Cambridge International AS and A Level Computer Science Coursebook
 Cambridge University Press

The only endorsed resources for the Cambridge International AS Level English General Paper syllabus. Through exploration of a wide array of topics, from celebrity culture to poetry in the modern world, this book focuses on strengthening communication, evaluation, analysis, application and understanding skills. Helping students improve their written responses, use of English and comprehension, this coursebook looks at discussion points relevant to the globally-minded

classroom. With frequent practice questions and sample answers, students have plenty of opportunities to build their confidence

answering questions. Answers to coursebook questions are in the teacher's resource. Cambridge International AS Level English General Paper Coursebook Hodder Education

This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2022. Confidently navigate the updated Cambridge International AS & A Level Chemistry (9701) syllabus with a structured approach ensuring that the link between theory and practice is consolidated, scientific skills are applied, and analytical skills developed. - Enable students to monitor and build progress with short

'self-assessment' questions throughout the student text, with answers at the back of the book, so students can check their understanding as they work their way through the chapters. - Build scientific communication skills and vocabulary in written responses with a variety of exam-style questions. - Encourage understanding of historical context and scientific applications with extension boxes in the student text. - Have confidence that lessons cover the syllabus completely with a free Scheme of Work available online. - Provide additional practice with the accompanying write-in Practical Skills Workbooks, which once completed, can also be used to recap learning for revision.

English Language for Cambridge International AS and a

Level Cambridge University Press

This series is for the Cambridge International AS History syllabus (9489) for examination from 2021. Written by an experienced author team that includes examiners, a practising teacher and trainer, this coursebook supports the Cambridge International AS History syllabus. With increased depth of coverage, this coursebook helps build confidence and understanding in language, essay-writing and evaluation skills. It develops students' conceptual understanding of history with the five new 'Key concepts', for example exploring similarity and difference in the aims/achievements of Witte and Stolypin. In addition, it encourages individuals to make substantiated judgments and reflect on their learning. Students can consolidate their skills through exam-style questions with source material and sample responses.

Cambridge Advanced Learner's Dictionary KLETT VERSION Hodder Education
Collins' Cambridge International AS & A Level Digital Media & Design Student's Book is the only

resource written specifically for the new Cambridge International A & A level Digital Media & Design 9481. Written by experts in the media and design field, this resource provides in-depth coverage of this exciting area of study.
