Ben & Jerry: Ice Cream Manufacturers
Spruce

A biography of the entrepreneurial, activist duo behind Ben & Jerry's Ice Cream, and their rocky road to success

Chunky Monkey. Cherry Garcia. Truffle Kerfuffle. Legendary ice cream makers Ben & Jerry are behind some of the wackiest, tastiest flavors we know and love. It all began when two groovy guys, Ben Cohen and Jerry Greenfield, met when they were twelve years old. Ben liked art, Jerry liked science, and they both loved food . . . especially ice cream!

They started a business together, and with no idea how to actually make ice cream, they made it happen with teamwork, determination, and an appetite for fun and experimentation. When the doors of Ben & Jerry's Homemade ice cream shop finally opened, crowds flocked. But the pair would still have a rocky road ahead—and ambitious, activist goals to fulfill. Chock-full of facts and humor, this entertaining biography about two hardworking partners living their Americone Dream gives readers plenty to chew on. Through their inventiveness, passion, and activism, Ben & Jerry dreamed of making the world a better, more delicious place—one scoop at a time. [The Ultimate Ice Cream Book](#) Hachette UK

The Ultimate Ice Cream Book contains enough recipes to fill your summer days with delicious frozen desserts -- but after acquainting yourself with this book's hundreds of tempting concoctions, you'll want to use it every day of the year. With over 500 recipes, author Bruce Weinstein has put together the most comprehensive cookbook of its kind, covering just about every conceivable flavor of ice cream, sorbet, and granita; dozens of different recipes for shakes, malts, and other cold drinks; how to make your own ice cream cones; and toppings galore. If you ever worried that you might not get full use out of your ice-cream maker, cast your doubts aside. Ice cream recipes feature such unusual flavors as lavender, chestnut, rhubarb, and Earl Grey tea. Even

Weinstein's vanilla ice cream is anything but plain, with variations like Vanilla Crunch, Vanilla Rose, and Vanilla Cracker Jack. There is also a plethora of light, refreshing recipes for sorbets and granitas, with flavors like Apple Chardonnay, Coconut, and Kiwi. Top everything off with the author's recipes for homemade sauces. Whether it's a special event or a midnight snack, *The Ultimate Ice Cream Book* has what you need to make any occasion a little sweeter.

56 Amazing Flavors plus Recipes for Pies, Cakes & Other Frozen Desserts Ben & Jerry's Homemade Ice Cream & Dessert Book

"For more than three decades, Ben & Jerry's has been committed to an insanely ambitious three-part mission:

not just making the world's best ice cream but also supporting progressive causes and sharing its success with all stakeholders--employees, suppliers, distributors, customers, cows, everybody. Living up to these beliefs is fun when you're doing it right, and it creates amazingly loyal customers, but it isn't easy. This is the first book to tell the full, inside story of the inspiring rise, tragic mistakes, devastating fall, determined recovery, and ongoing renewal of one of the most iconic mission-driven companies in the world. No previous book has focused so intently on the challenges presented by staying true to the mission as the business grew. No other book has explained how the company came to be sold to Unilever, one of the world's biggest corporations.

And none has described the unprecedented contract Ben & Jerry's negotiated with Unilever to preserve the three-part mission or the complex working relationship that has allowed the company to pursue that mission on a much larger stage. Brad Edmondson tells the story with a journalist's eye for details, dramatic moments, and memorable characters. Among the dozens of key figures Edmondson interviewed, his most important source was Jeff Furman, who helped Ben and Jerry write their first business plan in 1978 and has stayed involved ever since, serving as chairman of the board since 2010. It's a funny, sad, surprising, and ultimately hopeful story."--

Over 500 Ice Creams, Sorbets,

Granitas, Macmillan

Salt & Straw is the brainchild of two cousins, Tyler and Kim Malek, who stumbled into ice cream making. But that stumbling is what made them great. With barely an idea of how to make ice cream, they turned to their friends for advice- chefs, chocolatiers, brewers, and food experts of all kinds, and what came out is an ice cream company that sees new flavors and inspiration everywhere they look. Using a super-simple ice cream base you can make in about the time it takes you to decide on a scoop in their shop, here are dozens of their most beloved, innovative, (and a couple of their most controversial) flavors, like Sea Salt with Caramel Ribbons, Roasted Strawberry and Toasted White Chocolate, Roasted Parsnip and Banana,

Buttered Mashed Potatoes and Gravy, and Olde People. But more importantly, this book reveals what they've learned, how to tap your own creativity and how to invent flavors of your own, based on whatever you see around you. Because ice cream isn't just be a thing you eat, it's a way to live.

