Governing Care on a Diseased Planet

Penguin

Adam Westfield is an ex-friar just released from prison. Unsure of his destiny, he roams America, hoping to find a purpose . . . and forgiveness. A widowed mother of two, Sage

Hammond is struggling to keep her horse ranch afloat. Unable to find a ranch hand willing to work for meager wages, she's close to giving up. Then, an answer to her prayers appears--a quiet, handsome stranger. Adam is falling in love for the first time in his life, however, strange things begin to happen at the ranch--things that are putting Sage and her

children in danger--and he finds he's willing to sell his soul to protect them. But will it be enough? A man trying to overcome his past. A woman trying to secure her children's future. Can they both learn to live in the present and discover that second chances do exist?

A Novel Greystone Books Ltd

From New York Times bestselling author,

Samantha Towle, comes a new sexy, romantic suspense standalone novel... Daisy Smith has spent eighteen months of her life paying for a crime she didn't commit. Now out of prison, she has only one focus-to get back custody of her younger brother, Jesse, who is deep in the foster care system. Desperate to rebuild her life and show the system that she is responsible enough to care for Jesse, she takes on the only job available to her-working as a maid at the Matis Estate. On

day one of her new job, Daisy meets Kastor Matis, the only son of the owners and her new boss. An enigmatic, handsome Greek god of a man, Kas is closed off, cold, and...well, kind of a bastard. The more time Daisy spends around Kas, she starts to see there might be more to him than just his cold, bastard ways. He may actually have a heart beating in that frozen chest of his. But Kas has secrets, too. Secrets that he's determined to keep. Secrets make Daisy

curious. And you know what curiosity can do... Faking It in Alaska Simon and Schuster
 "Still struggling to find her footing after the sudden death of her parents, the last thing college freshman Alessa has the strength to deal with is the inexplicable visceral pull drawing her to a handsome ghostly presence. In between grappling with exams and sorority soirees - and disturbing recurring dreams of being captive in a futuristic prison hell - Alessa is determined to

unravel the mystery of the apparition who leaves her breathless. But the terrifying secret she uncovers will find her groping desperately through her nightmares for answers."--Provided by publisher.

Internet Drama and Mystery Television Series, 1996-2014 Wednesday Books

Ambitious L.A. lawyer Isabelle Marcano would rather run a mile in her Manolos than fly off to rustic Captivity, Alaska. If she can just close this sale, she'll finally be able

to add her name to the firm's letterhead. Even if it means taking a career detour to a place that doesn't even have a Starbucks...and might just be the seventh level of hell. Then Isabelle discovers that the town has something stronger on tap than caffeine: men. Lots and lots of men. Two single men to every single woman means that this assignment might just be the best thing in her sex life since the waterproof Rabbit. That is until her sexy client, Trace Shanahan, decides that in

order to hide her real purpose, she'll have to pose as his fiancée... Now all Isabelle's fantasies of hot Lumberjack Sex have completely imploded. But the more she learns about Trace and about why he's selling, the more conflicted she becomes about the deal. Failure to close means losing the partnership she's always wanted...but the bigger failure might just be kissing Trace goodbye. Wild in Captivity

Independently Published
Driven by a burning need for vengeance, William sets out in search of the man who ended his mortal life. He's not expecting his hunt for Kane to lead him deep into the mountains where he discovers Tempest. Forced to flee her sheltered mountain town in search of help, Tempest has no idea what to expect from the world outside her valley. At first, she believes running into William is a miracle. Until

she realizes he has only one thing on his mind... revenge. Torn between his mission to kill Kane and his growing feelings for Tempest, William agrees to help her fight the enemies invading her town. Once there, William learns a far larger threat than Kane looms on the horizon. A threat more powerful than anything they've ever faced and one that could destroy the new world they've created. ***The Captive Series is mature YA/New Adult. This book contains some language, violence,

and sexual situations. Recommended for ages sixteen and up.***

Cassandra Abducted. Caged. Kidnapped. They all mean the same thing. Hidden away and

