The Drama of South Africa comprehensively chronicles the development of dramatic writing and performance from 1910, when the country came into official existence, to the advent of post-apartheid. Eminent theatre historian Loren Kruger discusses well-known figures, as well as lesser-known performers and directors who have enriched the theatre of South Africa. She also highlights the contribution of women and other minorities,

concluding with a discussion of the post-apartheid character of South Africa at the end of the twentieth century.

The Actor and the Stage W W Norton & Company Incorporated

This is a first-hand account of theatre in apartheid society.

Exploring the forces which led to the foundation and development of "New South African Theatre", the financial backing provided by the South African business world, the black majority's point of view and the influence of cultural boycotts and problems of tours abroad, it provides specialist information on the Market Theatre. It also considers black consciousness and trade union and state-funded theatre in South Africa.

This suspenseful saga of Tibet during the rise of Chinese Communism "conjures up a faraway world . . . panoramic and intimate at the same time" (Michiko Kakutani, *The New York*

Times). A lively and cinematic twentieth-century epic, *Red Poppies* focuses on the extravagant and brutal reign of a clan of Tibetan warlords during the rise of Chinese Communism. The story is wryly narrated by the chieftain's son, a self-professed "idiot" who reveals the bloody feuds, seductions, secrets, and scheming behind his family's struggles for power. When the chieftain agrees to grow opium poppies with seeds supplied by the Chinese Nationalists in exchange for modern weapons, he draws Tibet into the opium trade—and unwittingly plants the seeds for a downfall. A "swashbuckling novel," *Red Poppies* is at once a political parable and a moving elegy to the lost kingdom of Tibet in all its cruelty, beauty, and romance (The New York Times Book Review).

From the million-copy bestseller *Amanda Prowse*, the queen of heartbreak fiction. *Amanda Prowse* is the author of *The Coordinates Of Loss* and the no.1 bestsellers *Perfect Daughter*, *My Husband's Wife* and *What Have I Done?* How do you say goodbye to your family for the last time? *Poppy Day* is thirty-two and married to her childhood sweetheart. She's a full-time mum of two gorgeous children and loves her homely little cottage in the countryside. It's the life she always wanted. But *Poppy* is so busy caring for others she hasn't noticed how tired she is, or the menacing lump growing on her breast. It's unthinkable that cancer could defeat such a strong and amazing woman. But life doesn't always give you what you deserve... Reviews for *Amanda*

Prowse: 'Prowse handles her explosive subject with delicate skill ... Deeply moving and inspiring' DAILY MAIL. 'Powerful and emotional family drama that packs a real punch' HEAT. 'A gut wrenching and absolutely brilliant read' IRISH SUN. 'Captivating, heartbreaking, superbly written' CLOSER. 'Very uplifting and positive, but you may still need a box (or two) of tissues' HELLO. 'An emotional, unputdownable read' RED. 'Prowse writes gritty, contemporary stories but always with an uplifting message of hope' SUNDAY INDEPENDENT.

Sea of Poppies Farrar, Straus and Giroux

A child wanders too far into the Knysna Forest ... he never returns. Nine years later government officials working on a census find a white child living with a Coloured family in the mountains beyond the forest. They take him away from the stricken *Fiel*, who has brought him up as her son, and give him back to his 'original' family. Stunned and helpless, *Benjamin* waits for *Fiel* to reclaim him. But, powerless against authority, *Fiel* never comes. *Benjamin* has to grow up before he can go in search of the truth ...

A Kingdom of Flesh and Fire Harper Collins

A layman's guide to the way composers create music to support drama, *Dramatic Notes* encompasses drama in the form of film, theater, opera, radio, and television. Central to the book is a series of interviews with distinguished composers and directors such as *Judith Weir*, *Barrington Pheloung*, *George Fenton*, *John Schlesinger*, and *Richard Rodney Bennett*.

Field Notes on Love Penguin Random House South Africa

At the heart of this vibrant saga is a vast ship, the *Ibis*. Its destiny is a tumultuous voyage across the Indian Ocean; its purpose, to

fight China's vicious nineteenth-century Opium Wars. As for the crew, they are a motley array of sailors and stowaways, coolies and convicts. In a time of colonial upheaval, fate has thrown together a diverse cast of Indians and Westerners, from a bankrupt raja to a widowed tribeswoman, from a mulatto American freedman to a freespirted French orphan. As their old family ties are washed away, they, like their historical counterparts, come to view themselves as jahaj-bhais, or ship-brothers. An unlikely dynasty is born, which will span continents, races, and generations. The vast sweep of this historical adventure spans the lush poppy fields of the Ganges, the rolling high seas, the exotic backstreets of Canton. But it is the panorama of characters, whose diaspora encapsulates the vexed colonial history of the East itself, that makes *Sea of Poppies* so breathtakingly alive—a masterpiece from one of the world's finest novelists.

