ARCHER CARLO

Kenya National Assembly Official Record (Hansard) Atharv
Publication
Commonwealth Caribbean Administrative Law comprehensively
explores the nature and function of administrative law in
contemporary Caribbean society. It considers the administrative
machinery of Caribbean States; Parliament, the Executive and
the judiciary. It then examines the basis for judicial review of
executive and administrative action in the Caribbean by looking
at the statutory provisions that underpin this and the plethora of
case law emerging from the region. The book will also look to

how the courts in the Commonwealth Caribbean have sought to
define principles of administrative law. This book will also
consider the alternative methods by which the rights of citizens
are protected, including the ombudsman and the use of tribunals
and inquiries, as well as looking forward to the increasingly
significant role of Caribbean Integration law and bodies such as
CARICOM and the OESC.