forgotten about by everyone. Everyone except the monster who put me here. He stripped me of my freedom. He stripped me of my clothing. He's a monster, and he'll do whatever he wants with me. But I will survive. And I will wait. He hides in the shadows, but I will learn to see in the dark. And when the lights go out, I will show him the monster inside me. If you live in the dark long enough, even the sweet ones must grow claws. Monster Soulless. Psychopath. Evil. That's

what I've been told my entire life. If you looked at the trail of blood that follows me, you'd think they were right. I never asked to be like this. I never asked to be different. I never asked to be a monster. Something broke inside of me when I was born, and Cassandra Matheson is the only one who can fix me. She'll be the light to my darkness, the good to my evil. And she'll teach me what it is to be human. Or she'll never leave her cage. Letters in the Dark is a standalone full-length

novel with an HEA.
Zoo Veterinarians
Stormy Night Publications
This collection includes Sweet Captivity, Claiming My Sweet Captive (Andrés' P.O.V.), and Captive Ever After. Samantha... I don't like to be touched. I'm the hacker-geek-goddess of the FBI. When I'm hiding behind my screen, I'm a safe distance from everyone; isolated, powerful. No man has ever touched me, but when I'm captured by Colombian drug lord Andrés Moreno, I no

longer have the right to refuse. He's scarred and scary, and his cruel brother Cristian has tasked him with breaking me. I try to fight, but I can't escape his strong arms and harsh discipline. He demands that I accept his touch, and I can't help but respond to his masterful manipulations. The longer I remain trapped with him, the more I come to suspect that I'm not the only captive in his brother's home. Andrés' scars go deeper than the wicked furrows carved into his

flesh, his pain reflected in the dark demands he imposes upon me. His obsession is twisted and wrong, but maybe I'm twisted, too. Do I want to be rescued from him? Or is he the one who truly needs saving? Andrés... My pretty hostage possesses a stubborn streak and sharp mind, but her clever brain is no match for my iron will. I'll stop at nothing to claim her, no matter how many deviant punishments I have to devise for her. No one will ever touch her again--especially not my

cruel brother. Samantha is mine to keep and protect. Mine to play with and punish. All mine. *The Liar's Wife* iUniverse
Despite their centrality to the operation of contemporary accredited zoo and aquarium institutions, the work of zoo veterinarians has rarely, if ever, been the focus of a critical analysis in the social science and humanities. Drawing on in-depth interviews and observations of zoo and aquarium veterinarians in Europe and North America, this book

highlights the recent transformation that has occurred in the zoo veterinarian profession during a time of ecological crisis, and what these changes can teach us about our rapidly changing planet. Zoo vets, Braverman instructs us with a wink, have "gone wild." Originally an individual welfare-centered profession, these experts are increasingly concerned with the sustainability of wild animal populations and with ecological health. In this sense, the

story of zoo vets "going wild"—in their subjects of care, their motivations, and their ethical standards, as well as in their professional practices and scientific techniques—is also a story about zoo animals gone wild, wild animals encroaching the zoo, and, more generally, a wild world that is becoming "zoo-ified." Such transformations have challenged existing norms of veterinary practice. Exploring the regulatory landscape that governs the work of zoo and

aquarium veterinarians, Braverman traverses the gap between the hard and soft sciences and between humans and nonhumans. At the intersection of animal studies, socio-legal studies, and Science and Technology Studies, this book will appeal not only to those interested in zoos and in animal welfare, but also to scholars in the posthumanities.

My 450 Days Held
Hostage in the Sahara

Julia Sykes

New York Times

Bestselling author

Samantha Young writing

as S. Young Niamh Farren has been burdened by knowledge for most of her life. As one of seven fae children born into the human world with the ability to open the gate to Faerie, Niamh's mission is to guide her fae brethren to do what's right. Because Niamh has seen what will happen to the human world if she does not protect the gate. Throughout the years, she's traveled the world with her brother Ronan, using her psychic visions to find the fae-borne and convince them to stay on

the path that will keep the gate from opening. She has sacrificed much ... but when she loses her brother to the mission, Niamh begins to lose herself. For nearly one hundred and fifty years, werewolf Kiyō has wandered the planet as a lost soul. Cursed with immortality, he spends his awful eternity as a mercenary for hire. When the powerful Fionn Mór confides the truth about the existence of Faerie and hires Kiyō to protect one of the fae-borne, he accepts the challenge out

