Paul Vitta
Introduction to
Presocratics
presents a
succinct
introduction to
Greek thinkers

of the 6th and
5th century
BCE and a
thematic
exploration of
the topics and
enquiries
opened by

these first philosophers and scientists of the Western tradition.

Offers a concise, thematically organized introduction to the Presocratics. Includes a previously unpublished translation of the main fragments of the

Presocratics by Classics scholar

Rosemary Wright. Covers key figures including

Thales, Anaximander and Anaximenes of Miletus, Xenophanes,

Heraclitus, Pythagoras, Parmenides and Zeno of Elea, Empedocles, Anaxagoras and Democritus. Supplemented with helpful features including a timeline, map of the ancient world, glossary of terms, and index of proper names.

Baker Books. Brecht projects an ancient Chinese story onto a realistic setting in Soviet

Georgia. In a theme that echoes the Judgment of Solomon, two women argue over the possession of a child.

Thanks to the unruly judge, Azdak (one of Brecht's most vivid creations) natural justice is done and the peasant Grusha keeps the child she loves, even though she is not its mother.

Written while Brecht was in exile in the United States during the Second World War, *The Caucasian Chalk Circle* is

a politically charged, much-revived and complex example of Brecht's epic theatre. This new Student Edition contains introductory commentary and notes by Kristopher Imbriggota from the University of Puget Sound, US, offering a much-needed contemporary perspective on the play. The introduction covers: - narrative structure: play about a play within a play ("circle") - songs and music - justice

and social systems - context: Brecht, exile, WWII, socialism - notions of collective and class - fable and story adaptation, folk fairy tale **Aminata** Harlequin 2017 Reprint of 1961 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition software. This book reveals a mental magic that assures success, absolutely guarantees increased achievement,

whether your profession is the arts or business, in science or sales, in sports, war or politics. Here you will learn the secret way in which your mind is tied to the source of all power; you will learn how you are capable of becoming anything and doing anything you can visualize.

Japanese Netsuke and

Their LegendsTuttle Publishing *The Moccasin Maker* Springer In Fables in Ivory, delightful Japanese legends are accompanied With dozens of color photographs and extensive historical background. To introduce netsuke sculptures to a wider audience and, at the same time, to tell some of the legends that inspired their creators, Adrienne Barbanson presents here

a collection of superb photographs accompanied by a narrative text designed to enhance the reader's appreciation of this remarkable by relatively unfamiliar art. Betrayal of Public Trust East African Publishers Presenting practical methods that can help readers create happiness and unconditional love in their lives, this text can be used in everyday life to engender feelings of peace and security

despite all the surrounding condition. *A Play* Longhorn Kenya Leading Pauline-studies expert Thomas Schreiner provides an updated guide to the exegesis of the New Testament epistles traditionally assigned to Paul. The first edition helped thousands of students dig deeper into studying the New Testament epistles. This new edition is revised throughout to

account for changes in the field and to incorporate the author's maturing judgments. The book helps readers understand the nature of first-century letters, do textual criticism, investigate historical and introductory issues, probe theological context, and much more. Joyful Mending BoD - Books on Demand The world over, integrity quotient in those bestowed with the responsibility

to lead others is on a free fall. History is replete with many leaders betraying the trust bestowed upon them by their citizenry. Many a time, most people have found themselves flouting oaths of office even when they pledged to abide by certain ethical practices, the constitution, other laws, rules and regulations. Those who belong to diverse religious faiths have faltered too even though they

have sworn not to do certain things in life. There are those who even fail to remember their marriage vows and have turned out to be very untrustworthy. The author - Prof. Jacob. T. Kaimenyi intends to appeal to those who wantonly destroy public trust with minimal regard to its negative consequences. The book is also meant to prick the conscience of all those people who have taken

different oaths and have sworn to abide by certain rules and regulations, that they should do so without wavering at any time. It a must read for all leaders at the family, communal, national and international levels.

 Adelaide Binchley is probably the only fortysomethin g housewife and junior college

dropout ever to be nominated for the Nobel Prize in Physics, and she's certainly the only one whose career was launched by a bedpan. When Addie meets Physics professor Jakob Pankowicz, she discovers that having just one person see a greater potential in her, and believe in her even when she doesn't believe in herself, is all she needs to escape her self-imposed limits. In this

hilarious and touching novel, as she navigates the rough territory created by her teenage-feminist daughter, borderline delinquent son, philandering husband, and the friends in her embroidery circle, Addie finds when one person selflessly reaches out to another, that gesture has the power to change the world.
A Novel by April L. Hamilton East African Publishers

Harlem is one of the most famous neighborhoods in the world—a historic symbol of both black cultural achievement and of the rigid boundaries separating the rich from the poor. But as this book shows us, Harlem is far more culturally and economically diverse than its caricature suggests: through extensive fieldwork and interviews, John L. Jackson

reveals a variety of social networks and class stratifications, and explores how African Americans interpret and perform different class identities in their everyday behavior.

Get it Done Right, Get it Done Fast

Fables in Ivory Japanese Netsuke and Their Legends Joyful Mending shows you how to fix old items of clothing, linens and household objects by turning tears and flaws into

beautiful features. Simply by applying a few easy sewing, darning, felting, or crocheting techniques, as well as some sashiko and other favorite embroidery stitches, you can repair your favorite pieces in a transformative way. These techniques don't just save you money, but make your life more joyful, fulfilling and sustainable in an age of disposable "fast fashion." Author Noriko Misumi

teaches you her philosophy of mending and reusing items based on the age-old Japanese concepts of mindfulness and Wabi Sabi (an appreciation of old and imperfect things). In her book, she shows you how to: Repair any kind of fabric that is torn, ripped or stained—whether knitted or woven Work with damaged flat or curved surfaces to make them aesthetically pleasing again Create repairs that blend in,

as well as bold or whimsical visible repairs Darn your handmade or expensive gloves, sweaters and socks to make them look great again The joy to be found in working with your hands and the personal artistry you discover within yourself lie at the heart of this book. While nothing lasts forever, there's pleasure, as well as purpose, in appreciating age and imperfection. Joyful Mending

allows you to surround yourself with the things that truly give you joy, whether they were given to you by a loved one, picked up in your travels or simply have a special place in your heart. In 1995, this

novel won both the Jomo Kenyatta Literature Prize, and the Commonwealth Writers Prize Best First Book in the Africa Region. Now reprinted, it remains in great demand. An epic story spanning cultures, it tells the lives of three generations of women. It traces the story of Akoko in her rich traditional Luo setting, through to the children who live and die in the 20th century. Fables in Ivory Hachette UK

Blossoms of the Savannah is the story of two sisters, Taiyo and Resian, who are on the verge of womanhood and torn between their personal ambitions and the humiliating duty to the Nasila tradition. Relocation to their rural home heralds a cultural alienation born of their refusal to succumb to female genital mutilation and early marriages. In pursuit of the delicate and

elusive socio-economic cultural balance in Nasila, Ole. Kaelo, the girls' father is ensnared by a corrupt extortionist. To extricate himself he sends his daughters into a flat-spin labyrinth from which they have to struggle to escape. *A Thematic Approach to Early Greek Philosophy with Key Readings* Algonquin Books Sugar, a little boy growing up in the 1950s,
