 Provide a description about the book that does not include any references to package elements. This description will provide a description where the core, text-only product or an eBook is sold. Please remember to fill out the variations section on the PMI with the book only information.  
 FUENTES: CONVERSACIÓN Y GRAMÁTICA, Fifth Edition part of a two-volume intermediate Spanish program presenting an integrated skills approach to intermediate Spanish focuses on theme, and grammar and vocabulary presentations that are based on language functions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.  
**2 Mundos** Cambridge Scholars Publishing  
 This volume brings together a selection of papers in linguistics presented at the 13th edition of the Conference on British and American Studies. Structured into three chapters, the studies included here are illustrative for the different perspectives, methodologies, and research traditions in the

investigation of language-related phenomena. The first chapter, “Language Change and Cross-Linguistic Analysis”, is mainly concerned with the external and internal catalysts for language change, and with a number of morphosyntactic and semantic particularities of Romanian, set in contrast with other languages. Aspects related to first or second language learning and language as an instrument of thought form the content of the second chapter, “Language Acquisition, Teaching and Processing”. The focus of the final chapter, “Pragmatics, Translation, and the Negotiation of Meaning”, is language as an instrument of power and (self-)communication.  
**Outline of a semantic theory of Kernel sentences** Bloomsbury Publishing  
 Provides lesson dialogues, English translations, explanations of Spanish grammar, and a pronunciation guide with a two-way dictionary.  
*The Everything Essential Brazilian Portuguese Book* Simon and Schuster  
 The RUMBOS program, now in a new ENHANCED edition, provides robust support to help students ‘fill in the gaps’ that might be left from their first year of Spanish study, including review activities, indices of first year grammar and vocabulary, and student annotations. At the same time, RUMBOS carefully leads students to higher levels of communicative competence through the combination of functional and contextualized vocabulary presentations, targeted practice of more advanced and

often problematic grammatical structures, and process-oriented reading and writing sections with integrated skill-building strategies. RUMBOS prepares students for advanced language study by involving them in authentic literary readings and academic writing tasks and by weaving in communicative activities geared to oral presentations. The RUMBOS program also provides plentiful instructor support through its transparent and flexible chapter structure, teacher annotations, and ancillary materials. Instructors using RUMBOS will find crafting creative, stimulating, and fun lesson plans effortless. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.  
*Workbook* Scribner Book Company  
 Don't let them drop Spanish! A major growing concern in schools is the decline in the number of language students and the impact this could have on your department. Which is why we've developed ¡Asi! - the only course to captivate all your students and help keep Spanish alive in your school!  
 repaso y práctica Hodder Education  
 Manual de gramática Cengage Learning  
**Rumbos, Enhanced Edition** Cengage Learning

The Caminos Spanish course places emphasis on cultural awareness of Spain and Spanish-speaking countries, providing pupils with an informed insight into the lives and concerns of their peers overseas. The communicative approach of the series means that pupils are encouraged from the start to express themselves, their feelings and opinions in the target language, acquiring all the language skills they need for effective communication.

**curso teórico-práctico** Walter de Gruyter GmbH & Co KG

In Pura vida (Life is good) Spanish is more than vocabulary and grammar, just as Spanish-speaking cultures are more than products and practices. In this learner-centered introductory program, the authors' commitment to a methodology based on true-to-life experiences brings Spanish to life. Pura vida is the discovery of a Spanish-speaking world through the experiences of real people who share anecdotes and reflections on those experiences. Students relate to these people and make deeper, more meaningful connections between language and culture, and acquire Spanish with an unparalleled sense of personal engagement. In this 12-chapter introductory program, students don't only learn Spanish for real life, but also from real life. They discover that there is not just one homogeneous Hispanic culture, but rather that each Spanish-speaking country has its own rich, unique culture and that the people who live in these countries speak one common language with different accents, characteristics, and idiosyncrasies. The program offers truly seamless integration of cultural notions and language instruction and features 100% contextualized and personalized activities.

