♥♥ Animal Farm by
George Orwell ♥♥
Animal Farm is a
satirical allegorical
novella by George
Orwell, first published
in England on 17
August 1945. The book
tells the story of a

group of farm animals
who rebel against their
human farmer, hoping
to create a society
where the animals can
be equal, free, and
happy. Ultimately, the
rebellion is betrayed,
and the farm ends up
in a state as bad as it
was before, under the
dictatorship of a pig
named Napoleon. ♥♥
Animal Farm by George
Orwell ♥♥ According

to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by his experiences during the May Days conflicts between the POUM and Stalinist forces during the Spanish Civil War. ♥♥ Animal Farm by George Orwell ♥♥ The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials and executions. In a letter to Yvonne Davet, Orwell described

Animal Farm as a satirical tale against Stalin ("un conte satirique contre Staline"), and in his essay "Why I Write" (1946), wrote that Animal Farm was the first book in which he tried, with full consciousness of what he was doing, "to fuse political purpose and artistic purpose into one whole". ♥♥ Animal Farm by George Orwell ♥♥ The original title was Animal Farm: A Fairy Story, but U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Other titular variations include subtitles like "A Satire" and "A Contemporary Satire". Orwell suggested the title Union des républiques

socialistes animales for the French translation, which abbreviates to URSA, the Latin word for "bear", a symbol of Russia. It also played on the French name of the Soviet Union, Union des républiques socialistes soviétiques.

Animal Farm by George Orwell BEYOND BOOKS HUB

A graveyard late at night wouldn't seem like the ideal place to meet someone. But for teenager Katey McCoy, that encounter with the handsome stranger with the striking blue eyes would alter her life in ways she'd never imagined. Orphaned as an infant, bounced around foster homes, labeled as a discipline problem, and now under the thumb of an abusive foster mother,

Katey's been slipping deeper into depression. Who would want a girl with such an ugly face, an imperfect body, or wild hair? But Logan Keith knows the truth about Katey: she's beautiful. Her flaws are in her head. Besides, he has issues, too. And a secret that could tear apart their growing relationship. Logan is a werewolf--a loup-garou--with his own troubled past and a flaw that's considered a handicap in his world. A secret, supernatural world he soon introduces Katey to. Although Logan longs to make Katey part of his pack, it may be impossible for them to be together. In his pack's history, there's never been a female werewolf. No woman has been able to survive the

transformation. Will Logan's desire give Katey the escape to a better life and the love she's always dreamed of, or will he be signing her death warrant?

Writing Without Rules

Penn State Press

An American classic first published in 1985 by William Morrow and adapted into an Academy Award-winning film, *The Cider House Rules* is among John Irving's most beloved novels. Set in rural Maine in the first half of the twentieth century, it tells the story of Dr. Wilbur Larch—saint and obstetrician, founder and director of the orphanage in the town of St. Cloud's, ether addict and abortionist. It is also the story of Dr. Larch's favorite orphan, Homer Wells, who is never adopted.

"A novel as good as one could hope to find from any author, anywhere, anytime. Engrossing, moving, thoroughly satisfying."

—Joseph Heller, author of *Catch-22*

The Yellow River by I. P. Freely. Remember those gag book/author titles we joked about as kids? Introducing Volume One of the Books Never Written Series by I. M. Nobody A 120 page lined journal with a gag title. Use it as a Diary, a Notebook for School, or for Personal Memos. Anything really, that's entirely up to you. *A Novel/ Animal Farm* This unauthorized companion to George Orwell's *Animal Farm* is a controversial parable about September 11th by one of fiction's most inventive and

provocative writers
 Written in 14 days shortly after the September 11th attacks, *Snowball's Chance* is an outrageous and unauthorized companion to George Orwell's *Animal Farm*, in which exiled pig Snowball returns to the farm, takes charge, and implements a new world order of untrammelled capitalism. Orwell's "All animals are equal, but some animals are more equal than others" has morphed into the new rallying cry: "All animals are born equal—what they become is their own affair." A brilliant political satire and literary parody, John Reed's *Snowball's Chance* caused an uproar on publication in 2002, denounced by

Christopher Hitchens, and barely dodging a lawsuit from the Orwell estate. Now, a decade later, with America in wars on many fronts, readers can judge anew the visionary truth of Reed's satirical masterpiece.

The Vegan Bible

William Collins

Bestselling author

Barbara Kingsolver

returns with her first

nonfiction narrative

that will open your

eyes in a hundred new

ways to an old truth:

You are what you eat.

