JANIAH LILIA

Lonely Planet's Best in Travel

2020 Lonely Planet

Welcome to Lagos. Lagos's combo of grit and (chaos) is bound to mesmerize all those keen to explore its vibrant culture, intense

parties, charismatic souls, rich history and fabulous food. Lagos, one of the world's most populous cities with over 18 million inhabitants, often gets overlooked - this guide exposes the mystery, the charm and all that Lagos has to offer to the

bold traveler looking to immerse themselves in a truly African experience. This travel guide showcases Lagos' soul, sights, and tastemakers in a new, upbeat and positive light. Visit Lagos smartly and safely with this Lagos travel guide

that simulates the lifestyle of a true local. Lagos Travel Guide is a personal, honest and engaging perspective of the wondrous city from the eyes of the top changemakers . This guide will serve as your handbook to help you build a bond with the heartbeat of Africa. From one of Nigeria's most highly recognised travel writers "Funke Ogunkoya-Futi", this is the definitive book on

visiting Lagos, Nigeria. **A Traveller's Guide to the Planet** Troubador Publishing Ltd Be More Japan is a celebration of all things Japanese - from the country's fascinating, ancient traditions to its unique and influential modern culture. Blending both travel information and cultural insights into a single book, Be More Japan helps you understand and experience

the best of Japan, both at home and abroad. Beginning with an overview of the four seasons - a key theme in Japanese culture - you'll learn about the festivals, food, fashion and flowers that change throughout the year and make this country so full of fun and variety. Then dive into the captivating culture of Japan, with topics such as art, music, food, wellness and spirituality all

split into separate sections to help you pinpoint the areas that interest you. Learn about the traditional skills of the tea ceremony and calligraphy, and where you can go to see and practice them yourself. Find out more about the country's most popular sports and where to catch a game of baseball or see a martial arts exposition. For pop culture fans, there are dedicated sections on J-Pop, anime

and video games, with plenty of information on the best places to enjoy them in Japan. And if you want to get a feel for modern Japanese lifestyle, you'll find enough details on topics such as transportation, karaoke, ikigai, shopping and hot springs to help you make the most of even a short trip to Japan. You can pick and choose what interests you to plan your perfect trip, or explore a bit

of everything to get a sense of the essentials of Japanese life and culture. And for those who can't make the trip to Japan, or who want to carry on the experience when they return, there are tips and suggestions for how to bring Japanese culture to you, and places where you can see its influence around the world. [Lonely Planet Japan](#) [Penguin UK](#) An enchanting and

fascinating insight into Japanese landscape, culture, history and future. Originally written in Japanese, this passionate, vividly personal book draws on the author's experiences in Japan over thirty years. Alex Kerr brings to life the ritualized world of Kabuki, retraces his initiation into Tokyo's boardrooms during the heady Bubble Years, and tells the story of the hidden

valley that became his home. But the book is not just a love letter. Haunted throughout by nostalgia for the Japan of old, Kerr's book is part paeon to that great country and culture, part epitaph in the face of contemporary Japan's environmental and cultural destruction. Winner of Japan's 1994 Shincho Gakugei Literature Prize. Alex Kerr is an American writer, antiques

collector and Japanologist. *Lost Japan* is his most famous work. He was the first foreigner to be awarded the Shincho Gakugei Literature Prize for the best work of non-fiction published in Japan. *Lonely Planet Best of Tokyo 2020 Lonely Planet* Take this phrasebook and choose your own adventure Our phrasebooks give you a comprehensive mix of practical and social words and phrases

Chat with the locals and discover their culture a guaranteed way to enrich your travel experience

and sample the breadth of Japan's sublime cuisine; all with your trusted travel companion. Get to the heart of Japan and begin your journey now!

Inside Lonely Planet's Japan Travel Guide: Up-to-date information - all businesses were rechecked before publication to ensure they are still open after 2020's COVID-19 outbreak

NEW top experiences feature- a visually

inspiring collection of Japan's best experiences and where to have them What's new feature taps into cultural trends and helps you find fresh ideas and cool new areas Pull-out, passport-size 'Just Landed' card with wi-fi, ATM and transport info - all you need for a smooth journey from airport to hotel Planning tools for family travellers - where to go, how to save money, plus fun stuff just for kids

Colourmaps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - hours of operation, websites, transit tips, prices Honest reviews for all budgets - eating, sleeping, sightseeing, going out,

shopping, hidden gems that most guidebooks miss Cultural insights give you a richer, more rewarding travel experience - history, people, music, landscapes, wildlife, cuisine, politics Over 150 maps Covers Tokyo, Mt Fuji, The Japan Alps, Honshu, Kyoto, Kansai, Hiroshima, Sapporo, Hokkaido, Shikoku, Kyushu and Okinawa The Perfect Choice: Lonely Planet's Japan,

our most comprehensive guide to Japan, is perfect for both exploring top sights and taking roads less travelled. Looking for just the highlights? Check out Best of Japan, a handy-sized guide focused on the can't-miss sights for a quick trip. About Lonely Planet: Lonely Planet is a leading travel media company, providing both inspiring and trustworthy information for every kind of traveller since 1973.

Over the past four decades, we've printed over 145 million guidebooks and phrasebooks for 120 languages, and grown a dedicated, passionate global community of travellers. You'll also find our content online, and in mobile apps, videos, 14 languages, armchair and lifestyle books, ebooks, and more, enabling you to explore every day. 'Lonely Planet guides are,

quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) *A Travel Survival Kit* Lonely Planet Lonely Planet presents Japan's most authentic dishes - direct from the

kitchens where they were perfected. From street-food vendors to Michelin-starred chefs, Japan's best local cooks share their passion for food and 60 of their region's classic recipes - from steaming soups and silky ramen noodles to fresh, hand-rolled sushi. Recipes include: Takoyaki - octopus balls Sukiyaki - soy-simmered beef Okonomiyaki - savoury pancakes

Torinabe - Chicken and vegetable hotpot Iwashi sushi - Sardine sushi Tonkatsu - deep-fried breaded pork cutlet Teppojiru - miso soup with crab Soki soba - Okinawan pork rib ramen with a pork broth And more! It would be easy to assume that Japanese cuisine is all about the food itself. But no. Or at least, it's not only about the food. The cuisine of this teeming archipelago of 3000 islands is a living part

of its culture. In Japan, it's believed that food should be devoured with all five senses: not just smell, taste and sight, but also touch (the texture of the ingredients, the smooth warmth of bamboo chopsticks), and even sound (a high-end ryotei is oddly quiet, the better to appreciate the experience of eating). Any Japanese meal - from a simple home-cooked fare to the most structured, formal kaiseki - aims to

blend each of these elements for balance and nutrition. Unsurprisingly, this provides myriad benefits for our health, as does the act of lingering over our food and cherishing each mouthful with all our senses - the latter has been proven to aid digestion and portion control. It's clear that meals taken the traditional Japanese way are good for us. That they are such a pleasure to consume, too?

Well, that's just a happy coincidence. With sumptuous, original photography and inside stories and tips from Japan's best local cooks of the history, legend, emotion, and process behind each recipe, *From the Source - Japan* represents global food at its most thrilling. The perfect book for foodies and travel enthusiasts alike! Also check out: *From the Source - Spain*
