The Ultimate Guide to the Best 1,000 Modern Movies on DVD and Video Voyageur Press (MN)

Whether contending with nihilists, botching a kidnapping pay-off, watching as his beloved rug is micturated upon, or simply bowling and drinking Caucasians, the Dude—or El Duderino if you're not into the whole brevity thing—abides. As embodied by Jeff Bridges, the main character of the 1998 Coen brothers' film *The Big Lebowski* is a modern hero who has inspired festivals, burlesque interpretations, and even a religion (Dudeism). In time for the fifteenth anniversary of *The Big Lebowski*, film author and curator Jenny M. Jones tells the full story of the Dude, from how

the Coen brothers came up with the idea for a modern LA noir to never-been-told anecdotes about the film's production, its critical and commercial reception, and, finally, how it came to be such an international cult hit. Achievers, as *Lebowski* fans call themselves, will discover many hidden truths, including why it is that Walter Sobchak (John Goodman) is so obsessed with Vietnam, what makes Theodore Donald "Donny" Kerabatsos (Steve Buscemi) so confused all the time, how the film defies genre, and what unexpected surprise Bridges got during filming of the Gutterballs dream sequence. (Hint: it involved curly wigs and a gurney.) Interspersed throughout are sidebars, interviews with members of the film's cast and crew, scene breakdowns, guest essays by prominent experts on *Lebowski* language, music, filmmaking techniques, and more, and hundreds of photographs—including many of artwork inspired by the film.

The Films of Ethan and Joel Coen Simon and Schuster (Book). Quintessential Coen brothers fare but different. Inside Llewyn Davis has a certain kinship with Les Miserables . In it almost all the principal actors Oscar Isaac, Carey Mulligan, Justin Timberlake sing. While not quite a musical, Inside Llewyn Davis is built around full-length performances of folk songs that were heard in the grubby cafes of the Village in a year when Bob Dylan, who kind of, sort of shows up in the movie, had just appeared on the scene. Bob Dylan, Paul Clayton, the Rev. Reverend Gary Davis, Joni Mitchell, Tom Paxton and myriad other singers of the era are invoked in the film. Its story bounces through actual places like Gerde's, the Gaslight Cafe and the Gate of Horn in Chicago without explicitly portraying real artists or folk music powers like the impresario Albert Grossman. Working with the producer Scott Rudin, their collaborator on both True Grit and No Country for Old Men , the Coen Brothers shot the film in New York City and elsewhere last year and finished the movie at their own pace. They could have rushed it into the Oscar season but chose to bide their time. T Bone Burnett, who provided the old time music of O Brother, Where Art Thou? , also produced the music for Inside Llewyn Davis . Mr. Burnett has helped to re-create the brief flowering of a folk scene that in the early '60s made Washington Square and its environs an unlikely crossroads for musical influences from Appalachia, the Deep South, the Far West, New England almost anywhere but New York's neighborhoods, from which some of its heartiest practitioners, and Llewyn Davis, arrived.

Special University of Chicago Press

The only screenwriting book that includes a DVD that contains

performances of the short films and screenplays that are featured in the book! The beauty and power of any story lies in its ability to connect to the reader, listener, or observer. Crafting Short Screenplays That Connect is the first screenwriting guide to introduce connection as an essential, although essentially overlooked, aspect of creating stories for the screen and of the screenwriting process itself. Written with clarity and humor, this book teaches the craft of writing short screenplays by guiding the student through carefully focused writing exercises of increasing length and complexity. Eight award-winning student screenplays are included for illustration and inspiration. The text is divided into three parts. Part one focuses on preparing to write by means of exercises designed to help students think more deeply about the screenwriter's purposes; their own unique vision, material and process; and finally about what screenplays are at their simplest and most profound level--a pattern of human change, created from specific moments of change--discoveries and decisions. Part two teaches students how to craft an effective pattern of human change. It guides them through the writing and re-writing of "Five (Not So Easy) Pieces"--five short screenplays of increasing length and complexity--focusing on a specific principle of dramatic technique: The Discovery, The Decision, The Boxing Match, The Improbable Connection, and The Long Short Screenplay. Part Three presents the five screenplays used throughout the book to illustrate the dramatic principles that have been discussed, and includes interviews with the screenwriters, a look at where they are now and what they are doing, and brief discussion of how each film evolved.