of boredom, not heroism. Yet Niamh is unexpected in every way the werewolf can possibly imagine. Guarding Niamh from her enemies is nowhere near as challenging as protecting the fae woman from herself. If Kiyō is to succeed, he must help Niamh find herself again, and not just for her sake. Ignoring the fierce connection between them may no longer be an option. A new enemy is rising and threatening to rip open the gate between worlds. To remind Niamh of who she really is, Kiyō

must make the choice to lower his defenses and give into their bond. Or safeguard his own heart ... and in doing so lead the human world to the brink of war.

Mated to the Barbarians
Simon and Schuster
When Ella wakes up in hospital following a hit and run incident, she is scared and confused. Close to tears, her eyes fall on a get-well-soon card on the window sill and the nurse reassures her that her loving husband will be back soon. But Ella has never

been married... Absolutely love twisty and unputdownable psychological thrillers like *Girl on the Train*, *The Wife Between Us* and *Gone Girl*? Then you will be totally hooked by this jaw-dropping novel about the dangerous secrets behind a perfect marriage. What readers are saying about *The Liar's Wife*: 'Oh my freaking god! What a fabulous and intriguing read... this is definitely the best book I've read by her YET!... I absolutely loved this shocker of a book... left me stunned,

as to the why, well you are just going to have to read the book and see... One of the most exciting psychological thrillers I've read all year... just buy it you won't be disappointed I promise.' The Book Review Café, 5 stars 'This book was INSANE... The plot twist at the end slapped me in the face and I am still in shock about it!! I COMPLETELY recommend this if you're a fan of books like "The Girl on the Train", "The Woman in the Window", and "Gone Girl".' Goodreads Reviewer 'A

brilliant and gripping thriller! It's very fast-paced (I was racing through to find out what happened)!' Cloud of Thoughts, 5 stars 'Pushes all the right buttons from the off and continues to push them right up until the last page. The story is mesmerising as it draws you in and won't let go (well didn't me) and at times I had to reign myself back from wanting to find out the outcome, NOW!!... The ending will shock you and left me reeling a bit if I'm honest. In my top 3 reads of this

year... Awesome... wonderful... 10/10, 5 stars.' Goodreads reviewer, 5 stars 'Wow!... grabs your full attention and keeps it until the very end... This read kept me wondering where it was all going and I could not wait until the end to find out... You will not regret picking this one up!' Goodreads reviewer, 5 stars 'Writing that gets the hairs standing up on the back of my neck... A fast-paced psychological thriller of the finest order... chillingly good.' nigeladamsbookworm, 5

stars 'Holy cow, all I can say is this is one of those books that will have you craving more... be ready for the shock that might just blow your mind... Riveting, chilling, thrilling, and absolutely shocking'!!! A must read for any thriller lover!' Goodreads reviewer, 5 stars 'Just couldn't tear myself away no matter how hard I tried... A seriously compulsive read that you won't want to put down. It was an addictive read that I couldn't get enough of and the build-up of tension was just off

the scale. You know how great a book is when your heart is still racing hours after finishing the book as the adrenaline was still coursing through my body. Compulsive, addictive, what more do you need from a psychological thriller?' bytheletterbookreviews, 5 stars 'OMG this was one of the best psychological thrillers I have read! The ending will shock you!... This is a must read!' Goodreads reviewer, 5 stars 'Yessss! This book is compulsively readable, so much so that I did the

thing where I walked all over my house with it today, greedily consuming page after page as I pretended to do other things and hoped no one needed anything... Woot, woot, is this a thrilling, suspenseful, surprising and altogether satisfying journey! WOW!' Goodreads reviewer, 5 stars *Hold On: A Play On/Big Sky Novella* Ballantine Books
CaptiveA New Life Series *Stitch* Bloomsbury Publishing
Christmas is coming to

