Sample questions from the Regents biology test are combined with detailed solutions and explanations to review topics such as genetics, reproduction, and evolution

The Regents Questions and Answers in Biology Barrons Educational Series

Designed with New York State high school students in mind. CliffsTestPrep is the only hands-on workbook that lets you study, review, and answer practice Regents exam questions on the topics you're learning as you go. Then, you can use it again as a refresher to prepare for the Regents exam by taking a full-length practicetest. Concise answer explanations immediately follow each question--so everything you need is right

there at your fingertips. You'll get comfortable with the structure of the actual exam while also pinpointing areas where you need further review. About the contents: Inside this workbook, you'll find sequential, topic-specific test questions with fully explained answers for each of the following sections:

Organization of Life Homeostasis
Genetics Ecology Evolution: Change over Time
Human Impact on the Environment
Reproduction and Development
Laboratory Skills: Scientific Inquiry and Technique
A full-length practice test at the end of the book is made up of questions culled from multiple past Regents exams. Use it to identify your weaknesses, and then go back to those sections for more study. It's that easy!
The only review-as-you-go workbook for

the New York State Regents exam.
