Robin Evans | The MIT Press Robin Evans
Translations From Drawing Introduction
by Mohsen Mostafavi The late Robin
Evans (1944-1993) was a highly original
historian of architecture whose writings
covered a wide range of concerns:
society's role in the evolution and
development of building types, aspects
of geometry, modes of projection,
military architecture, representation of

all kinds. No matter what the topic,
however, he always drew on firsthand
