### **A Survey of the Old Testament**

Zondervan

Presents the characters, plot, theme, symbols, prose, and poetry of each Old Testament book, following the Hebrew canonical order.

A Historical, Theological, and Critical Introduction Kregel Academic

Each book of the New Testament is introduced and investigated with

scholarship and biblical faithfulness. Includes all the information usually found in a Bible handbook - author, date, historical background, purpose, outline - but it goes much further. The authors provide an exposition of every passage in the New Testament, written in contemporary, understandable language. Sidebars and inserts offer other valuable reference material such as lists of the parables of Jesus, the miracles of Jesus, and key theological principles.

Old Testament Survey Baker Academic

Paul R. House provides a comprehensive theology of the Old Testament, carefully exploring each Old Testament book, thematically summarizing its content, and showing its theological significance within the whole of the Old Testament canon. Student friendly and useful to a wide audience, this impressive work has proved a profitable read for many.

*A Book-by-Book Survey* Thomas Nelson  
This comprehensive survey introduces students to the theological emphases of the entire Old Testament, from Genesis through Malachi.

**Reading the New Testament as Christian Scripture (Reading Christian Scripture)** Thomas Nelson  
Incorporated

Utilizes material from the award-winning Dictionary for Theological Interpretation

of the Bible to introduce theological interpretation through a book-by-book survey of the New Testament.

Old Testament Commentary Survey

Baker Academic

This package includes the complete two-volume set of Jensen's Survey of the Testaments: Jensen's Survey of the Old Testament and Jensen's Survey of the New Testament. In Jensen's Survey of the Old Testament, the author provides a useful survey of the Old Testament that will aid in understanding difficult passages. This one volume contains all of Irving Jensen's Bible self-study guides to the Old Testament. In Jensen's Survey of the New Testament, Jensen leads the reader to study and personal reflection, considering the practical implications of Scripture. This one volume contains all of

Irving Jensen's Bible self-study guides to the New Testament.

**What the Old Testament Authors Really Cared about**

Baker Academic Before coming to grips with an individual verse or passage in the New Testament, Bible students and expositors must understand how it relates to the theme of the book. This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes. It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse-by-verse commentary. Pictures, charts, and outlines aid comprehension. This classic text, which

has served students well for many years, is now available in paperback.

*Old Testament Theology* Baker Books history, archaeology, the formation of the canon, and geography" "Written by two widely respected scholars and educators, *A Survey of the Old Testament* is designed to help readers develop a broad grasp of the Old Testament." --Book Jacket.

A Survey Willis Newman

This handy resource allows the reader to quickly summarize or review all the pertinent details about any Old Testament book. More than a Bible handbook but less than a commentary, Nelson's New Illustrated Old Testament Survey provides a section by section breakdown of issues and topics dealt with in the Hebrew Scriptures. It

includes: Complete but concise outlines of every Old Testament book A succinct introduction for each book Sections that identify each Bible author's theological emphasis Inserts that highlight real-life insights Arguments for the unity of the original manuscripts

*A Critical Survey* Baker Academic Merrill has extensively updated this popular-level Old Testament history to discuss updates in archaeology and textual understanding. It is also more current as a defense of the Bible's accuracy.

*A Survey of Jesus' Bible* Theological Interpretation of the Old Testament A Book-by-Book Survey

This survey textbook by two respected New Testament scholars is designed to meet the needs of contemporary

evangelical undergraduates. The book effectively covers the New Testament books and major topics in the New Testament, assuming no prior academic study of the Bible. The authors pay attention to how the New Testament documents fit together as a canonical whole that supplements the Old Testament to make up the Christian Scriptures. They also show how the New Testament writings provide basic material for Christian doctrine, spirituality, and engagement with culture. Chapters can be assigned in any order, making this an ideal textbook for one-semester courses at evangelical schools. This is the first volume in a new series of survey textbooks that will cover the Old and New Testaments. The book features full-color illustrations that hold

interest and aid learning and offers a full array of pedagogical aids: photographs, sidebars, maps, time lines, charts, glossary, and discussion questions. Additional resources for instructors and students are available through Textbook eSources.

**Theological Interpretation of the New Testament**

Baker Academic Provides pastors and students with expert guidance on choosing a commentary for any book of the Old Testament.

*Nelson's Old Testament Survey* Willis Newman

In this comprehensive exposition, a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament. G. K. Beale, coeditor

of the award-winning Commentary on the New Testament Use of the Old Testament, examines how the New Testament storyline relates to and develops the Old Testament storyline. Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter-day new creation and kingdom. Offering extensive interaction between the two testaments, this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ. This major work will be valued by students of the New Testament and pastors alike.

