### MICHAELA MOONEY

*Essentials of Organizational Behavior* Fordham Univ Press

This text encourages participate teaching and active learning through a structured style and format, with each chapter containing a list of key concepts and objectives.

*Fundamentals of Human Resource Management 9th Edition with Organizational Behavior Set* Jones & Bartlett Learning

Taken from: *Organizational Behavior*, Seventeenth Edition by Stephen P. Robbins and Timothy A. Judge.

*Fundamentals of Human Resource Management 8th Edition with Organizational Behavior 9th Edition Set* McGraw-Hill/Irwin

This textbook presents a comprehensive analysis of organizational behavior in sport organizations from a practitioner's perspective. It covers issues related to managing employees and work teams as well as organizational structure and culture in sport. The book has four sections: Organizational Behavior in the Sports Industry, Getting to Know Employees and Volunteers of Sport Organizations, Work Groups and Teams, and Understanding the Organization. Each chapter begins with a practitioner interview describing a challenge that was overcome by their organization. That example is used to highlight applicable theories and interventions used in the industry. Additional examples or theories are discussed to provide students a broad picture of managerial issues in the sports industry and provide alternative approaches to intervention illustrated in the practitioner interview. The

case studies offer the opportunity to practice and apply the ideas to real-world scenarios in the sports industry. Students using this book will gain an understanding of how managers and leaders apply theory to communicate with and engage employees to foster desired organizational cultures while being challenged to address common issues using cases and hypothetical situations.

*Organizational Behaviour PDF eBook 9th edition* Springer Nature

For undergraduate and graduate-level courses in leadership. An exploration of what makes an effective leader *Leadership in Organizations*, 9th Edition provides a balance of theory and practice as it covers the major theories and research on leadership and managerial effectiveness in formal organisations. Rather than detailing an endless series of studies or prescribing exactly how leaders must operate, it sticks to the major findings and offers recommendations for improving managerial effectiveness. Using this approach, readers understand the implications of their decisions and can determine the best courses of action specific to the situation. With new examples, citations, and guidelines for better clarity and presentation, the text is a relevant and useful tool for students who expect to become managers in the near future.

*Media Management* Irwin Professional Publishing

**Organizational Behavior** South-Western Pub

Forty years in the making, Management of Organizational Behavior is a readable text that makes behavioral sciences come alive through real life examples and progressive ideology.

*Organizational Behavior in Sport Management* Prentice Hall

Prepare to think and act like a successful manager with the powerful insights, proven concepts and reader-friendly approach found in Griffin/Phillips/Gully's ORGANIZATIONAL BEHAVIOR: MANAGING PEOPLE AND ORGANIZATIONS, 13E. This edition equips you with the skills and practical understanding to meet modern management challenges. Examine the fundamentals of employee behavior with balanced coverage of classic management ideas and the most recent organizational behavior developments and contemporary trends. Memorable examples from well-known organizations and managers throughout the book complement numerous cases and features that focus on pressing issues and practical solutions. You also scrutinize your personal strengths and explore areas where you need further development with self-assessment activities and end-of-chapter activities designed to improve your skills.

*Management and Organisational Behaviour* McGraw-Hill/Irwin

The new edition of Organizational Behavior includes a rich array of exercises, cases, and applied materials such as the Kouzes and Posner Leadership Practices Inventory and Pfeiffer Annual Edition exercises available in the OB Skills Workbook. It also focuses more on the hot topic of ethics throughout the entire book to ensure it is contemporary and engaging. The text also introduces two brand new key features 'Finding the Leader in You' and 'Taking it Online'. 'Finding the Leader in You', discusses leading in the workplace in a personal and applied way. The goal is to make the material more relevant and applicable to today's readers. The 'Taking it Online' feature will take the reader from the book to an online case, activity, self-assessment, or video clip of the leader they are reading about.

*Organizational Behavior* Prentice Hall

Organizational Behaviour, Third Edition, builds on the strengths and successes of the previous editions and has been fully updated to reflect changes in the world of work and the context of organizational behaviour within that world. The authors combine a managerial approach, focusing on practical, real-world applications, with a rigorous critical perspective that analyses the research behind the theories. The text addresses alternative theoretical perspectives, in parallel to the introduction of new worldwide cases and examples. The concise coverage of the core topics can be applied to both one-semester and year-long teaching and learning patterns. In addition, the text includes a strong applied focus stressing the applicability of all topic areas in work organisations, as well as examples from across a wide variety of business and geographic sectors. The fully updated online resource package at [www.wiley.com/college/french](http://www.wiley.com/college/french) includes PowerPoint slides, a lecturer test bank, instructor's manual and additional cases. Students can access self-test quizzes, glossary flashcards, a student study guide and links to relevant journal articles, as well as interactive modules and skills assessments.

*Organizational Behavior* John Wiley & Sons

With its three-pronged approach of concepts, applications, and skill development, MANAGEMENT FUNDAMENTALS gives you a solid foundation of management concepts and real skills you can use in the workplace. Through a variety of thought-provoking applications, Lussier challenges you to think critically and apply concepts to your own experiences. Proven skill-building exercises, behavioral models, self-assessments, and group exercises throughout the text will help you realize your own managerial potential. This best-selling book takes a traditional approach to Organizational Behavior beginning with The Individual, The Group and then moving into The Organization. It covers the cutting-edge topics such as learning and motivation, emotions, trust and group-dynamics.

**Organizational Behavior** Wiley Global Education

In Organizational Behavior: Solutions for Management, Paul Sweeney and Dean McFarlin have identified 4 key management skills areas that act as building blocks for successful behavior in management. These skills are: self-insight/perceptual skills; ability to inspire/motivate/lead; ability to analyze situations; and personal flexibility/adaptability. The authors also feel strongly that successful management of organizational behavior rests on the problem-solving process; in fact, the 4 skills listed above enable managers to use this process to deal with the "people problems" they face more effectively. If nothing else, studying what organizational behavior has to offer as a field should help a person figure out his/her strengths and weaknesses.

*Organizational Behavior* SAGE Publications

This reader provides the best collection of classic, ground-breaking articles, as well as cutting-edge works in the field in a practical, reader-friendly format to support your experiential organisational behaviour classroom.

*Organizational Behaviour* McGraw-Hill/Irwin

Organizational Behavior in Health Care was written to assist those who are on the frontline of the industry everyday—healthcare managers who must motivate and lead very diverse populations in a constantly changing environment. Designed for graduate-level study, this book introduces the reader to the behavioral science literature relevant to the study of individual and group behavior, specifically in healthcare organizational settings. Using an applied focus, it provides a clear and concise overview of the essential topics in organizational behavior from the healthcare manager's perspective. Organizational Behavior in Health Care examines the many aspects of organizational behavior, such as individuals' perceptions and attitudes, diversity, communication, motivation, leadership, power, stress, conflict management, negotiation models, group dynamics, team building, and managing organizational change. Each chapter contains learning objectives, summaries, case studies or other types of activities, such as, self-assessment exercises or evaluation.
