**The Life and Times of Eminem** Chicago Review Press  
The story of one of the most controversial figures in all of hip-hop history, Dummy Boy tells the tale of Tekashi 6ix9ine and his meteoric rise to fame. In tracing Danny "Tekashi 6ix9ine" Hernandez's life from Bushwick to the heights of the rap scene, Complex reporter Shawn Setaro illuminates the story of the young rapper who forged an alliance with a notorious street gang to bolster his image and boost his internet clout. Before long, Tekashi's antics and affiliations caught up with him, leading to a major police investigation that tore apart his team and saw him squarely behind bars, facing a life in prison. A thrilling true crime narrative set in the contemporary hip-hop world, Dummy Boy draws on dozens of exclusive interviews with collaborators, associates, and witnesses, to provide a detailed account of the most beguiling and intriguing story in modern music. More than a biography, Dummy Boy is an American crime story, a critical examination of internet trolling in the Trump era, and an exploration of the long-running connection between rap, gangs, and police in New York City.

**How to Get Everything You Want in Life** Rp Minis  
Does Eminem matter? On assignment for his first cover story for Rolling Stone, the very first national cover story on Eminem, Anthony Bozza met a young blond kid, a rapper who would soon take the country by storm. But back in 1999, Eminem was just beginning to make waves among suburban white teenagers as his first single, "My Name Is," went into heavy rotation on MTV. Who could have predicted that in a mere two years, Eminem would become the most reviled and controversial hip-hop figure ever? Or that twelve months after that, Eminem would sit firmly at the pinnacle of American celebrity, a Grammy winner many times over and the recipient of an Oscar. Did Eminem change or did America finally figure him out? *Whatever You Say I Am* attempts to answer this question and many more. Since their first meeting, Bozza has been given a level of access to Eminem that no other journalist has enjoyed. In *Whatever You Say I Am*, original, never-

before-published text from Bozza's interviews with Eminem are combined with the insight of numerous hip-hop figures, music critics, journalists, and members of the Eminem camp to look behind the mask of this enigmatic celebrity. With an eye toward Eminem's place in American popular culture, Bozza creates a thoughtful portrait of one of the most successful artists of our time. This is so much more than a biography of a thoroughly well-documented life. It is a close-up look at a conflicted figure who has somehow spoken to the heart of America.

*The Evolution of Eminem* Hachette Books

The shocking, gripping, and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction, featuring exclusive new content. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, *The Heroin Diaries* follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

*How to Rap* Infobase Learning

Looks at the life of Dave Grohl, a rock star known for his work with Nirvana, Queens of the Stone Age, Them Crooked Vultures and the band he founded, Foo Fighters, in a book that draws on personal interviews with Nirvana producer Butch Vig, Queens of the Stone Age front man Josh Homme and Grohl himself.

**My Infamous Life** Harper Collins

Ego Trip's Book of Rap Lists is more popular than racism! Hip hop is huge, and it's time someone wrote it all down. And got it all right. With over 25 aggregate years of interviews, and virtually every hip hop single, remix and album ever recorded at their disposal, the highly respected Ego Trip staff are the ones to do it.

The Book of Rap Lists runs the gamut of hip hop information. This is an exhaustive, indispensable and completely irreverent bible of true hip hop knowledge.

**Letters of Note: Music** Phoenix Books, Inc.

"Steven Tyler is one of the giants of American music, who's been influential for a whole generation of Rock 'n' Roll fans around the world. Long May He Rock!" —Sir Paul McCartney  
*Does the Noise in My Head Bother You?* is the rock memoir to end all rock memoirs—the straight-up, no-holds-barred life of Grammy Award-winning, Rock 'n' Roll Hall of Fame inductee, and all-around superstar legend Steven Tyler, lead singer of Aerosmith (and celebrity judge on *American Idol*). This is it—"the unbridled truth, the in-your-face, up-close and prodigious tale of Steven Tyler straight from the horse's lips"—as Tyler tells all, from the early years through the glory days, "All the unexpurgated, brain-jangling tales of debauchery, sex & drugs. and transcendence you will ever want to hear."

