Angels in America
paved a new way for
American theatre in its
combination of
heightened
theatricality and
politics. Tony Kushner
has emerged as one of
the American theatre's
leading playwrights
and productions
worldwide have meant
that the play has been
recognized as the most
important American
play in decades. With

the scope of the characters' sexual, class and religious affiliations in the play, *Angels in America* offers a unique possibility to discuss the construction of American identity in the late 1980s and 1990s. This guide provides a comprehensive critical introduction to the play, giving students an overview of the background and context; detailed analysis of the play including its structure, style and characters; analysis of key production issues and choices; an overview of the performance history from the first performances of *Millennium Approaches* and *Perestroika* to recent productions and the 2003 HBO adaptation; and an

annotated guide to further reading highlighting key critical approaches.

Angels in America

University of Michigan Press

In this "raucous, moving, and necessary" (San Francisco Chronicle) story by a Pulitzer Prize finalist, the De La Cruzes, a family on the Mexican-American border, celebrate two of their most beloved relatives during a joyous and bittersweet weekend. National Bestseller and National Book Critics Circle Award finalist A New York Times Notable Book / One of the Best Books of the Year from National Public Radio, American Library Association, San Francisco Chronicle, BookPage, Newsday, BuzzFeed, Kirkus

Reviews, St. Louis Post-Dispatch, Literary Hub "All we do, mija, is love. Love is the answer. Nothing stops it. Not borders. Not death." In his final days, beloved and ailing patriarch Miguel Angel de La Cruz, affectionately called Big Angel, has summoned his entire clan for one last legendary birthday party. But as the party approaches, his mother, nearly one hundred, dies, transforming the weekend into a farewell doubleheader. Among the guests is Big Angel's half brother, known as Little Angel, who must reckon with the truth that although he shares a father with his siblings, he has not, as a half gringo, shared a life. Across two

bittersweet days in their San Diego neighborhood, the revelers mingle among the palm trees and cacti, celebrating the lives of Big Angel and his mother, and recounting the many inspiring tales that have passed into family lore, the acts both ordinary and heroic that brought these citizens to a fraught and sublime country and allowed them to flourish in the land they have come to call home. Teeming with brilliance and humor, authentic at every turn, *The House of Broken Angels* is Luis Alberto Urrea at his best, and cements his reputation as a storyteller of the first rank. "Epic . . . Rambunctious . . . Highly entertaining." -- New York Times Book

Review "A raucous, moving, and necessary book . . . Intimate and touching . . . the stuff of legend." --San Francisco Chronicle "An immensely charming and moving tale." -- Boston Globe

the NBCC Award for
Poetry offers up a

spirited collection of short lyric essays, written daily over a tumultuous year, reminding us of the purpose and pleasure of praising, extolling, and celebrating ordinary wonders. Ross Gay's *The Book of Delights* is a genre-defying book of essays—some as short as a paragraph; some as long as five pages—that record the small joys that occurred in one year, from birthday to birthday, and that we often overlook in our busy lives. His is a meditation on delight that takes a clear-eyed view of the complexities, even the terrors, in his life, including living in America as a black man; the ecological and psychic violence of our consumer culture;

the loss of those he loves. Among Gay's funny, poetic, philosophical delights: the way Botan Rice Candy wrappers melt in your mouth, the volunteer crossing guard with a pronounced tremor whom he imagines as a kind of boat-woman escorting pedestrians across the River Styx, a friend's unabashed use of air quotes, pickup basketball games, the silent nod of acknowledgment between black people. And more than any other subject, Gay celebrates the beauty of the natural world—his garden, the flowers in the sidewalk, the birds, the bees, the mushrooms, the trees. This is not a book of how-to or inspiration, though it could be read that way. Fans of

Roxane Gay, Maggie Nelson, and Kiese Laymon will revel in Gay's voice, and his insights. The Book of Delights is about our connection to the world, to each other, and the rewards that come from a life closely observed. Gay's pieces serve as a powerful and necessary reminder that we can, and should, stake out a space in our lives for delight.

An enchanting argument for the power of theatrical imagination over reality, The Illusion weaves obsession and caprice, romance and murder, fact and

fiction, into an enticing exploration of the greatest illusion of all - love.

Essays Turtleback
When Tony Kushner's *Angels in America* hit Broadway in 1993, it won the Pulitzer Prize, swept the Tonys, and changed the way gay lives were represented in popular culture. Mike Nichols's 2003 HBO adaptation starring Meryl Streep, Al Pacino, and Mary-Louise Parker was itself a tour de force, introducing the play to an even wider public. *The World Only Spins Forward* offers a riveting account of *Angels in America* through oral history: the vibrant conversation and debate of actors (including Streep, Parker, Nathan Lane, and Jeffrey Wright),

directors, producers, crew, and Kushner himself. Their intimate storytelling reveals the on- and offstage turmoil of the play's birth, while historians and critics situate the play in the arc of American culture, from the staunch activism of the AIDS crisis through civil rights triumphs to our current era. Now updated with new interviews from backstage at the history-making Broadway revival that marked the play's twenty-fifth anniversary, *The World Only Spins Forward* is both a rollicking theatre saga and an uplifting testament to one of the great works of American art of the past century.

dazzling! The most
ambitious American
play of our time: an
epic that ranges from
earth to heaven;
focuses on politics, sex
and religion; transports
us to Washington, the

Kremlin, the South Bronx, Salt Lake City and Antarctica; deals with Jews, Mormons, WASPs, blacks; switches between realism and fantasy, from the tragedy of AIDS to the camp comedy of drag queens to the death or at least absconding of God." Jack Kroll, Newsweek "The greatest American play of the waning years of the twentieth century." Chris Jones, Chicago Tribune

Angels in America: A Gay Fantasia on National Themes

"Marvelous . . . A vital book about how to make political art that offers lasting solace in times of great trouble, and wisdom to audiences in the years that follow."- Washington Post
NAMED ONE OF THE

BEST BOOKS OF THE YEAR BY NPR A STONEWALL BOOK AWARDS HONOR BOOK
The oral history of Angels in America, as told by the artists who created it and the audiences forever changed by it--a moving account of the AIDS era, essential queer history, and an exuberant backstage tale. When Tony Kushner's Angels in America hit Broadway in 1993, it won the Pulitzer Prize, swept the Tonys, launched a score of major careers, and changed the way gay lives were represented in popular culture. Mike Nichols's 2003 HBO adaptation starring Meryl Streep, Al Pacino, and Mary-Louise Parker was itself a tour de force, winning Golden Globes and eleven Emmys,

and introducing the play to an even wider public. This generation-defining classic continues to shock, move, and inspire viewers worldwide. Now, on the 25th anniversary of that Broadway premiere, Isaac Butler and Dan Kois offer the definitive account of *Angels in America* in the most fitting way possible: through oral history, the vibrant conversation and debate of actors (including Streep, Parker, Nathan Lane, and Jeffrey Wright), directors, producers, crew, and Kushner himself. Their intimate storytelling reveals the on- and offstage turmoil of the play's birth--a hard-won miracle beset by

artistic roadblocks, technical disasters, and disputes both legal and creative. And historians and critics help to situate the play in the arc of American culture, from the staunch activism of the AIDS crisis through civil rights triumphs to our current era, whose politics are a dark echo of the Reagan '80s. Expanded from a popular *Slate* cover story and built from nearly 250 interviews, *The World Only Spins Forward* is both a rollicking theater saga and an uplifting testament to one of the great works of American art of the past century, from its gritty San Francisco premiere to its starry, much-anticipated Broadway revival in 2018.
