Insights into Business

is an intermediate to

upper-intermediate

course for adult learners of Business English. It provides an authentic framework for developing an understanding of key areas of contemporary business. The Teacher's book supports the course and provides photocopiable materials and test material. New Insights Into Business: Teacher's Book by Graham Tullis (An insight is defined as the discovery of a fundamental consumer need that companies can use to create value for the customer and the business.) A new approach to insights. Getting to a level of understanding about what customers really want requires the ability to understand what motivates consumers, as well as

how they shop and make decisions. New Insights Into Business - Workbook-Students Book - Free ebook download as Word Doc (.doc / .docx), PDF File (.pdf) or read book online for free.
