For readers of Marieke Nijkamp's *This Is Where It Ends*, a powerful and timely contemporary classic about the aftermath of a school shooting. Five months ago, Valerie Leftman's boyfriend, Nick, opened fire on their school cafeteria. Shot trying to stop him, Valerie inadvertently saved the life of a classmate, but was implicated in the shootings because of the list she helped create. A list of people and things she and Nick hated. The list he used to pick his targets. Now, after a summer of seclusion, Val is forced to confront her

guilt as she returns to school to complete her senior year. Haunted by the memory of the boyfriend she still loves and navigating rocky relationships with her family, former friends, and the girl whose life she saved, Val must come to grips with the tragedy that took place and her role in it, in order to make amends and move on with her life. Jennifer Brown's critically acclaimed novel now includes the bonus novella *Say Something*, another arresting Hate List story.

Cerita Cinta Indonesia Jingga dan Senja

A wry, affecting tale set in a small town on the Indonesian coast, *Man Tiger* tells the story of two interlinked and tormented families and of Margio, a young man ordinary in all particulars

except that he conceals within himself a supernatural female white tiger. The inequities and betrayals of family life coalesce around and torment this magical being. An explosive act of violence follows, and its mysterious cause is unraveled as events progress toward a heartbreaking revelation. Lyrical and bawdy, experimental and political, this extraordinary novel announces the arrival of a powerful new voice on the global literary stage. re:ON Vol. 36 Gramedia Pustaka Utama Seventeen-year-old "Hank" has found himself at Penn Station in New York City with no memory of anything—who he is, where he came from, why he's running away. His only possession is a worn copy of *Walden* by Henry David Thoreau. And so he becomes Henry David—or

“Hank”—and takes first to the streets, and then to the only destination he can think of—Walden Pond in Concord, Massachusetts. Cal Armistead’s remarkable debut novel about a teen in search of himself. As Hank begins to piece together recollections from his past he realizes that the only way he can discover his present is to face up to the realities of his grievous memories. He must come to terms with the tragedy of his past to stop running and find his way home.

Beauty Is a Wound Harlequin

A Kirkus Best Book of 2019! From the critically acclaimed author of *Just Like Jackie* comes a strikingly tender novel about one family’s heartbreak and the compassion that carries them through, perfect for fans of Sara Pennypacker,

Lisa Graff, and Ann M. Martin. It’s been almost a year since Rain’s brother Guthrie died, and her parents still don’t know it was all Rain’s fault. In fact, no one does—Rain buried her secret deep, no matter how heavy it weighs on her heart. So when her mom suggests moving the family from Vermont to New York City, Rain agrees. But life in the big city is different. She’s never seen so many people in one place—or felt more like an outsider. With her parents fighting more than ever and the anniversary of Guthrie’s death approaching, Rain is determined to keep her big secret close to her heart. But even she knows that when you bury things deep, they grow up twice as tall. Readers will fall in love with the pluck and warmth of Stoddard’s latest heroine

and the strength that even a small heart can lend.

Signs Point to Yes Simon & Schuster Books for Young Readers

Given the substantial impact of feminism on children's literature and culture during the last quarter century, it comes as no surprise that gender studies have focused predominantly on issues of female representation. The question of how the same patriarchal ideology structured representations of male bodies and behaviors was until very

recently a marginal discussion. Now that masculinity has emerged as an overt theme in children's literature and film, critical consideration of the subject is timely, if not long overdue. *Ways of Being Male* addresses this new concern in an unprecedented collection of essays examining how contemporary debates about masculinity are reflected in fiction and film for young adults. An outstanding team of scholars elucidates the ways in which different versions of male identity are constructed and presented to young audiences. The contributors, drawn from a variety of academic disciplines, employ international discourses in literary criticism, feminism, social sciences, film theory, psychoanalytic criticism, and queer theory in their wide-ranging

exploration of male representation. With its illuminating array of perspectives, this pioneering survey brings a long neglected subject into sharp focus.

A great masterpiece never before available in English, Kornél Esti is the wild final book by a Hungarian genius. Crazy, funny and gorgeously dark, Kornél Esti sets into rollicking action a series of adventures about a man and his wicked doppelgänger, who breathes every forbidden idea of his childhood into his ear, and then reappears decades later. Part Gogol, part Chekhov, and all brilliance, Kosztolányi in his final book serves up his most magical, radical, and intoxicating work. Here is a novel which inquires: What if your id (loyally keeping your name) decides to strike out on its own, cuts a disreputable swath through the world, and then sends home to you all its unpaid bills and ruined maidens? And then: What if you and your alter ego decide to write a book together?

 From the New York Times bestselling author of *The Downstairs Girl*, Stacey Lee, an evocative novel about a teen aroma expert who uses her extrasensitive sense of smell to help others fall in love—while protecting her own heart at all costs. Perfect for fans of *When Dimple Met Rishi* and *I’ll Be the One* and now in paperback. Sometimes love is right under your nose. As one of only two aromateurs left on the planet, sixteen-year-old Mimosa knows what her future holds: a lifetime of weeding, mixing love elixirs, and matchmaking—all while remaining incurably alone. For Mim, the rules are clear: falling in love would render her nose useless, taking away her one great

talent. Still, Mimosa doesn’t want to spend her life elbow-deep in soil and begonias. She dreams of a normal high school experience with friends, sports practices, debate club, and even a boyfriend. But when she accidentally gives an elixir to the wrong woman and has to rely on the lovesick woman’s son, the school soccer star, to help fix the situation, Mim quickly begins to realize that falling in love isn’t always a choice you can make. At once hopeful, funny, and romantic, Stacey Lee’s *The Secret of a Heart Note* is a richly evocative coming-of-age story that gives a fresh perspective on falling in love and finding one’s place in the world.