Old Testament Survey Zondervan

## Academic

From its inception at the time of the Enlightenment until the mid-twentieth century, the historical-critical method constituted the dominant paradigm in Old Testament studies. In this magisterial overview, Niels Peter Lemche surveys the development of the historical-critical method and the way it changed the scholarly perception of the Old Testament. In part 1 he describes the rise and influence of historical-critical approaches, while in part 2 he traces their decline and fall. Then, in part 3, he discusses the identity of the authors of the Old Testament, based on the content of the literature they wrote, demonstrating that the collapse of history does not preclude critical study. Part 4 investigates the theological

consequences of this collapse and surveys Old Testament and biblical theology in its various manifestations in the twentieth century. An appendix includes a history of Palestine from the Stone Age to modern times, constructed without recourse to the Old Testament. [Jensen's Survey of the Old Testament](#)  
Baker Academic

Since its publication in 1982, Old Testament Survey has served as the standard textbook on the background, content, literary quality, and message of the Old Testament. The second edition of this excellent work has been thoroughly revised and updated to take into account new research in the field of Old Testament studies. The book now also includes important new contributions from six leading biblical studies scholars:

Leslie C. Allen, James R. Battenfield, John E. Hartley, Robert L. Hubbard Jr., John E. McKenna, and William B. Nelson Jr. Reflecting the best of evangelical scholarship, *Old Testament Survey* provides a comprehensive study of the nature and contents of each of the thirty-nine books of the Old Testament and also considers the historical data and theological themes relevant to the Hebrew Scriptures. Part 1 covers the five books of the Pentateuch. Part 2 studies the books of the Prophets, with special consideration given to the birth and history of Israel's monarchy, the role of prophets and prophecy, and the nature of Hebrew poetry. Part 3 examines the Writings, including a special study of wisdom literature in general. Part 4, which has been relocated from the front

of the book to the back, contains studies of various background themes necessary for understanding the Old Testament: "The Authority of the Old Testament for Christians," "Revelation and Inspiration," "The Concept of Canon," "Formation of the Old Testament," "Geography," "The Chronological Puzzle," "Archaeology," and "Messianic Prophecy." All of the revisions and enhancements undertaken in this volume will make *Old Testament Survey* even more serviceable for college and seminary use as well as for study by scholars, pastors, and interested lay readers.

*A New Testament Biblical Theology* B&H Publishing Group

This new edition of a bestselling evangelical survey of the Old Testament (over 180,000 copies sold) has been

thoroughly updated and features a beautiful new interior design. It is lavishly illustrated with four-color images, maps, and charts and retains the pedagogical features that have made the book so popular: · chapter outlines, objectives, and summaries · study questions · sidebars featuring primary source material, ethical and theological issues, and contemporary applications · lists of key terms, people, and places · further reading recommendations · endnotes and indexes The book is supplemented by web-based resources through Baker Academic's Textbook eSources, offering course help for professors and study aids for students.

*Student Study Guide, Old Testament Bible Survey Course* Zondervan

The groundbreaking Dictionary for Theological Interpretation of the Bible (DTIB) introduced readers to key names, theories, and concepts in the field of biblical interpretation. It has been well received by pastors and students, won book awards from Christianity Today and the Catholic Press Association, and was named the ECPA 2006 Christian Book of the Year. Theological Interpretation of the Old Testament features key articles from DTIB, providing readers with a book-by-book theological reading of the Old Testament. The articles are authored by leading scholars, including Daniel I. Block, Tremper Longman III, J. Gordon McConville, Walter Moberly, Richard Schultz, and Gordon J. Wenham. This handy and affordable text will work particularly well for students in Old

Testament/Bible survey courses, pastors, and lay readers.

The Essence of the Old Testament Baker Books

STUDENT STUDY GUIDE begins with the student answering ten basic questions concerning the Old Testament. What is the Old Testament? Who wrote the Old Testament? Where, When, Why and How was the Old Testament written? What are three major features of the Old Testament: Revelation, Inspiration and Preservation? How should we study the

Old Testament? Why should you memorize verses of the Old Testament? When should one read the Old Testament? BIBLE MEMORY VERSES (97 memorized accumulatively) aid the student to say with the Psalmist "Thy word have I hidden in mine heart, that I might not sin against thee." This STUDENT STUDY GUIDE closes with an incomplete outline for each of the 39 books of the Old Testament. Each outline has space for personal notes, classroom instruction plus THE BASICS: Author, Date of Writing, Name Meaning, Passages for Particular Emphasis, Verses for Memory, Characters of Interest and Content Description. Following high school, a Bachelor of Science degree was received from Piedmont College, Demorest, GA plus a Georgia Teacher's

Professional Certificate. Then came the Army Security Agency and three years later came employment with the National Security Agency, Washington, DC. Meeting Edith Campen from North Carolina led to marriage, February 1, 1957. A year after marriage, God called me to the ministry. Graduating from Southwestern Baptist Theological Seminary, Ft. Worth, TX with a Bachelor of Divinity (updated to Masters of Divinity) and Masters in Religious Education (updated to Masters of Arts), God directed me to serve Him. For some 50 years, it was a pleasure to serve God and people in churches and classrooms as Minister of Youth, Minister of Education, Minister of Education/Administration, and Minister of Pastoral Care. It was a joy to teach this

Old Testament Bible Survey Course to  
ninth grade students at Cypress

Community Christian School, Houston,  
TX.
