The New Oxford American Dictionary Oxford University Press, USA

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give

lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

The Oxford Picture Dictionary for Kids Oxford University Press, USA

Vibrant, realistic illustrations and unparalleled teaching support make the Oxford Picture Dictionary Program what every classroom needs to build students' vocabulary, reading, and critical thinking skills. Help your students picture their journey to success with the Oxford Picture Dictionary Third Edition - now enhanced with new topics to prepare learners for work, academic study, and citizenship.* Increase vocabulary retention with over 4,000 words, 421 verbs and practice activities - available as an American English dictionary or in 5 bilingual editions (Arabic, Chinese, French, Spanish and Vietnamese).* Prepare students to meet the requirements of their daily lives with

updated content including Job Search, Career Planning and Digital Literacy.* Access everything you need for a successful classroom from the online Teacher Resource Center - giving you more time to focus on teaching!

The Oxford Picture Dictionary for the Content Areas, Canadian Edition is a theme-based dictionary for second language learners and literacy students. It is divided by school content areas (curriculum based). It presents the essential words in topics that students are studying in their core class and makes these new concepts accessible through full-colour, contextualized illustrations. The accompanying reproducible activity book, corresponding with the topics in the student book, provides opportunities to deepen understanding of the topics through readings and activities.

Accelerate your student's academic language development with the second edition of the Oxford Picture Dictionary for the Content Areas program. This program: Uses direct, explicit vocabulary instruction, which improves learning outcomes for ELLs and struggling learners. Helps English learners and struggling learners acquire new content area vocabulary and build word knowledge from incremental, repeated and varied exposures to words. Has an instructional routine that uses the research-based Gradual Release of Responsibility, Productive Partnering and other models as an effective way of increasing language acquisition. Is standards based and aligned to the Common Core State Standards and other leading research on what works most effectively. Uses scaffolded and differentiated instruction to improve vocabulary acquisition for English language learners.

The Oxford Picture Dictionary Canadian Workbooks are accompaniments to the OPD that allow it to be more easily used in the classroom as a core text. They correlate to the dictionary page-for-page with vocabulary reinforcing exercises at each of the three available levels. Each book comes with a listening section at the back of the book and access to online audio. The workbooks can also be used for self study.
