**ESL Intermediate/Advanced Grammar** Simon and Schuster  
"[A] hilarious and heartbreaking story of a Jewish family's escape from oppression."--The New York Times A compelling story of two intertwined journeys: a Jewish refugee family fleeing persecution and a young man seeking to reclaim a shattered past. In the twilight of the Cold War (the late 1980s), nine-year old Lev Golinkin and his family cross the Soviet border with only ten suitcases, \$600, and the vague promise of help awaiting in Vienna. Years later, Lev, now an American adult, sets out to retrace his family's long trek, locate the strangers who fought for his freedom, and in the process, gain a future by understanding

his past. Lev Golinkin's memoir is the vivid, darkly comic, and poignant story of a young boy in the confusing and often chilling final decade of the Soviet Union. It's also the story of Lev Golinkin, the American man who finally confronts his buried past by returning to Austria and Eastern Europe to track down the strangers who made his escape possible . . . and say thank you. Written with biting, acerbic wit and emotional honesty in the vein of Gary Shteyngart, Jonathan Safran Foer, and David Bezmozgis, Golinkin's search for personal identity set against the relentless currents of history is more than a memoir—it's a portrait of a lost era. This is a thrilling tale of escape and survival, a deeply personal look at the life of a Jewish child caught in the last gasp of the Soviet Union, and a provocative investigation into the power of hatred and the search for belonging. Lev Golinkin achieves an amazing feat—and it marks the debut of a fiercely

intelligent, defiant, and unforgettable new voice.

This book will allow you to learn Spanish in only 30 days, starting from scratch. And this is more than a simple promise. Let me explain... The method is very simple: this book is divided in 30 chapters, one for each day, to let you learn the basics of this language in just one month. To make the most of this course, you just need to follow one rule: reading one chapter every day, no more, no less. If you follow this rule and the guidelines included in this book, the result is guaranteed. Forget about the usual boring grammar courses, with their impersonal style. "How to learn Spanish in 30 days" has been created with all the trappings of self-help, as a practical manual, with a personal, fun and motivational touch. It is full of many curious anecdotes and useful pieces of advice not only to speak in Spanish, but also to help you while travelling. If you are still not convinced, keep reading... FROM THE PREFACE... (...) You are going to tell me: "so, in 30 days I will be able to learn an entire language?!". The answer is YES! First of all, as any valuable product, it has brilliantly passed the quality check: friends and relatives have tested this manual and the following month they did pretty well with grammar and vocabulary, trust me. Of course, in 30 days no one becomes a native speaker: but you can build a strong foundation on which to build a beautiful house. Do you get what I mean? Studying a little bit every day is a secret as simple as it is effective to make the

learning easier and quicker. I will give you the opportunity to analyse in depth every little secret about grammar and vocabulary, and you must really promise me that you will do everything you can to complete this rich training: consult online newspapers, watch films or TV series with subtitles, read a good book with a dictionary next to you, in short take every little opportunity to be in contact with Spanish as much as possible. Then there will be space for real dialogues in Spanish, the testing ground for your theoretical skills. When you go on holiday to a Spanish-speaking country or you will have to use Spanish in any other situation, you will just want to do your best. Think about this: one month. 30 days of studying will help you learning a new language, improving your curriculum, immersing yourself in a new and different world. It will be a special month, and you will be satisfied.

In the world we are living in, English has become the common

language that people from different countries and cultures can use to communicate with one another. There are many reasons why people would want to learn English, but for a lot of them; It is work-related. Most large companies around the world require their employees to speak English. In some cases, these companies are requiring their workers to only use English at the workplace. English has also been referred to as “the language of business”. If you have ambitions to become an international businessman or to work at some bigger companies, it’s almost essential that you’re able to speak English fluently. From The Intermediate Level to The Advanced Level From my years of teaching, I am confident to say that it is easy for an English learner to go from a beginner English level to an intermediate English level. However, it takes more time to go from an Intermediate level to an advanced English level. A lot of students have studied English for years but still aren’t able to speak English on an advanced level. They have tried many methods, attending classes, learning how to pronounce every single word and even getting a private English tutor to improve their spoken English, yet they still have a hard time pronouncing English words correctly or feeling too nervous to speak. The Best Proven Way to Learn and Speak English In this book, Christopher Hill, “THE INTERNATIONAL ESL PROFESSOR ” (with 20+ years of experience) will show you powerful unique ways to rapidly improve your spoken English. <http://tinyurl.com/pxu86sw>. Questo corso risolve le difficoltà specifiche dello studente italiano per mezzo della linguistica contrastiva. Il Corso Base, che contiene 900 pagine di testo e 18 ore di registrazioni, è 100% registrato in mp3. Tramite le umoristiche vicissitudini di Tom and Margaret, Robert and Millie, George and Lydia, The Paganini Family... e molti altri personaggi, si impara la grammatica inglese nell'uso pratico, e si impara a parlare fin dalle prime lezioni. Ogni unit contiene: un dialogo, le spiegazioni delle regole e dei modi di dire usati nel dialogo, una o più letture, una traduzione (con rispettiva soluzione), due o tre pagine di esercizi, esercizi di pronuncia, un vocabolario con le parole nuove usate nella unit. Al completamento, l'alunno imparerà circa 1500 vocaboli. I dialoghi e gli "sketches", che sono stati creati dagli autori, sono adatti a studenti delle scuole medie e superiori, ad adulti, e a tutti coloro che hanno provato, ma non sono mai riusciti a imparare l'inglese, i cosiddetti "falsi principianti". La grammatica è semplice e facile da seguire. Il corso dà particolare attenzione ai verbi irregolari inglesi. Gli esercizi di ripetizione, la trascrizione fonetica dei vocaboli e l'ascolto aiutano a perfezionare la pronuncia. Questo audio corso si può ascoltare anche in auto.
