For two centuries, the Presbyterian Church (U.S.A.) Foundation has been at work serving the church and undergirding its mission. In this authoritative and carefully researched history, R. Douglas Brackenridge unfolds the story of how the Foundation developed its unique role in the Presbyterian Church (U.S.A.). To commemorate the fiftieth anniversary of the restoration of the diaconate as a permanent and stable order of ministry in the United States, the Center for Applied Research in the Apostolate (CARA) at Georgetown University undertook a contemporary study of the diaconate in the United States. Building on studies completed in 1981 and 1995 as well as annual research that CARA has conducted for the USCCB since 2005, CARA designed a comprehensive study of deacons, their wives, diaconate directors, and bishops to explore all aspects of this ministry. This book explores trends in the diaconate as well as current and emerging opportunities and challenges in the ministry. Deacons and their wives, diaconate directors, and bishops share insights about how those trends impact diaconal ministry today and into the future.

In this unique devotional George R. Knight reintroduces us to our spiritual ancestors. They weren't perfect. They weren't all easy to get along with. But they shared one common goal: telling others about the soon-coming Savior. But as in any family, it's all too easy to forget where we've come from; to forget the struggles endured by those who have gone before us; to take for granted the inheritance they left to us. Sometimes we need a gentle reminder of the true value of their legacy. In shaping the future of Adventism, these intrepid pioneers molded not only our history, but our present. And as we reflect upon our past, perhaps we should also contemplate the future to which we are each contributors.

Accounting for churches is not the same as accounting for businesses. A church bookkeeper must be aware of the special tax codes that govern the church's unique tax standing. But it is often hard for overworked or volunteer administrators to know every aspect of tax code that affects their church's ability to accept donations, oversee a benevolence fund, and offer a compensation package for their minister. Lisa London, *The Accountant Beside You* who brought you *QuickBooks for Churches & QuickBooks for Nonprofits*, explains the specialized needs of church accounting in an easy-to-understand manner for church administrators and volunteers. A CPA with decades of experience working with businesses as well as churches and other nonprofits, Lisa explains complex concepts in a reader-friendly, engaging manner. Church Benevolence A Practical Guide to Walking with Low-Income People

While many of us naturally wish to avoid the reality of the cross, it's from the cross that Jesus speaks and shows his deepest love for us. It's from the cross that Jesus' full humanity draws us closest to him. It's from the cross, as Jesus breathes his last breath and speaks his last words, that his deep trust in the Father and his divine glory are revealed. Those who listen to Jesus' last words from the cross will discover what he most wants them (the world) to hear and will experience an intimate and divine awe only available to those who are willing to draw near his cross. In *Seven Words*, Susan Robb looks at the seven last words of Christ on the cross through a lens that finds life and hope in his final sayings, while exploring each from a biblical and historical perspective. The book brings a hopeful and contemplative take on the cross during the weeks of Lent. Additional components for a six-week study include a DVD featuring Susan Robb and a comprehensive Leader Guide.
