From today's vantage point it can be denied that the confidence in the abilities of globalism, mobility, and cosmopolitanism to illuminate cultural signification processes of our time has been severely shaken. In the face of this crisis, a key concept of this globalizing optimism as World Literature has been for the past twenty years necessarily is in the need of a comprehensive revision. World Literature, Cosmopolitanism, Globality: Beyond, Against, Post, Otherwise offers a wide range of contributions approaching the blind spots of the globally oriented Humanities for phenomena that in one way or another have gone beyond the discourses, aesthetics, and political positions of liberal cosmopolitanism and neoliberal globalization. Departing basically (but not exclusively) from different examples of Latin American literatures and cultures in globalized contexts, this volume provides innovative insights into critical readings of World Literature and its related conceptualizations. A timely book that embraces highly innovative perspectives, it will be a mustread for all scholars involved in the field of the global dimensions of literature.

María, una madre para Jesús Cengage Learning

Imaginary friend Budo narrates this heartwarming story of love, loyalty, and the power of the imagination—the perfect read for anyone who has ever had a friend . . . real or otherwise Budo is lucky as imaginary friends go. He's been alive for more than five years, which is positively ancient in the world of imaginary friends. But Budo feels his age, and thinks constantly of the day when eight-year-old Max Delaney will stop believing in him. When that happens, Budo will disappear. Max is different from other children. Some people say that he has Asperger's Syndrome, but most just say he's "on the spectrum." None of this matters to Budo, who loves Max and is charged with protecting him from the class bully, from awkward situations in the cafeteria, and even in the bathroom stalls. But he can't protect Max from Mrs. Patterson, the woman who works with Max in the Learning Center and who believes that she alone is qualified to care for this young boy. When Mrs. Patterson does the unthinkable and kidnaps Max, it is up to Budo and a team of imaginary friends to save him—and Budo must ultimately decide which is more important: Max's happiness or Budo's very existence. Narrated by Budo, a character with a unique ability to have a foot in many worlds—imaginary, real, child, and adult— *Memoirs of an Imaginary Friend* touches on the truths of life, love, and friendship as it races to a heartwarming . . . and heartbreaking conclusion.

The RUMBOS program, now in a new ENHANCED edition, provides robust support to help students 'fill in the gaps' that might be left from their first year of Spanish study, including review activities, indices of first year grammar and vocabulary, and student annotations. At the same time, RUMBOS carefully leads students to higher levels of communicative competence through the combination of functional and contextualized vocabulary presentations, targeted practice of more advanced and often problematic grammatical structures, and process-oriented reading and writing sections with integrated skill-building strategies. RUMBOS prepares students for advanced language study by involving them in authentic literary readings and academic writing tasks and by weaving in communicative activities geared to oral presentations. The RUMBOS program also provides plentiful instructor support through its transparent and flexible chapter structure, teacher annotations, and ancillary materials. Instructors using RUMBOS will find crafting creative, stimulating, and fun lesson plans effortless. Atados A Una Estrella / Tied to a Star

En la serie Capeones de la vida, Pablo Owen hace cobrar vida algunas figuras históricas de las Escrituras. Estos personajes nos cuentan sus propias historias y nos permiten verles en su contexto cultural e histórico. En este volumen, una joven María nos cuenta de su niñez, su familia y su vida hasta la encarnación de Jesús, su hijo. Esto ayuda al lector a encontrar en ella una admirable heroína de la vida real. In the Champions of Life series, Paul Owen brings to life historical figures from Scriptures. These characters tell us their own stories and help us see them in their historical and cultural context. In this volume, young Mary tells us of her childhood, family and life leading up to the incarnation of Jesus, her son and helps the reader find in her, a real life hero we can look to.

Diccionario castellano con las voces de ciencias y artes y sus correspondientes en las tres lenguas francesa, latina é italiana: A-D

Junio de 1922. El ministro de Asuntos Exteriores de Alemania es asesinado a tiros delante de un instituto, a plena luz del día, por partidarios de la extrema derecha. Uno de los alumnos que oyen el tiroteo es Dietrich Bonhoeffer, un brillante joven que tendrá que hacer frente, ya desde su etapa de estudiante de teología, a las secuelas de la Gran Guerra, a las penalidades del inminente conflicto en el mundo, y a los problemas que surgirán por su denuncia de los abusos del Tercer Reich y del abandono general de la Iglesia hacia los más perseguidos, él mismo entre ellos. Problemas como la censura de sus publicaciones y sus discursos, que le empujarán a colaborar con el grupo de resistencia militar liderado por el almirante Canaris, y también en la llamada Operación Walkyria. Cuentan con sus contactos ecuménicos para preparar el atentado contra Hitler que podría poner fin a la guerra. Pero un día, Bonhoeffer es acusado de atentar contra Hitler y es encarcelado y juzgado. Vivirá así los bombardeos ingleses sobre Berlín, la vida en prisión, los interrogatorios y complejos conflictos espirituales, en una historia sobre la muerte, el amor, la soledad, la fe; una novela biográfica que nos lleva de Berlín a Roma, de Tubinga a Nueva York, de Barcelona a Múnich; una reflexión profunda sobre un mundo perdido hace mucho tiempo, descrito aquí con precisión quirúrgica, pero un mundo donde aún hay sitio para la esperanza, a pesar de los acontecimientos.

George Orwell's Nineteen Eighty-Four is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.