The Big Lebowski Vintage Canada

E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates

freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

Fifth Annual Collection ISD LLC

"Joel and Ethan Coen have pulled off the ultimate balancing act. Despite having their movies financed and distributed by major studios they have somehow managed to remain true independents determinedly rejecting commercial clichés and never giving up their own fiercely idiosyncratic vision." "In this biography of the sibling film-makers, Ronald Bergan, who has played cat and mouse with the Coens over the last few years, traces the brothers' Jewish roots, their beginnings as film geeks in the suburbs of Minneapolis, their battles to get their first feature made and released, the many sources of their inspiration, their unique working methods and their enigmatic, teasing and quirky personalities."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Simon and Schuster

George Orwell's Nineteen Eighty-Four is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.

The World's Finest Mystery and Crime Stories Taylor & Francis

THE STORY: Stephen Bellamy is a wunderkind press secretary who has built a career that men twice his age would envy. During a tight presidential primary race, Stephen's meteoric rise falls prey to the backroom politics of more seasoned operatives.

Unique Characters of Violence Abrams

Brought completely up to date, this insightful biography remains "a must for any self-respecting Coen fan" (Screentrade). This fully updated edition of the first biography of the Coen Brothers includes their complete work so far, from *Blood Simple* to *Inside Llewyn Davis* (2013), with a reassessment of their remarkable career as a whole. Joel and Ethan Coen have pulled off the ultimate balancing act. Despite having their movies financed and distributed by major studios, they have managed to remain true independents, rejecting commercial clichés and never giving up on their own fiercely idiosyncratic vision. While doing so, they have established themselves among the world's leading filmmakers. From their startling debut, *Blood Simple* (1984), all of

their movies reveal a distinctive stamp: a flamboyant visual style, richly conceived characters, crisp dialogue, and brilliant casting. They have revitalized old Hollywood genres such as noir, screwball, and the western, giving them a contemporary sensibility. In this biography, Ronald Bergan traces the brothers' Jewish roots, their beginnings as film geeks in suburban Minneapolis, their battle to get their first feature made and released, through their early features and the movies of their maturity. He gives blow-by-blow accounts of the making of each movie. New chapters cover all those released since *O Brother, Where Art Thou?* (2000), with which the first edition of this book ended.

How to Succeed at Co-Writing for Film & TV Justin, Charles & Co.

This guide to screenwriting teaches the craft by guiding the student through writing exercises of increasing length and complexity. The format allows the student to write directly in the book. New to this edition is a DVD containing short films and the screenplays they are based on.

It's New York, 1952. Welcome to Broadway, the glamour and power capital of the universe. J.J. Hunsecker rules it all with his daily gossip column in the New York Globe, syndicated to sixty million readers across America. J.J. has the goods on everyone, from the president to the latest starlet. And everyone feeds J.J. scandal, from J. Edgar Hoover and Senator Joe McCarthy down to a battalion of hungry press agents who attach their news to a client that J.J. might plug. When a young press agent, Sidney, tries to hitch his wagon to J.J. while keeping secrets about his client's new relationship with J.J.'s sister, he learns that you can become no one if J.J. turns on you. -- Publisher's website.

The Coen Brothers Encyclopedia Columbia University Press

The first biography of a great television writer and the story of his

magnum opus In early 1957, a low-budget black-and-white movie opened across the United States. Consisting of little more than a dozen men arguing in a dingy room, it was a failure at the box office and soon faded from view. Today, *12 Angry Men* is acclaimed as a movie classic, revered by the critics, beloved by the public, and widely performed as a stage play, touching audiences around the world. It is also a favorite of the legal profession for its portrayal of ordinary citizens reaching a just verdict and widely taught for its depiction of group dynamics and human relations. Few twentieth-century American dramatic works have had the acclaim and impact of *12 Angry Men*. Reginald Rose and the Journey of "12 Angry Men" tells two stories: the life of a great writer and the journey of his most famous work, one that ultimately outshined its author. More than any writer in the Golden Age of Television, Reginald Rose took up vital social issues of the day—from racial prejudice to juvenile delinquency to civil liberties—and made them accessible to a wide audience. His 1960s series, *The Defenders*, was the finest drama of its age and set the standard for legal dramas. This book brings Reginald Rose's long and successful career, its origins and accomplishments, into view at long last. By placing *12 Angry Men* in its historical and social context—the rise of television, the blacklist, and the struggle for civil rights—author Phil Rosenzweig traces the story of this brilliant courtroom drama, beginning with the chance experience that inspired Rose, to its performance on CBS's *Westinghouse Studio One* in 1954, to the feature film with Henry Fonda. The book describes Sidney Lumet's casting, the sudden death of one actor, and the contribution of cinematographer Boris Kaufman. It explores the various drafts of

