Books for Teachers** Oxford University
Press

This popular series gives teachers

practical advice and guidance, along with resource ideas and materials for the classroom. The tasks and activities are clearly presented, and offer teachers the information they need about level, time, preparation, materials, classroom management, monitoring, and follow-up activities. Each book offers up to 100 ideas, as well as variations that encourage teachers to adapt the activities to suite their individual classrooms.

Photocopiable materials. A2-B1 Pre-Intermediate University of Michigan Press

Opens up new opportunities for language learning, with the World Wide Web providing access to material on almost any topic.

Cambridge University Press

This popular series gives teachers practical advice and guidance, along with resource ideas and materials for the classroom. The tasks and activities are clearly presented, and offer teachers the information they need about level, time, preparation, materials, classroom management, monitoring, and follow-up

activities. Each book offers up to 100 ideas, as well as variations that encourage teachers to adapt the activities to suite their individual classrooms.

Upper-intermediate [B2] : Photocopiable Resource Book Oxford University Press Quick Work is an innovative, flexible, three-level short course in Business English. The course is designed for busy adult professionals and it can be used as a short, intensive one-week course, or for extensive or modular courses spread out over several weeks. Key Features This is a short, pacy course which is practical, flexible, and easily accessible to both students and teachers. It has a distinctive task-centred approach, with the aim of developing key business-related skills and language. The

language syllabus is selective - language is addressed on a need-to-know basis in the Student's Book, with a more systematic review of grammar in the Workbook. Each of the five units covers key areas such as dealing with people, participating in meetings, exchanging information, and problem-solving. The principal focus is on developing students' speaking and listening skills. Each unit is divided into five or six sub-sections, which all end with a practical, work-related output task. There is a more substantial output activity at the end of the unit. Learners are encouraged to draw on their existing skills, knowledge, and experience of the workplace to carry out these tasks. Contexts are introduced by up-to-date material from a variety of authentic sources. The content has an

international feel, and does not present specifically British or American cultural or linguistic models. There is a strong emphasis on vocabulary development, with key vocabulary lists in each unit. Teacher's Resource Book Ideas for alternative tasks A range of photocopiable extension materials Teacher's Website (www.oup.com/elt/teacher/quickwork) Downloadable photocopiable teaching resources - only available online Revision tests and extension activities Monolingual and bilingual glossaries in Microsoft Word format for the teacher to customize Handy checklists and evaluation forms Links to other useful sites Teaching tips and ideas from the author
Film Routledge

An informative, flexible, and easy-to-use grammar reference and practice book. Role Play Oxford University Press, USA Adventures builds students' confidence through the use of clear grammar presentations, varied practice exercises, and guided skills work. The highly motivating topics have been carefully chosen to appeal to teenagers. The clear syllabus offers an analytical approach to grammar, as well as extensive and varied practice. Strong emphasis is placed on skills development and study skills. There is a systematic approach to vocabulary building. The variety of challenging and enjoyable activities motivate students to participate fully in class. The optional 'World of English' sections exploit functional and everyday language, cross-cultural topics, and

authentic pop songs.

Teaching English as a Foreign Or Second Language, Second Edition Oxford University Press

An informative, flexible, and easy-to-use grammar reference and practice book.

Quick Work Intermediate Oxford

Teaching English as a Foreign or Second Language, Second Edition, is designed for those new to ESL/EFL teaching and for self-motivated teachers who seek to maximize their potential and enhance the learning of their students. This guide provides basic information that ESL/EFL teachers should know before they start teaching and many ideas on how to guide students in the skills of listening, speaking, reading, and writing. It stresses the multifaceted nature of teaching the English language to non-

native speakers and is based on the real experiences of teachers. The second edition of *Teaching English as a Foreign or Second Language* includes a wider range of examples to coincide with a variety of teaching contexts—from K-12 schools, to university intensive language programs and refugee programs. It is also updated with discussions of technology throughout, and it considers ways in which technology can be used in teaching language skills. Sources for further study are included in each chapter and in the appendixes.
