SUTTON VALERIE

In His Own Words!
Graymalkin Media
Real stories. Real
teens. Real crimes. A
backyard brawl turned
media circus filled with
gang accusations turns
a small, quiet town

upside down in this
second book in the
new Simon True series.
On May 22, 1995 at 7
p.m. sixteen-year-old
Jimmy Farris and
seventeen-year-old
Mike McLoren were
working out outside
Mike's backyard fort.
Four boys hopped the
fence, and a fight

broke out inside the dark fort made of two-by-four planks and tarps. Within minutes, both Mike and Jimmy had been stabbed. Jimmy died a short time later. While neighbors knew that the fort was a local hangout where drugs were available, the prosecution depicted the four defendants as gang members, and the crime as gang related. The accusations created a media circus, and added fuel to the growing belief that this affluent, safe, all-white neighborhood was in danger of a full-blown gang war. Four boys stood trial. All four boys faced life sentences. Why? Because of California's Felony Murder Rule. The law states that "a death is considered

first degree murder when it is commissioned during one of the following felonies: Arson, Rape, Carjacking, Robbery, Burglary, Mayhem, Kidnapping." In other words, if you—or somebody you are with—intends to commit a felony, and somebody accidentally dies in the process, all parties can be tried and convicted of first degree murder and sentenced to life without parole, even if nobody had any intention of committing a murder. What really happened that day? Was it a case of robbery gone wrong? Gang activity? Or was it something else? *The Life and Mind of a Family Mass Murderer* Macmillan
In the summer of 1937, with the Depression

deep and World War II looming, a California triple murder stunned an already grim nation. After a frantic week-long manhunt for the killer, a suspect emerged, and his sensational trial captivated audiences from coast to coast. Justice was swift, and the condemned man was buried away with the horrifying story. But decades later, Pamela Everett, a lawyer and former journalist, starts digging, following up a cryptic comment her father once made about a tragedy in their past. Her journey is uniquely personal as she uncovers her family's secret history, but the investigation quickly takes unexpected turns into her professional wheelhouse. Everett

unearths a truly historic legal case that included one of the earliest criminal profiles in the United States, the genesis of modern sex offender laws, and the last man sentenced to hang in California. Digging deeper and drawing on her experience with wrongful convictions, Everett then raises detailed and haunting questions about whether the authorities got the right man. Having revived the case to its rightful place in history, she leaves us with enduring concerns about the death penalty then and now. A journey chronicled through the mind of a lawyer and from the heart of a daughter, *Little Shoes* is both a captivating true crime story and a profoundly

personal account of one family's struggle to cope with tragedy through the generations.

Moguls, Monsters, and Madmen SIU Press

They were golden boys who killed with sudden savagery. The trial revealed a dark drama too evil to believe. Handsome, rich, bronzed champion athletes, Erik and Lyle Menendez were the stunning symbols of the California dream. The sons of a high-powered Hollywood executive and his beautiful wife, they lived in a pampered world of Beverly Hills mansions, swimming pools, and private tennis coaches. But the dream became a nightmare when police found the butchered bodies of the boys' parents, Jose and Kitty,

in the family room of their five-million dollar mansion. Only days after the couple was laid to rest, the brothers began an appalling spending spree, buying Rolex watches, designer clothes and a new Porsche. Seven months later, all of Hollywood was stunned when the 18- and 21-year-old brothers were arrested for the horrendous killings. In wrenching testimony, Lyle & Erik accused their father of sexually brutalizing then since they were children—claiming his sadistic acts of perversion and cruel violence drove them to their unspeakable crime. Bestselling author Don Davis takes you inside one of the most riveting cases in California's history, laying to bare the

shattering secrets of a tormented family.

The Amityville Horror

John Wiley & Sons

Includes material on "the Trailside Killer in San Francisco, the Atlanta child murderer, the Tylenol poisoner, the man who hunted prostitutes for sport in the woods of Alaska, and Seattle's Green River killer ..."