"As the U.S. population

made an

unprecedented mad

dash for the Sun Belt,

one carload of us

paddled against the

tide, heading for the

Promised Land where

water falls from the sky

and green stuff grows

all around. We were

about to begin the

adventure of realigning our lives with our food chain. "Naturally, our first stop was to buy junk food and fossil fuel. . . ." Hang on for the ride: With characteristic poetry and pluck, Barbara Kingsolver and her family sweep readers along on their journey away from the industrial-food pipeline to a rural life in which they vow to buy only food raised in their own neighborhood, grow it themselves, or learn to live without it. Their good-humored search yields surprising discoveries about turkey sex life and overly zealous zucchini plants, en route to a food culture that's better for the neighborhood and also better on the table. Part memoir, part journalistic

investigation, *Animal, Vegetable, Miracle* makes a passionate case for putting the kitchen back at the center of family life and diversified farms at the center of the American diet. "This is the story of a year in which we made every attempt to feed ourselves animals and vegetables whose provenance we really knew . . . and of how our family was changed by our first year of deliberately eating food produced from the same place where we worked, went to school, loved our neighbors, drank the water, and breathed the air." Includes an excerpt from *Flight Behavior*.

 Selected as a Financial

 2013 In Strategy: A
 History, Sir Lawrence
 Freedman, one of the
 world's leading
 authorities on war and
 international politics,
 captures the vast
 history of strategic
 thinking, in a
 consistently engaging
 and insightful account
 of how strategy came
 to pervade every
 aspect of our lives. The
 range of Freedman's
 narrative is
 extraordinary, moving
 from the surprisingly
 advanced strategy
 practiced in primate
 groups, to the
 opposing strategies of
 Achilles and Odysseus

in The Iliad, the strategic advice of Sun Tzu and Machiavelli, the great military innovations of Baron Henri de Jomini and Carl von Clausewitz, the grounding of revolutionary strategy in class struggles by Marx, the insights into corporate strategy found in Peter Drucker and Alfred Sloan, and the contributions of the leading social scientists working on strategy today. The core issue at the heart of strategy, the author notes, is whether it is possible to manipulate and shape our environment rather than simply become the victim of forces beyond one's control. Time and again, Freedman demonstrates that the inherent unpredictability of this

environment-subject to chance events, the efforts of opponents, the missteps of friends-provides strategy with its challenge and its drama. Armies or corporations or nations rarely move from one predictable state of affairs to another, but instead feel their way through a series of states, each one not quite what was anticipated, requiring a reappraisal of the original strategy, including its ultimate objective. Thus the picture of strategy that emerges in this book is one that is fluid and flexible, governed by the starting point, not the end point. A brilliant overview of the most prominent strategic theories in history, from David's use of deception against Goliath, to the

modern use of game theory in economics, this masterful volume sums up a lifetime of reflection on strategy.

Quotes Penguin Enter Manor Farm, owned by Mr Jones, a lazy farmer who ignores the plight of the animals who toil under his yoke. However, things change dramatically after Major, the prizewinning boar, has a dream, in which all the animals are free. His rousing speeches incite the animals to revolt against oppression. Egged on by the promise of freedom, the animals unite and drive the Joneses out of the farm. Under the tutelage of the pigs, all the farm animals build a world where they are free and equal. Until

some become more equal than others. Does the dream of freedom become a nightmare of slavery? George Orwell's classic, first published in 1945, continues to mirror what unfolds in the theatres of power in society. His criticism of the communist ideal of an equal world takes you through the shining triumphs and terrible failures of the world we live in. PLUS! Book Mine Gems: 34 extra-special pages: Know more about the author, his work and his times. to do.' [Orwell on Freedom](#) Gateway With an introduction by Kamila Shamsie 'Freedom is the freedom to say that two plus two make four. If that is granted, all else follows.' GEORGE ORWELL is

one of the world's most famous writers and social commentators. Through his writing he exposed the unjust sufferings of the poor and unemployed, warned against totalitarianism and defended freedom of speech. This selection, from both his novels and non-fiction, charts his prescient and clear-eyed thinking on the subject of FREEDOM. It ranges from pieces on individual liberty, society and technology, to political liberty, revolution and the importance of free speech. Orwell's ambition to create a fairer and more egalitarian society is essential inspiration as we strive for freedom and equality in today's world. 'If liberty means anything at all it means the right to tell people

what they do not want to hear.'

The Vegan Guide to the Holy Scriptures leads you down a path towards The Garden of Eden. That fantasy land of Peace and Loving-kindness may be our next evolutionary step. Most people realize that the way the world of Death and Disease has taken over is not right or healthy in any way. The Veganism Movement will heal mankind thus healing the world as well. The modern thinking Vegan is ready to meet and overcome any non-Vegan resistance by learning every thing connected to the purpose of Veganism. There is a spiritual side of Veganism to consider and The

Vegan Bible is a great place to begin researching the real history of our Mother earth and Father God. Most people never knew that the God of The Holy Bible is Vegan. This one little fact changes the face of society from innocent meat eaters to a mob of evil dead-flesh worshipers, especially the ones that refuse to accept the truth of our Vegan world. Don't be one of them. The right way is always the best way to live and enjoy the good health and clean conscious that the Vegan way of life represents. Now you will have all of the Vegan Holy Scriptures at your fingertips to rise over anyone whom decides to support their meat eating habits by miss-quoting