Salt and Straw Ice Cream Cookbook

BenBella Books

"Ever fantasize about a one-stop ice-cream shop that has all your favorite flavors and then some? If so, Robin Donovan's Homemade Ice Cream Recipe Book is your dream come true. Time-tested flavors such as Cookies and Cream, Classic Vanilla, Chocolate Fudge Brownie, and Red Velvet abound in these easy-to-follow recipes. All recipes are based on one classic base. From there,

the sky's the limit!" --Marcy Goldman, chef, author of A Passion for Baking, and host of www.BetterBaking.com There are few things more enjoyable than the creamy comfort of rich, old-fashioned ice cream. But with the recent boom in exotic flavors, non-dairy options, and Italian-style gelatos, sometimes you just want an ice cream recipe book that helps you make classic, custard-style ice cream right at home. Recipe developer, bestselling cookbook author, and lifelong ice cream lover Robin Donovan grew up craving her favorite frozen treat. Many sweltering summer afternoons were spent cranking an old-fashioned ice- and salt-filled ice cream maker to churn the kind of cold, fresh, velvety ice cream that childhood memories are made of. In her first ever ice cream recipe book,

Robin offers everything you need to make your own memories with deliciously sweet and perfectly smooth ice cream. The *Homemade Ice Cream Recipe Book* is your all-in-one ice cream companion for classic, feel-good ice cream flavors with natural, wholesome ingredients using your very own home ice cream maker. *Flavors, Flavors, Flavors!* From rocky road to butter pecan, from mint chip to peach... the flavors in this ice cream recipe book are the most popular all-American favorites that everyone in your family is sure to love. Churn like a Pro Handy tips and techniques will help you get the most out of your beloved ice cream maker. *Go Beyond the Cream* This ice cream recipe book includes recipes for making cones, cakes, cookies, sauces, and more. *Top It*

Off Creative ideas for tasty mix-and-match toppings let you create your own signature scoop that go hand-in-hand with these ice cream recipe book favorites. Ice cream holds a special place in everyone's heart. And with *The Homemade Ice Cream Recipe Book* it will hold a special place in your family's kitchen as well.

In this book, we have hand-picked the

most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Ben & Jerry's Homemade Ice Cream & Dessert Book." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

How to Run a Values Led Business and Make Money Too Lennex

"Deftly and compassionately captures [Ben's] genius in all its entrepreneurial splendor...This tale will keep you entertained."--New York Times Book

Review. A former CEO of Ben & Jerry's tells how two '60s holdovers built a single ice cream store into one of America's hottest companies. From modest beginnings--opening their first ice cream shop in a renovated gas station--to entrepreneurial challenges, including their clash with Häagen-Dazs, to becoming a multimillion dollar company, Lager provides an insightful insider's account of Ben & Jerry's ice cream empire.

Yummy Ice-cream Currency

Commercial success need not come at the cost of human value. Just ask Ben and Jerry, whose first ice cream shop in an abandoned Vermont gas station grew into a \$160 million business. Yet Ben & Jerry continue to use the power of business to change the world. With its

seemingly wacky antics, controversial social and political stands, and iconoclastic corporate policies, the company that's come to embody socially responsible business has drawn the scepticism of business analysts, the criticism of media cynics - and the amazement- and ultimately, the respect- of the business world and the people in it. As Ben and Jerry explain in *DOUBLE-DIP*, they haven't always known exactly what they were doing, but they've always known why they were doing it. There's a method to their madness; that method is what they call 'values-led business.' *BEN & JERRY'S DOUBLE-DIP* explains what values-led business is, why it's the best model for business today, and how anyone who owns, works for, invests in, or shops with a company

can help make it a socially responsible business.