My Life with Erik

Menendez Diversion Books

Discover the definitive book on the Menendez case—and the primary source material for NBC's Law and Order True Crime: The Menendez Murders. A successful entertainment executive making \$2 million a year. His former beauty queen wife. Their two sons on the fast track to success. But it was all

a façade. The Menendez saga has captivated the American public since 1989. The killing of José and Kitty Menendez on a quiet Sunday evening in Beverly Hills didn't make the cover of People magazine until the arrest of their sons seven months later, and the case developed an intense cult following. When the first Menendez trial began in July 1993, the public was convinced that Lyle and Erik were a pair of greedy rich kids who had killed loving, devoted parents. But the real story remained buried beneath years of dark secrets. Until now. Journalist Robert Rand, who originally reported on the case for the Miami Herald and Playboy, has followed

the Menendez murders from the beginning and has continued investigating and interviewing key sources for 28 years. Rand is the only reporter who covered the original investigation as well as both trials. With unparalleled access to the Menendez family and their history, including interviews with both brothers before and after their arrest, Rand has uncovered extraordinary details that certainly would have changed the fate of the brothers' first-degree murder conviction and sentencing to life without parole. In *The Menendez Murders: The Shocking Untold Story of the Menendez Family and the Killings That Stunned the*

Nation, Rand shares these intimate, never-before-revealed findings, including a deeply disturbing history of child abuse and sexual molestation in the Menendez family going back generations, and the shocking admission O.J. Simpson made to one of the Menendez brothers when they were inmates at the L.A. County Men's Central Jail.

A Homicide Detective's Scrapbook Pinnacle Books

ONE OF AMAZON'S "BEST TRUE CRIME" BOOKS **A "BEST BOOK OF THE MONTH" PICK FOR AMAZON (DECEMBER 2021)**
AN APPLE AUDIO "MUST-LISTEN" (DECEMBER 2021) A vivid behind-the-scenes look into the creation of the FBI's

Behavioral Science Unit and the evolution of criminal profiling, written by the pioneering forensic nurse who transformed the way the FBI studies, profiles, and catches serial killers. Lurking beneath the progressive activism and sex positivity in the 1970-80s, a dark undercurrent of violence rippled across the American landscape. With reported cases of sexual assault and homicide on the rise, the FBI created a specialized team—the “Mindhunters” better known as the Behavioral Science Unit—to track down the country’s most dangerous criminals. And yet narrowing down a seemingly infinite list of potential suspects seemed

daunting at best and impossible at worst—until Dr. Ann Wolbert Burgess stepped on the scene. In *A Killer By Design*, Burgess reveals how her pioneering research on sexual assault and trauma caught the attention of the FBI, and steered her right into the middle of a chilling serial murder investigation in Nebraska. Over the course of the next two decades, she helped the budding unit identify, interview, and track down dozens of notoriously violent offenders, including Ed Kemper (“The Co-Ed Killer”), Dennis Rader (“BTK”), Henry Wallace (“The Taco Bell Strangler”), Jon Barry Simonis (“The Ski-Mask Rapist”), and many others. As one of the

first women trailblazers within the FBI's hallowed halls, Burgess knew many were expecting her to crack under pressure and recoil in horror—but she was determined to protect future victims at any cost. This book pulls us directly into the investigations as she experienced them, interweaving never-before-seen interview transcripts and crime scene drawings alongside her own vivid recollections to provide unprecedented insight into the minds of deranged criminals and the victims they left behind. Along the way, Burgess also paints a revealing portrait of a formidable institution on the brink of a seismic scientific and cultural reckoning—and the men forced to

reconsider everything they thought they knew about crime. Haunting, heartfelt, and deeply human, *A Killer By Design* forces us to confront the age-old question that has long plagued our criminal justice system: "What drives someone to kill, and how can we stop them?"

Great American Trials

Graymalkin Media

This gripping debut novel reimagines

Truman Capote's *In Cold Blood* and the brutal murders of the Clutter family in Holcomb, Kansas, in 1959 that inspired his work. 5 1/2 x 8 5/16.

Sociopaths, Serial Killers, and Other Deviants Newstar Press

This book is an overview of the United States legal system, with a brief

introduction to Islamic and International law. The book is divided into six parts. Part I (The Legal System and Crime) introduces the U.S. legal system and the classification of crime. Part II (White Collar Crime) covers cybercrime, crime the old fashioned way, and healthcare fraud. Part III (Homicide) deals with simple murder, serial murder, mass and spree murder; and assassination. Part IV (Special Groups) covers the mafia; the family; the medical, legal, and teaching professions; the religion profession; celebrities; and stupid criminals. Part V (On the Edge) deals with topics I consider to be a bit strange; that is, quackery, innovative defenses, and dangerous cults. And

finally, Part VI (Residue) discusses what is left ... capital punishment and crimes against humanity, including terrorism. Throughout the book, to illustrate points, I have used over 300 cases of actual crimes. The names of the people and the facts of the cases used in the discussions of these crimes are taken directly from referenced news reports. The subtitle, Computer Viruses to Twin Towers, reflects the scope of the book; that is, from computer viruses, which cause only aggravation or loss of money, to the deadly terrorist attacks on the Twin Towers of the World Trade Center and the Pentagon on September 11, 2001 that snuffed out almost 3000 lives.