The Holy Scriptures. The Vegan Bible proves that God and Jesus Christ are Vegans as well as some of the Holiest Prophets. Was Cain really the cold hearted monster we were taught he was or was he just an angry Vegan unwilling to control his temper? And who is this Lord God character that keeps on trying to ruin everyone's lives? Was Jesus Christ targeted by the religious leaders of His time for taking a firm stand against animal sacrifices? Did He offer his life as a one time human sacrifice to try and save them. By threatening the financial security of those selling the sacrificial animals this put a price on his head. His teachings of Love were not only aimed at

people but they were for all living creatures. His personal sacrifice did put an end to most religiously motivated animal sacrifice in the world. Before Jesus Christ there was only a blood thirsty Lord God to pay off with daily sacrifices which was for sale at the Holy Temples. Now we face a world lost in a cloud of ignorance teaching our children it is normal and right to consume dead animal flesh and this has got to stop. We must learn everything there is to know about Veganism so we can begin to heal our world and save our souls. I have dedicated the rest of my life to the study and research of the Ancient Vegan Creation Story as it is found in every copy of the Bible that exist. Proving that

we have an all-loving Father God that is Vegan was only the beginning of what I have discovered. The magnitude of this one important fact has yet to reach the ears of the normal every day church goer. The implications of the facts presented in the pages of The Vegan Bible is destined to cause some uproar with the religious institutions and their religious dogma. Why was it such a crime in the dark ages to be a Christian? Did the term Christian mean Vegan and were they hunted, tortured, burned and killed for the same reason that Jesus Christ was. Have you ever seen a normal person go into a fit of rage when you tried to explain Veganism to them? The Vegan Bible

will help answer many religious questions and provide morally correct Vegan answers. It used to be just a matter of Faith but now the Medical Science is proving our Vegan heritage. Veganism is growing and it will influence the greater populations of every country. I hope that you are ready for The Vegan Apocalypse. Thank You.

The polarizing literary debut by Scottish author Ian Banks, *The Wasp Factory* is the bizarre, imaginative, disturbing, and darkly comic look into the mind of a child psychopath. Meet Frank Cauldhame. Just sixteen, and unconventional to say the least: Two years after I killed Blyth I

murdered my young brother Paul, for quite different and more fundamental reasons than I'd disposed of Blyth, and then a year after that I did for my young cousin Esmerelda, more or less on a whim. That's my score to date. Three. I haven't killed anybody for years, and don't intend to ever again. It was just a stage I was going through.

Simon and Schuster (black & white) After swimming with wild dolphins, Adena Tryon began receiving messages from angelic dolphin beings called *Stella Maris* (Starlights of the Sea). This book shares their light messages, dolphin wisdom, the medicine of the divine feminine, and healing blessings

for humanity. Stella Maris first speaks as a collective. They explain the concept of Starseeds and speak of the Stella Maris High Council, which also includes Mother Mary, Quan Yin, and Queen A'Mara. Then, individual Stella Maris members share light messages, healing activations, and scrolls of affirmations. The book concludes with a Beauty Way invitation. Visionary art from Florencia Burton synchronizes with the words of Stella Maris, creating a truly transformative experience.

"Take it offline," "Let's get the ball rolling," "Ping me," and of course, "synergy."

These are just some of the worst clichés that have come out of corporate America. It's a known fact that prolonged exposure to these office sayings can lead to increased eye-rolling, annoyance and strain of the facial muscles from too much fake smiling when hearing these from your manager. To combat this, we've created this corporate clichés adult coloring book as much needed stress therapy; a fun, passive-aggressive way to take out your angst against these ridiculous office sayings that have taken over your meetings, memos and emails from your company's higher ups.

We've taken 19 of the most annoying corporate clichés and translated them into hilarious, literal translations that you can color and poke fun at. Most are even workplace friendly so you can hang them on your wall without your manager giving you the stink eye (well, depending on where you work ... hmmm time for the disclaimer: we make no promises on whether you'll get the stink eye if you pin pages of this book to your office / cubicle wall, so you assume the risk on that!).

Benefits -We've taken 19 of the most ridiculous corporate clichés that have ended up on top business publications' "must stop using list" and translated them into hilarious, literal

representations. -5.5" x 8.5" (13.97 x 21.59 cm) similar to A5 padfolio size; perfect for purses, briefcases, backpacks. -The perfect birthday, stocking stuffer, white elephant, secret Santa, gift for a co-worker, friend or loved one who has to suffer thru these clichés on a daily basis. -Studies have shown that adult coloring books are perfect stress therapy. We even consulted with a few therapists who confirmed this. And let's face it, hearing corporate clichés over and over is not fun! But what is fun is poking fun at them in a passive-aggressive way that can relieve stress! - Unlike most coloring books, each illustration is a carefully crafted theme, tied to a

specific cliché and not simply random patterns. -Coloring book images are only on one side of the page (we didn't double dip!). -But not to waste the space, we put some fun stuff on the reverse side of each page: a corporate-speak definition, fun trivia and a hashtag on so you can post pictures of your artwork on social media. -We even included a fun all-occasion gift checklist inside the cover so you don't have to buy a separate gift card. You can be cheap and environmentally friendly at the same time!

Here is a book as

joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her

age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.