Denver, Colorado, but it isn't only snow that's falling. In the Friday Edition, the first in a continuing mystery series featuring newspaper reporter Samantha Church, a beautiful young woman, who also happens to be a Truman County Assistant District Attorney, tumbles from her apartment balcony to her death on Christmas Eve. The incident is ruled a suicide, but Samantha, the DA's sister, isn't buying it. Feverishly Samantha throws herself into finding out what

really happened to her sister, Robin Marino. She pursues her sister's killers, maneuvering through a minefield of intrigue deliberately set out to divert her from the truth. Samantha invariably stumbles when confronted by the inescapable specter of a greater enemy: the alcohol dependency that has already cost her the respect of her peers, and, worse, custody of her daughter, April. Samantha must summon the courage to face not only a cartel of criminals, but

also her own demons. Physically threatened and betrayed, she nearly defeats herself through her own insecurities and fears. She not only must summon the courage to get beyond her own shortcomings, but she must work quickly to beat her nemesis – a reporter at the major metropolitan daily newspaper, who is also in rapid pursuit of the developing story. Samantha must find out who killed Robin before it is too late. But can she ultimately prevail, write the biggest story of

her career, and finally begin to change her life before it is too late? If you love the characters of other popular best-selling mysteries from Patricia Cornwell, to J.A. Jance, to Tony Hillerman, you will want to follow the journey of Samantha Church.

The Bone Season
Createspace Independent Publishing Platform
“I know how to watch my back. I’m the only one that ever has.” India Maxwell hasn’t just moved across the country—she’s plummeted to the bottom

rung of the social ladder. It's taken years to cover the mess of her home life with a veneer of popularity. Now she's living in one of Boston's wealthiest neighborhoods with her mom's fiancé and his daughter, Eloise. Thanks to her soon-to-be stepsister's clique of friends, including Eloise's gorgeous, arrogant boyfriend, Finn, India feels like the one thing she hoped never to be seen as again: trash. But India's not alone in struggling to control the secrets of her past. Eloise and Finn, the

school's golden couple, aren't all they seem to be. In fact, everyone's life is infinitely more complex than it first appears. And as India grows closer to Finn and befriends Eloise, threatening the facades that hold them together, what's left are truths that are brutal, beautiful and big enough to change them forever... From New York Times bestselling author Samantha Young comes a story of friendship, identity and acceptance that will break your heart—and make it whole again.

Free Createspace Independent Publishing Platform
The New York Times bestselling first novel in the Bone Season series, an epic fantasy about a young woman fighting to use her powers and stay alive in an England entirely different from our own. In 2059, Scion has taken over most of the world's cities, promising safety for all the citizens it deems worthy and wiping out clairvoyants wherever it can find them. Paige Mahoney, though, is a clairvoyant--and a

criminal just for existing. Paige is determined to fight Scion's power, and as part of the Seven Seals, Paige has found a use for her powers: she scouts for information by breaking into others' minds as they dream. But when Paige is captured and arrested, she encounters a power more sinister even than Scion. The voyant prison is a separate city, controlled by a powerful, otherworldly race. These creatures, the Rephaim, value the voyants highly—as soldiers in their army.

Paige is assigned to a Rephaite keeper, Warden, who will be in charge of her care and training. He is her master. Her natural enemy. But if she wants to regain her freedom, Paige will have to learn something of his mind and his own mysterious motives. The Bone Season introduces a compelling heroine—a young woman learning to harness her powers in a world where everything has been taken from her. It also introduces an extraordinary young writer, with huge ambition

and a teeming imagination. Samantha Shannon has created a bold new reality in this riveting debut. Sweet Captivity Routledge
Ambitious L.A. lawyer Isabelle Marcano would rather run a mile in her Manolos than fly off to rustic Captivity, Alaska. But close the client's sale successfully and her firm will find room on the letterhead for one more name. Still, taking a career detour to a place that doesn't even have a Starbucks sounds like the seventh level of hell. Then

her best friend points out the town has something stronger on tap than caffeine. Testosterone. With two single men to every single woman, this assignment might just be the best thing to happen to her sex life since the invention of the waterproof Rabbit. Until her sexy client introduces her as his fiancée to hide what she's doing in town, and all her aspirations of hot Lumberjack Sex fly out the airplane window. Though...fiancés do have sex, right? Those who don't want to answer to

small-town busybodies better look like they do, epically, even when the mere prospect plays havoc with her professional responsibilities. And her hormones. Her firm's getting antsy to finalize the merger. But the more she learns about Trace, about why he's selling, the more conflicted she becomes about the deal. Failure to close means losing the partnership she's always wanted, but the bigger failure might just be kissing Trace goodbye...

