The Children's Friend Crossway Books

Here are thirteen Bible stories of prominent biblical characters from the Old Testament with color pictures added which God gave to inspire your life's story. Relive with me a scene from early history. We are in the Garden of Eden. It is the sixth day of creation, and God has just finished making a man out of dust. God leans down and lifts the man's head and breathes into his nostrils the breath of life, and he becomes alive. God calls him Adam. Genesis 2:7. Imagine another scene. There is Moses, David and Samuel and other O. T. authors. They are each sitting at their own desk with clean parchment laid out before them. They pick up their pens and begin to write. They are inspired and write the

stories of people. God wants you to know those people so God stoops down and lifts those parchments, breaths on those stories and they become alive just like Adam became alive when God breathed on him. 2 Timothy 3:16 says that all Scripture is God breathed. It is living and active and sharper than any double-edged sword. It is my hope and prayer that God will breath on these stories taken from Holy Scriptures and make them alive and give added meaning to your life's story. I love stories, and the Bible contains many interesting stories. They are true to life and are given to teach us about our lives. They contain the good, the bad and the ugly, failures, victories, faith, unbelief and their results. These thirteen stories are true to the Scriptures. Color pictures and

background information have been added from other stories and Scriptures to set them in context and make them life giving to people who live in the twenty first century. Some biblical references are added so you can check them out in your Bible. They are in biblical order.