the drama, with characters modified and scenes added and deleted, with Rose settling on the shattering climax only days before filming began. Drawing on extensive research and brimming with insight, this book casts new light on one of America's great dramas—and about its author, a man of immense talent and courage. Author royalties will be donated equally to the Feerick Center for Social Justice at Fordham Law School and the Justice John Paul Stevens Jury Center at Chicago-Kent College of Law.

Interviews Harper Collins

Screen-writing is a unique literary form. Screenplays are like musical scores, in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers. They are written using technical jargon and tight, spare prose to describe set directions. Unlike a novella, a script focuses on describing the literal, visual aspects of the story rather than on its characters internal thoughts. In screen-writing, the aim is to evoke those thoughts and emotions through subtext, action, and symbolism. Prominent Hollywood script doctors include Steve Zaillian, William Goldman, Robert Towne, Mort Nathan, Quentin Tarantino etc., while many up-and-coming screenwriters work as ghost writers. This book is a modest catalogue of some of the most prominent screenwriters, listed from A to Z. The good are sometimes bad, and they can be even... Ugly. Many comments herein included were googled in deference to the multiplicity of information available today, yet they reflect exactly - or almost - what I thought. An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor

quality of professional media and specialised literature. It all comes down to watching the truth 24 times per second, to quote Jean-Luc Godard's phrase. Not to mention that such truth may include sex scenes, violence, pedophilia, etc. We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones. We know, conversely, that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly, thanks to A. I. Bezzerides script. As a former screenwriter, Mr. Correa must avow that he found the job most gratifying. Writing that looks effortless is often hellish to write and revise. It was something he did have to slog through, but it proved particularly pleasing. Editing, discussing & finishing your work is particularly gratifying. Identifying your flaws and working to mitigate them is also gratifying. It is a general perception that creative careers are more interesting and fun than others. But the privilege of earning money through imagination and creativity is effectively hard-won. Please comment at will. Please disagree at will. Be facetious in your remarks, but please be neither vicious nor mean-spirited. [Atlantic Reporter](#) Samuel French, Inc.

Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe. [What Sells for what \(in Every Category!\)](#) Fordham Univ Press
There is never a shortage of priest characters on our screens. Even Spencer Tracy, Bing Crosby and Barry Fitzgerald won

Oscars for playing priests. Robert de Niro has been ordained four times (including a bishop). Many stars have been eager to play priests, as have numerous supporting actors. The question arises: how have been priests portrayed over the decades? There have been kindly priests with their advice, stern priests who laid down the law, heroic priests on mission, in more recent years, priests who have been abusers. And there have been priests who were part of the scenery, especially at funerals. This is something of a comprehensive look at priests on screen, looking at portrayals from the late 19th century, over the decades, for 120 years. The films considered are mainly English-language but quite there are a number from other cultures. The book offers some Church background and developments, the range of films, a highlighting of a key film representing each decade. It also has separate chapters on Irish priests, Australian priests, exorcism priests and

a chapter on films and abuse. There also Appendices on historical films, saint priests and popes. While one could read the book from cover to cover, it is mainly a book for reference. There are some detailed appreciations. There are some shorter considerations. Not everyone can see every film, not for want of trying! There are Indexes for exploring: film titles, directors, and actors who have played priests. Screen Priests is a fascinating historical look at films about Roman Catholic priests from the first until Martin Scorseses 2016 religious and cinematic masterpiece Silence. With the scope spanning decades and the breadth embracing films mostly from the United States, Britain, Ireland, Canada and Australia, the researcher will find a treasure trove and the film aficionado will relish Peter Malones encyclopedia knowledge and sometimes trivia of the world of priests on the silver screen.
