Are you struggling to grow your online presence? Unsure of how best to use social media to help grow your business? Get your questions answered now and discover how to become a top Social Media Influencer with effective personal branding strategies. It's 2020, and there's never been a better time than

now to build a personal brand with social media marketing. And your social media marketing strategy would not be complete without two powerful tools, Facebook, and Instagram. Hootsuite reported that 90% of brands use social media to scale up their brand awareness. A Social Media Examiner confirmed that 85% of business owners were unsure of how to use these tools. The main problem highlighted is that there is too much information out there, which makes it challenging to figure out

which strategies work and how to effectively use them to improve the strength of a brand. If you are looking for the best way to master how to improve and grow your Social Media Marketing skills and substantially increase brand awareness, then this book collection is all you need! Even if you haven't had much success on social media and have a small following, you can apply the techniques and step by step guides detailed in this box set for you to instantly create the momentum and progression you've always wanted. If you find yourself answering YES to the following questions, don't hesitate to buy this book collection now. Would you like to fully understand your audience and niche, and learn how to create quality content for the abundance of potential

followers? Ever wondered why some posts do well and others don't? Want to know how to use stories to boost engagement through the roof? Are you struggling to figure out the most effective way to set up your account? Do you want to learn the vital social media practices and how they can upgrade your social media game? Want to discover 7 TIPS that will turn your Facebook advertisements from loss-making into cash-cows? Are you unsure of how to successfully set up your first Facebook advertising campaign? This book set will show you a fool-proof step-by-step guide on how to achieve this. Would you like to learn the single best way to optimize your Facebook advertisements and quadruple the return on your advertising spend? Do

you want to know how to leverage the GENIUS Facebook algorithm, so it shows your advertisements to the people that are most likely to buy your products or services? Ever wondered how to find a laser-targeted audience for your business that will keep clicking your ads and do what you want them to do? Would you like to know what Facebook Pixel is and how you can set it up, so it fully uses the power of the Facebook algorithm? This book set will give you a step-by-step guide on how to do it. Pyjama Profit is a guide for millennials to get started with a self-sustained online freelance practice, while developing their skills needed to succeed. The book talks about in-demand online skills and the different paths one can take to become an expert in these fields. A stable income from freelancing in college was the bedrock that had allowed the authors to explore their ambitions further and get to where they are today. In the process, they've worked with many of their own batch mates, colleagues and friends to help them set up highly successful freelance careers. The author duo decided to detail their story of what worked for them and how anyone in the country could thrive without being tied down to a full-time job. The authors feel the timing of the

book is perfect because of the growing freelance economy and growing aspirations among millennials to find a job they love and not just something that pays their bills.