INTERNATIONAL BESTSELLER “[W]itty, original...a delight.” —The New York Times Perfect for fans of Ruth Ware and Lisa Jewell, this international bestseller and “dazzlingly clever” (The Sunday Times, London) murder mystery follows a community rallying around a sick child—but when escalating lies lead to a dead body, everyone is a suspect. *The Fairway Players*, a local theatre group, is in the midst of rehearsals when tragedy strikes the family of director Martin Hayward and his wife Helen, the play's star. Their young granddaughter has been diagnosed with a rare form of

cancer, and with an experimental treatment costing a tremendous sum, their castmates rally to raise the money to give her a chance at survival. But not everybody is convinced of the experimental treatment's efficacy—nor of the good intentions of those involved. As tension grows within the community, things come to a shocking head at the explosive dress rehearsal. The next day, a dead body is found, and soon, an arrest is made. In the run-up to the trial, two young lawyers sift through the material—emails, messages, letters—with a growing suspicion that the killer may be hiding in plain sight. The evidence is all there, between the lines, waiting to be uncovered. A wholly modern and gripping take on the epistolary novel, *The Appeal* is a “daring...clever, and funny” (The Times, London) debut for fans of Richard Osman and Lucy Foley.

Domestic Workers in South African History and Literature Penguin

“I was immediately mesmerized . . . as brilliant as it is haunting.”

—Toni Morrison In 1940s apartheid South Africa, Milla de Wet discovers a child abandoned in the fields of her family farm. Ignoring the warnings of friends and family, Milla brings the girl, Agaat, into her home. But the kindness is fleeting, as Milla makes Agaat her maidservant and, later, a nanny for her son. At turns cruel and tender, this relationship between a wealthy white woman and her Black maidservant is constantly fraught and shaped by a rigid social order. Decades later, Milla is confined to her bed with ALS, and is quickly losing her ability to communicate. Her family has fallen apart, her country is on the brink of change, and all she has left are her memories—and a reckoning with the only person who remains by her side: Agaat. In complex and devastating ways, the power shifts between the

two women, mirroring the historic upheavals happening around them and revealing a shared lifetime of hopes, sacrifices, and control. Hailed as an international masterpiece, Marlene van Niekerk's *Agaat* is a haunting and deeply layered saga of resilience, loyalty, betrayal, and how the passage of time cannot heal all wounds.

German Expressionist Theatre Tin House Books

From Sara Shepard, the #1 New York Times bestselling author of *Pretty Little Liars*, comes *The Heiresses*—a novel about the Saybrooks, a diamond family blessed with beauty and fortune yet plagued by a string of tragic and mysterious deaths. The only thing more flawless than a Saybrook's solitaire is the family behind the diamond empire. Beauties, entrepreneurs, debutantes, and mavens, the Saybrooks are the epitome of high society. Anyone would kill to be one of them. But be careful what you wish for, because if you were a Saybrook, you'd be haunted by secrets and plagued by a dark streak of luck. Tragedy strikes the prominent family yet again on a beautiful morning in May when thirty-four-year-old Poppy, the most remarkable Saybrook of them all, flings herself from the window of her office. Everyone is shocked that someone so perfect would end her own life—until her cousins receive an ominous warning: One heiress down, four

to go. Was it suicide . . . or murder? And who will be next: Aster, the beautiful but reckless girl who's never worked a day in her life—and who's covering up her father's darkest secret? Her older sister, Corrine, whose meticulously planned future is about to come crashing down around her? Perhaps it will be Natasha, the black sheep of the family who suddenly disinherited herself five years ago. Or maybe the perpetually single Rowan, who had the most to gain from her cousin's death. A gripping, edge-of-your-seat thriller about heiresses who must uncover a dark truth about their family before they lose the only thing money can't buy: their lives.

Red Poppies Penguin

The past three decades have seen a global shift in disaster management from an event driven response to a 'could-be' risk management approach. Disaster risk reduction (DRR) has become entrenched as a dominant paradigm within the field of disaster management. More than a decade after adopting DRR legislation in South Africa there remains a dearth of evidence that this has translated into substantive action. This book examines the institutionalisation of DRR in South Africa, conceived of as a political economy of knowledge production. Using a critical theory approach, the book does not consider why DRR is failing but instead asks 'why DRR?' As such, it explores possibilities beyond DRR's narrow optic and offers new insights into disaster management through the lens of South Africa. This is valuable reading for graduate students and academics working in disaster studies, geography, public policy and development/post-development studies, as well as policy makers.

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's

the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvens are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late. The Routledge Companion to Death and Literature Blue Box Press War is only the beginning... From #1 New York Times bestselling author Jennifer L. Armentrout comes book four in her Blood and Ash series. From the desperation of golden crowns... Casteel Da'Neer knows all too well that very few are as cunning or vicious as the Blood Queen, but no one, not even him, could've prepared for the staggering revelations. The magnitude of what the Blood Queen has done is almost unthinkable. And born of mortal flesh... Nothing will stop Poppy from freeing her King and destroying

everything the Blood Crown stands for. With the strength of the Primal of Life's guards behind her, and the support of the wolvern, Poppy must convince the Atlantian generals to make war her way—because there can be no retreat this time. Not if she has any hope of building a future where both kingdoms can reside in peace. A great primal power rises... Together, Poppy and Casteel must embrace traditions old and new to safeguard those they

hold dear—to protect those who cannot defend themselves. But war is only the beginning. Ancient primal powers have already stirred, revealing the horror of what began eons ago. To end what the Blood Queen has begun, Poppy might have to become what she has been prophesied to be—what she fears the most. As the Harbinger of Death and Destruction.
