Only Us Billionaire Romance Series Collection Piper ebooks

One of the Ten Best Books of The New York Times Book Review Winner of the Los Angeles Times Book Prize Soon to be a miniseries from Hulu starring James Franco This enhanced ebook edition contains a 13-minute film, written and narrated by Stephen King and enhanced with historic footage from CBS News, that will take you back—as King's novel does—to Kennedy era America. On November 22, 1963, three shots rang out in Dallas, President Kennedy died, and the world changed. What if you could change it back? Stephen King's heart-stoppingly dramatic new novel is about a man who

travels back in time to prevent the JFK assassination—a thousand page tour de force. Following his massively successful novel *Under the Dome*, King sweeps readers back in time to another moment—a real life moment—when everything went wrong: the JFK assassination. And he introduces readers to a character who has the power to change the course of history. Jake Epping is a thirty-five-year-old high school English teacher in Lisbon Falls, Maine, who makes extra money teaching adults in the GED program. He receives an essay from one of the students—a gruesome, harrowing first person story about the night 50 years ago when Harry Dunning's father came home and killed his mother, his sister, and his brother with a hammer. Harry escaped with a smashed leg, as evidenced by his crooked walk. Not much later, Jake's friend Al, who runs the local diner, divulges a secret: his storeroom is a portal to 1958. He enlists Jake on an insane—and insanely possible—mission to try to prevent the Kennedy assassination. So begins Jake's new life as George Amberson and his new world of Elvis and JFK, of big American cars and sock hops, of a troubled loner named Lee Harvey Oswald and a beautiful high school librarian named Sadie Dunhill, who becomes the love of Jake's life - a life that transgresses all the normal rules of time. A tribute to a simpler era and a devastating exercise in escalating suspense, *11/22/63* is Stephen King at his epic best.

Breakdown Ellie Grace Books

College-Eishockey-Star Logan ahnt nicht, dass er die richtige Frau am falschen Ort trifft, als er sich eines Nachts im Zimmer irrt und aus Versehen bei Grace im Bett landet. Das erste Kennenlernen verläuft dementsprechend verheerend. Trotzdem geht ihm dieses hübsche, scharfzüngige

Mauerblümchen fortan nicht mehr aus dem Kopf. Irgendwie muss er es schaffen, dass sie ihm eine zweite Chance gibt. Schade nur, dass Grace nicht vorhat, auf seine Annäherungsversuche einzugehen – wobei es ihr durchaus Spaß macht, diesem selbstverliebten Frauenheld dabei zuzusehen, wie er es immer wieder bei ihr versucht.

Summer with the Cowboy Random House

Danielle Steel's 56th bestselling novel is about family and friendship, about one woman's struggle to break free from the past—and the man who helps her triumph. And most of all, it is about daring to believe in...Answered Prayers. On the outside, Faith Madison is the very picture of a sophisticated New Yorker. Slim, blond, stylish, Faith has a life many would envy. Overcoming a childhood marked by tragedy, married to a successful investment banker and having raised two grown daughters, Faith has enjoyed her role as mother and wife, and the good life that emanates from their bustling Manhattan town house. But every step of the way, Faith has carried within her a secret she could divulge to no one. And with it, she has kept an even more painful secret from herself. For Faith, it is the sudden death of her stepfather—a man who, like her husband, Alex, always remained just beyond her reach—that will touch off a journey of change and revelation. At the funeral, painful memories flood back—and an old friend reenters Faith's life. Faith is greeting mourners, when she hears a voice behind her and a single word that brings a quick smile to her face: "Fred." Only one person aside from her older brother, Jack, called her that. Brad Patterson was Jack's best friend, a long, lanky boy who teased, tormented, and protected Faith when they fancied themselves "The Three Musketeers" as kids. When Jack died years later, Faith and Brad came together again in their common, inconsolable grief, then lost touch once more amid the demands of families and busy lives a continent apart. Now a lawyer in California, Brad has reentered Faith's life just as she is making a decision that plunges her marriage into crisis. Determined to fulfill a long-held desire for a career of her own, Faith applies to law school against her husband's wishes, igniting a barrage of anger and recrimination. Faith's only solace is the correspondence she has begun with Brad, a man trapped in an empty marriage of his own, a friend she once lost and has found again. Soon e-mails are flying between them, bridging three thousand miles, sharing much-needed friendship, support, laughter. And as these two childhood friends rediscover each other, something extraordinary is beginning to happen. In the safety of their friendship, Brad will find the courage to make a decision he should have made years before. And Faith, too, is changing, beginning to believe in herself—and in her right to grab hold of her dreams. Gathering a strength she never knew she had, Faith is finally ready to face the most painful step of all: of sharing the secret that has long been haunting her, and truly opening up her heart for the first time in her life. With unerring insight into the hearts of husbands and wives, lovers and families, Danielle Steel tells a wise and moving story of the secrets that wound and the choices that heal—and of the second chances that come only once in a lifetime. *Answered Prayers* HarperCollins Australia

She has three rules for her fake marriage to the billionaire rancher who galloped into her life. He breaks every one of them. But he's afraid she might just break his heart. Kayla Cartwright learned that being independent was safer than risking a relationship again. Her ex had left her at a dead end. She'd given up everything for him and when she found her way back, she moved to a new town, started over, and focused on the future. Dallen Hawkins is known for his wild ways on and off the ranch but he learned long ago to trust horses more than women. The Hawkins brothers have a reputation for being rich and rugged, but after a disagreement, they became estranged and he's desperate to reunite the family. Neither wants to be in a relationship but a chance meeting at the same wedding prompts them to decide they too could say I do. For Kayla, it's to get her family off her back and so she doesn't have to answer no when asked if she's dating, engaged, or married. Dallen, heir to the world-famous Hawk Ridge Hollow Ski Resort and global holdings, can move forward with updates to the ranch if he gets married—thanks to the stipulation in his father's will. Can she tame the handsome, wealthy, and wild cowboy? Can he win her heart? Only if they don't allow mistakes of their past to dictate the future. This is book 2 in the Hawkins Family Romance series. Each book stands alone but reading them in order provides a deeper, richer experience. It is a sweet, "clean and wholesome" romance without swearing or mature content and contains a happily ever after.