Sole Survivor Back Bay Books

This book presents an examination of the television series *Nurse Jackie*, making connections between the representational processes and the audience consumption of the series. A key point of reference is the political and performative potential of *Nurse Jackie* with regards to its progressive representation of prescription drug addiction and its relationship to the concept of quality television. It deconstructs *Nurse Jackie*'s discursive potential, involving intersections with contemporary notions of genre, celebrity, self-reflexivity, therapy and feminism
Crime Classification

Abused Children who Kill Their

Parents New Galen
Pub

A fictional account of the O.J. Simpson trial in which journalist Gus Bailey tries to remain unbiased while covering the trial, even though he is more involved in the case than he should be.

Another City, Not My Own Dell

Transcripts of telephone conversations and letters provide an unauthorized account of the trial of Lyle Menendez for the murder of his parents
A Novel in the Form of a Memoir Simon and Schuster

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and

associate members of the American Bar Association.

And Every Word Is True St. Martin's Paperbacks

“A fascinating and frightening book” (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up.

Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—"this book will scare the hell out of you" (Kansas City Star).

The Murders of Molly Southbourne Turner Publishing Company Barry Avrich — a self-made, Montreal-born film producer/director, flamboyant advertising executive, and legendary biographer and connector of moguls and stars. For over three decades, he has relentlessly produced films on some of the most notorious show-business titans and also found the time to market and promote

feature films, concerts, and the biggest shows on Broadway. In his memoir, *Moguls, Monsters, and Madmen*, Barry takes readers from his early days, shaping his brand as a creative adman with the infamous Garth Drabinsky and witnessing the genius of legendary Rolling Stones promoter Michael Cohl, to his acclaimed documentaries on Harvey Weinstein, Lew Wasserman, Bob Guccione, and many others. Go behind the scenes on his most provocative films — like *The Last Mogul*, *Unauthorized*, and *Filthy Gorgeous* — and follow Barry as he moves from the power rooms of Hollywood to the launches of incredible brands while

hanging around with royalty, rogues, clients, and confidants. An extraordinary raconteur, Barry spares no one, least of all himself, as he details his extraordinary relationships and encounters with everyone from Frank Sinatra, Quincy Jones, and Vanity Fair columnist Dominick Dunne to Mick Jagger and Keith Richards. *Moguls, Monsters and Madmen* is a sharp and witty exposé of show business and notorious characters.

Macmillan

Discusses the murders of a rich L.A.

businessman and his wife by their two sons, who used a defense of child abuse to obtain a mistrial

[Vulgar Favors](#) Gallery Books

A memoir of hope, healing, and survival, sure to resonate with fans of Jaycee Dugard's *A Stolen Life* and Elizabeth Smart's *My Story*. On August 28, 1997, just as she was starting her junior year at the University of Kentucky, Holly Dunn and her boyfriend, Chris Maier, were walking along railroad tracks on their way home from a party when they were attacked by notorious serial killer Angel Maturino Reséndiz, aka The Railroad Killer. After her boyfriend is beaten to death in front of her, Holly is stabbed, raped, and left for dead. In this memoir of survival and healing from a horrific true crime, Holly recounts how she lived through the vicious assault, helped bring

her assailant to justice, and ultimately found meaning and purpose through service to victims of sexual assault and other violent crimes. She has worked as a motivational speaker and activist and founded Holly's House, a safe and nurturing space in her hometown of Evansville, Indiana.

Little Shoes Hachette Books

The instant #1 New York Times and USA Today best seller by Karen Kilgariff and Georgia Hardstark, the voices behind the hit podcast *My Favorite Murder!* Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest

mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the nation. In *Stay Sexy & Don't Get Murdered*, Karen and Georgia focus on the importance of self-advocating and valuing personal safety over being 'nice' or 'helpful.' They delve into their own pasts, true crime stories, and beyond to discuss meaningful cultural and societal issues with fierce empathy and unapologetic frankness. "In many respects, *Stay Sexy & Don't Get Murdered* distills the *My Favorite Murder* podcast into its most essential elements: Georgia and Karen. They lay themselves bare on the page, in all of their

neuroses, triumphs, failures, and struggles. From eating disorders to substance abuse and kleptomania to the wonders of therapy, Kilgariff and Hardstark recount their lives with honesty, humor, and compassion, offering their best unqualified life-advice along the way.” —Entertainment Weekly “Like the podcast, the book

offers funny, feminist advice for survival—both in the sense of not getting killed and just, like, getting a job and working through your personal shit so you can pay your bills and have friends.” —Rolling Stone At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
