways we consider the

nation's past. The uniqueness of Indigenous history, as interwoven more fully in the American story, will challenge students to think in new ways about larger themes in U.S. history, such as settlement and colonization, economic and political power, citizenship and movements for equality, and the fundamental question of what it means to be an American.

Contributors are Chris Andersen, Juliana Barr, David R. M. Beck, Jacob Betz, Paul T. Conrad, Mikal Brotnov Eckstrom, Margaret D. Jacobs, Adam Jortner, Rosalyn R. LaPier, John J. Laukaitis, K. Tsianina Lomawaima, Robert J. Miller, Mindy J. Morgan, Andrew Needham, Jean M. O'Brien, Jeffrey Ostler, Sarah M. S. Pearsall, James D. Rice, Phillip H. Round, Susan Sleeper-Smith, and Scott Manning Stevens.

American Pageant Volume 2 Brief Sixth Edition and Oates Portraits of America Volume 2 8th Edition

Routledge
Published by OpenStax College, U.S.
History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History

is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Teaching What Really Happened

Macmillan

A Massively Collaborative Open U.S. History Textbook, Vol. 1: To 1877 Cengage Learning

THE BRIEF AMERICAN PAGEANT presents a concise and vivid chronological narrative, focusing on the central themes and great public debates that have dominated American history. Colorful anecdotes, first-person quotations, and the text's trademark wit are all evident throughout. The strong historical narrative is highlighted by focus questions, chapter outlines and summaries, marginal

glossaries, and special features such as “Makers of America”, “Examining the Evidence”, and “Thinking Globally”. Also available in the following split options: Volume I: To 1877 (Chapters 1-22), ISBN: 9781285193304; Volume II: Since 1865 (Chapters 22-41), ISBN: 9781285193311. American Pageant Volume 1 Brief 6th Edition with Oates Portraits of America, Volume 1, Eighth Edition Teachers College Press

The USA and The World 2020-2022 provides students with vital information on these countries through a thorough and expert overview of political and economic histories, current events, and emerging trends.

The USA and the World 2020-2022

Houghton Mifflin College Division
Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of THE AMERICAN PAGEANT, Fifteenth Edition, offers readers the complete narrative while limiting the number of features,

photos, and maps. All volumes feature a paperback, two-color format for those seeking a comprehensive, trade-sized history text. THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of THE AMERICAN PAGEANT help you understand and master the content: chapter-ending chronologies provide a context for the major periods in American history, while other features present global context and key historical figures for analysis. Available in the following split options: CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, Fifteenth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. James Loewen has revised *Teaching What Really Happened*, the bestselling, go-to resource for social studies and history teachers wishing to break away from

standard textbook retelling of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled "Truth" that addresses how traditional and social media can distort current events and historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: an up-to-date assessment of the potential and pitfalls of U.S. and world history education; information to help teachers expect, and get good performance from students of all racial, ethnic, and socioeconomic backgrounds; strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography; ideas from teachers across

the country.
(that You Probably Learned in School)
 Univ. of Tennessee Press
 THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key

historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Brief American Pageant Cengage Learning

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass*
 The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the

United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking

their own questions about how the past informs the problems and opportunities that we confront today.

Analyzing Shifting Discourses on Nationhood, Citizenship, Gender, and Religion Rowman & Littlefield

D-Day, the Allied invasion of northwestern France in June 1944, has remained in the forefront of American memories of the Second World War to this day. Depictions in books, news stories, documentaries, museums, monuments, memorial celebrations, speeches, games, and Hollywood spectacles have overwhelmingly romanticized the assault as an event in which citizen-soldiers—the everyday heroes of democracy—engaged evil foes in a decisive clash fought for liberty, national redemption, and world salvation. In *D-Day Remembered*, Michael R. Dolski explores the evolution of American D-Day tales over the course of the past seven decades. He shows the ways in which that particular episode came to overshadow so many others in portraying the twentieth century's most devastating cataclysm as "the Good War." With depth and insight, he analyzes how depictions in various media, such as the

popular histories of Stephen Ambrose and films like *The Longest Day* and *Saving Private Ryan*, have time and again reaffirmed cherished American notions of democracy, fair play, moral order, and the militant, yet non-militaristic, use of power for divinely sanctioned purposes. Only during the Vietnam era, when Americans had to confront an especially stark challenge to their pietistic sense of nationhood, did memories of D-Day momentarily fade. They soon reemerged, however, as the country sought to move beyond the lamentable conflict in Southeast Asia. Even as portrayals of D-Day have gone from sanitized early versions to more realistic acknowledgments of tactical mistakes and the horrific costs of the battle, the overarching story continues to be, for many, a powerful reminder of moral rectitude, military skill, and world mission. While the time to historicize this morality tale more fully and honestly has long since come, Dolski observes, the lingering positive connotations of D-Day indicate that the story is not yet finished.

A History of the Republic, Since 1865
Interactive Media

Instant interpretive history is a difficult and demanding task, and certainly more of an art than some would suggest. *USA and the World* describes not only what happened, but puts events in the context of the past and criticizes policy actions as appropriate. The result goes deeper than most of what appears in current publications. Updated annually and part of the renowned "World Today Series," *USA and the World* presents an unusually penetrating look into America and its relationship to the rest of the world. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors and students. Now in its tenth edition, the content is thorough yet perfect for a one-semester introductory course or general library reference. Available in both print and e-book formats and priced low to fit student budgets.