The Friday Edition

Simon and Schuster
As an unauthorized third child, nineteen-year-old Aimee Harrington has spent her life avoiding discovery by government authorities, but her world comes crashing down around her after she is caught stealing a vehicle in an act of petulant rebellion. Within hours of her arrest, she is escorted onto a ship bound for a detention center in the far reaches of the solar system. This facility is no ordinary prison, however. It is a training center for

future brides, and once Aimee has been properly prepared, she will be intimately, shamefully examined and then sold to an alien male in need of a mate. Worse still, Aimee's defiant attitude quickly earns her the wrath of the strict warden, and to make an example of her, Aimee is offered as a wife not to a sophisticated gentleman but to three huge, fiercely dominant warriors of the planet Ollorin. Though Ollorin males are considered savages on Earth, Aimee soon realizes

that while her new mates will demand her obedience and will not hesitate to spank her soundly if her behavior warrants it, they will also cherish and protect her in a way she has never experienced before. But when the time comes for her men to master her completely, will she find herself begging for more as her beautiful body is claimed hard and thoroughly by all three of them at once? Publisher's Note: *Wedded to the Warriors* includes spankings and sexual

scenes. If such material offends you, please don't buy this book. Also note that this book was previously published under the title *Claimed by the Savages*.

Bright Ruined Things
Bloomsbury Publishing
USA

A dark romance from USA Today bestselling author Julia Sykes My sweet captive doesn't like to be touched. She will learn. She no longer has the right to refuse. She flinches at the sight of my scarred face, but the way she whimpers and

trembles makes perverse pleasure stir within me. I captured the little FBI agent while she was trying to take down my drug empire, and I can't allow that. My pretty hostage possesses a stubborn streak and sharp mind, but her clever brain is no match for my iron will. I'll stop at nothing to claim her virgin body, no matter how many deviant punishments I have to devise for her. No one will ever touch her again--especially not my cruel brother. Samantha is mine to keep and protect.

Mine to play with and punish. All mine. Note: This book tells the events in Sweet Captivity from Andrés' point of view, and it can be read as a standalone dark romance novel. Keywords: dark romance, capture fantasy, antihero, kidnapping, romantic suspense, standalone
The Sidelined Wife
Entangled: Amara
My beloved little sister was taken from me when we were children, sold by my sadistic brother to pay a family debt. I was too young to save her then.

Too weak. Now, my body may be scarred, but I'm stronger than ever. With my clever little pet by my side, I'm capable of anything. Samantha has finally located my lost sister, Valentina. The cruel men who have held her captive for over a decade will suffer at my hands before I finally let them die. Valentina is closely guarded by a brutal drug lord, and he won't let his possession go so easily. I want to leave Samantha behind, to keep her locked away somewhere safe while I

dispose of my enemies. But my fierce pet refuses to be caged, and I know that I can't do this without her. My family is within my grasp, but rescuing Valentina might cost the life of the woman I love. Note: This novella is not a standalone. It is a continuation of Samantha and Andrés' dark romance. The suggested reading order for the Captive Series is as follows: Sweet Captivity Claiming My Sweet

Captive Stealing Beauty
Captive Ever After
Between the Lines Julia Sykes
Take it to the Grave! The secret that was never supposed to get out. Everyone knew but no one said a word. Samantha held on to this secret for over 15 years. Until one day her life of chaos brought her into counseling. Were she reveal her affair with the Pastor . Through her sessions it reminded her of the covenant she made

with God. To reveal her secret if she ever was married. Not knowing that this was the very thing that would lead her to her destiny of Total Freedom. *Captive Ever After*
Bookouture
When Becky spends her summer vacation at her uncle's dolphin research facility in the Florida Keys, she grapples with the moral issues surrounding dolphin captivity and the need for her uncle's economic survival.