**Haydn's Universal Index of Biography from the Creation to the Present Time** Nelson Thornes

This perennial best-seller is written for Advanced Grammar and Composition or Advanced Composition and Conversation classes. Repase y escriba combines solid grammar coverage with contemporary readings from a variety of sources, including literature, magazines, and newspapers. Readings are preceded by a short passage introducing the author and the context and is followed by vocabulary, comprehension questions and conversation prompts. The Sección léxica teaches readers proverbs, idioms, and word families. There are also topics for creative compositions with guidelines. With updated literary and cultural readings, Repase y Escriba includes an "oral exchange," to make the text more useful when stressing conversation.

**¡Así! 1 Students' Book** Ultimate Beginner-Intermediate

Make Spanish grammar second nature with this trusted reference book containing over 300 activities - now completely revised in line with the new A-level specifications. - Supplement key resources in class or encourage independent practice at home, with clear explanations of the grammar points needed at A-level and knowledge-check exercises throughout - Prepare for assessment with longer application activities focused on developing writing skills such as translation and summary - Build confidence as exercises get increasingly more challenging to mirror students' advancement throughout the course - Check students' progress with regular grammar tests and all answers supplied online

**Gramática para la composición** Houghton Mifflin College Division

Despite their removal from England's National Curriculum in 1988, and claims of elitism, Latin and Greek are increasingly re-entering the 'mainstream' educational arena. Since 2012, there have been more students in state-maintained schools in England studying classical subjects than in independent schools, and the number of schools offering Classics continues to rise in the state-maintained sector. The teaching and learning of Latin and Greek is not, however, confined to the classroom: community-based learning for adults and children is facilitated in newly established

regional Classics hubs in evenings and at weekends, in universities as part of outreach, and even in parks and in prisons. This book investigates the motivations of teachers and learners behind the rise of Classics in the classroom and in communities, and explores ways in which knowledge of classical languages is considered valuable for diverse learners in the 21st century. The role of classical languages within the English educational policy landscape is examined, as new possibilities exist for introducing Latin and Greek into school curricula. The state of Classics education internationally is also investigated, with case studies presenting the status quo in policy and practice from Australasia, North America, the rest of Europe and worldwide. The priorities for the future of Classics education in these diverse locations are compared and contrasted by the editors, who conjecture what strategies are conducive to success.

**Una aproximación mediante la lingüística de corpus** Cengage Learning

Created for serious language learners, the ULTIMATE ADVANCED series teaches more sophisticated conversation and grammar. A special feature of the series is its coverage of business vocabulary and business etiquette.

**The Nassi/Levy Spanish Three Years** John Wiley & Sons

Drawing on the data and history from a wide range of languages, from Atayal to Zapotec, this volume brings together leading scholars in the field of tense and aspect research resulting in 18 contributions on the perfect and some of its close relatives (e.g. iamitives). Different approaches complement each other to shed light on the source, emergence, grammaticalization, and the typological extension of perfect constructions cross-linguistically. One focal point is the so-called aoristic drift, where the perfect comes to resemble the simple past or aorist (often via the hodiernal 'today' reading). The semantics and pragmatics of perfects are also investigated through their interaction with other categories (e.g. negation, mood). Over time some perfects undergo auxiliary doubling or omission, or the auxiliary becomes subject to selection. These facts also receive special attention in this book, presenting new insights on perfects in both well-studied as well as very understudied languages.

**Nueva gramática inglesa** John Benjamins Publishing Company

With its flexibility, simplicity, and range, MANUAL DE GRAMÁTICA EN ESPAÑOL, Second Edition, is an accessible grammar reference for students of Spanish. It combines clear, easy-to-use charts with detailed grammar explanations in Spanish supported by plentiful examples and real-world applications. By choosing the online format through the iLrn: Heinle Learning Center, students can review mini-lessons on grammar, pronunciation, and vocabulary to study and supplement in-class lessons. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