*The Autobiography of Mobb Deep's Prodigy* Simon and Schuster  
*The Dark Story of Eminem* is the best-selling, ground-breaking biography of Marshall Mathers, tracing his fierce rise from the schools and factories of Detroit to global superstardom - Now updated to investigate the violent death of his best friend Proof, his debilitating drug addiction, four-year disappearance from the public view and his triumphant comeback album *Recovery*. In researching this phenomenal story, Nick Hasted spent much time in Detroit, tracking down friends and foes of Marshall Mathers. In racially-divided Detroit the future rapper experienced first-hand the social conflicts that would fuel his later radicalism. From the depths of being a suicidal no-hoper, he triumphed against his class and triumphed against prejudice; despite being continually reviled, sued and criticised, Marshall Mathers forged his way to becoming a defining cultural force of the early millennium. This unflinching portrait also lays bare Eminem's relationships with his much-hated mother, his teenage soul-mate Kim Scott, his mentors Dr. Dre and The Bass Brothers, and his own protégé 50 Cent. Never before has a book delved so deep and poignantly into this troubled figure. "A serious and even handed account." - Q magazine "This is the best of a sudden flurry of biographies charting the rise of this brilliant, troubled Detroit rapper." - Daily

**Crossing the Line** Da Capo Press

In this book, Thomas Pauly and his daughter describe the simple system that took their family from a second personal bankruptcy to a rich and happy life, practically overnight.

*Not Afraid Secrets of Eminem* Da Capo Press

Slipknot and Stone Sour frontman Corey Taylor's New York Times bestselling treatise on sin and the nature of it For the first time, Slipknot and Stone Sour frontman Corey Taylor speaks directly to his fans and shares his worldview about life as a sinner. And Taylor knows how to sin. As a small-town hero in the early '90s, he threw himself into a hard-drinking, fierce-loving, live-for-the-moment life; when his music exploded, he found himself rich, wanted, and on the road. But soon his extreme lifestyle led him to question what it means to sin and whether it could-or should-be cast in a different light. After all, if sin makes us human how wrong can it be? Now updated with a new Afterword by the author, *Seven Deadly Sins* is a brutally honest look "at a life that could have gone horribly wrong at any turn," and the soul-searching and self-discovery it took to set it right.

*The Way I Am* Penguin

Pay tribute to Parks and Recreation with this one-of-a-kind talking button in the shape of waffles and whipped cream. Kit includes: A button in the shape of waffles and whipped cream, featuring signature phrases from the show Mini book with trivia, quotes, and photos

*A Memoir* Macmillan

As the mother of hip-hop superstar Kanye West, Donda West has watched her son grow from a brilliant baby boy with all the intimations of fame and fortune to one of the hottest rappers on the music scene. And she has every right to be proud: she raised her son with strong moral values, teaching him right from wrong and helping him become the man he is today. In *Raising Kanye*, Donda not only pays homage to her famous son but reflects on all the things she learned about being his mother along the way. Featuring never-before-seen photos and compelling personal

anecdotes, Donda's powerful and inspiring memoir reveals everything from the difficulties she faced as a single mother in the African-American community to her later experiences as Kanye's manager as he rose to superstardom. Speaking frankly about her son's reputation as a "Mama's Boy," and his memorable public outbursts about gay rights and President George W. Bush, Donda supports her son without exception, and here she shares the invaluable wisdom she has taken away from each experience -- passion, tolerance, patience, and above all, always telling the truth. Ultimately, she not only expresses what her famously talented son has meant to her but what he has meant to music and an entire generation.

*Cash St. Martin's Griffin*

Chronicles the life and work of the controversial rap star and discusses the turbulent upbringing that had a big effect on his lyrics.

*Raising Kanye* Simon and Schuster
