humans sometime in the 22nd century, which quickly became a hotly contested source of fertile land and natural resources long ago exhausted on Earth. In this new frontier, a rogue gunslinger and his companion wander across a wilderness in the grips of a civil war, encountering lawlessness, natives, and perversions of civilization in a world at the crossroads between the

past and the future. The fact that said gunslinger is a bio-surgically modified silverback gorilla toting a pair of enormous revolvers is neither here nor there - Neverboy Dark Horse Comics From the longtime host of the New York Yankees' television broadcasts, ESPN Radio's The Michael Kay Show, and YES Network's Emmy Award-winnin g CenterStage comes an "entertaining ...greatest-hits

collection" (Kirkus Reviews) of his most memorable interviews with the most intriguing personalities in sports and entertainment —from Jay-Z to Mike Tyson to Serena Williams to Adam Sandler to Bon Jovi to Larry David. Emmy Award-winnin g television announcer and interviewer Michael Kay's eighteen years as host of YES Network's CenterStage have given him access to

many remarkable figures in sports and entertainment . Now, this absorbing selection of the best, most revealing—and often surprising—interviews is available in one amazing collection, including some of the behind-the-scenes stories that didn't appear on camera. Williams, Alan Alda, David Halberstam, Larry David, Bob Costas, Billy Crystal, Lindsey Vonn, Chris Evert, and Quentin Tarantino. Six Gun Gorilla Dark Horse Comics (Single Issues) From actor and comedian Joel McHale comes the most important celebrity-penned book of this, or any, generation. Part shocking tell-all memoir, part aspirational how-to guide, and mostly all book, this one-of-a-kind tome

is required reading for anyone who enjoys Hollywood gossip, get-rich-gradually tips, and copious illustrations and charts. "...Thanks for the Money is a clever, much-needed antidote to the age of celebrity book deals. If the tide can't be stopped, at least it can be mocked."—EW.com Joel McHale pulls back the curtain on his personal journey to stardom! Here, for the first time, Joel

reveals all that has molded him into the acclaimed comic actor he is today: a love of performance, a series of boyhood head injuries, and most importantly, a passion for financial compensation and free shoes. It's all here: Joel's career trials and tribulations, his criminal trials and tribulations, and an honest, unflinching list of all the people he's been paid

money to make out with, on camera. But the book does not stop there! Because if you want wealth, fame, and cost-free footwear, Joel will share every vital tip he has learned: an insanely low-carb diet plan, how to escape from a certain pseudo-religious celebrity cult, and more! How can you unlock the power of the Joel McHale who lurks inside? What happened when Joel

fought his Community co-star Chevy Chase? And hey, while we're at it, what's up with Joel's hair—really? All will be revealed, within the pages of Thanks for the Money. this debut series starring the cult-favorite misfits as a part of Gerard Way's new Young Animal imprint. Flex Mentallo, Robotman, Rebis, Crazy Jane, and more are back to twist minds and take control. This new take on a classic embraces and reimagines the Morrison run's signature surrealism and irreverence. Incorporating bold, experimental art and a brash tone to

match a new generation of readers, Gerard Way's DOOM PATROL establishes radical new beginnings, breaks new ground, and honors the warped team dynamic of the world's strangest heroes. This abstract and unexpected ensemble series nods at the Doom Patrol's roots by continuing to break the barriers of the traditional superhero genre. Collects issues #1-6. DOOM PATROL is the

flagship title of Young Animal--a four-book grassroots mature reader imprint, creatively spearheaded by Gerard Way, bridging the gap between the DCU and Vertigo, and focusing on the juxtaposition between visual and thematic storytelling. *Or, Life in Dakota with General Custer ...* Dark Horse Comics After 1989, capitalism has successfully presented itself as the only realistic political-economic system - a situation that the bank crisis of 2008, far from ending, actually compounded. The book analyses the development and principal features of this capitalist realism as a lived ideological framework. Using examples from politics, films, fiction, work and education, it argues that capitalist realism colours all areas of contemporary experience. But it will also show that, because of a number of inconsistencies and glitches internal to the capitalist reality program capitalism in fact is anything but realistic. *How to Use My Life Story to Become the Best Joel* McHale *You Can Be Dark Horse Comics* (Single Issues) During a road-stop psychedelic, out of body experience, Killjoys leader Mike Milligram learns more about his past.

Meanwhile, the old gangs and adversaries of our heroes are called together to hunt them down for a final showdown at an abandoned mall.
