PITTS BRAUN

The Austin Family Chronicles Macmillan

A quiet visit with her grandparents turns into a lesson in the fluidity of time for Polly O'Keefe when she meets several strangers from overlapping temporal planes and, with them, plays a key role in a prehistoric confrontation. Simultaneous.

A Wrinkle in Time Macmillan

The life of the Austin family is changed by the arrival of self-centered young Maggy Hamilton, orphaned by the sudden death of her pilot father.

Maggie Austin Cake Open Road Media
Vicky Austin's camping trip becomes most interesting when she meets a new boy at the campsite.

An Austin Family Story Farrar, Straus and Giroux (BYR)

Book #1 of The Genesis Trilogy. This special reissue of a classic work of spirituality from the author of *A Wrinkle in Time* offers life-transforming insights on the rich heritage of the Bible and shows how the characters of this ancient text are relevant for living the good life now. Includes a new reader's guide. In the first book of her Genesis Trilogy, beloved author Madeleine L'Engle casts long, loving, and perceptive glances not

only at the created universe but also at its Creator. L'Engle often crafted stories that dealt with the complexities of the universe, navigating time and space, religion and science, with uncanny ease and insight. This skill--most famously demonstrated in *A Wrinkle in Time*--is showcased in this nonfiction work, *And It Was Good*, through her ability to see the connection between Made and Maker at every level. She examines the vast beauty, order, and complexity of our world with enthusiasm and reverence, illuminating the characteristics of God, the first poet. Madeleine L'Engle possesses the same ambidextrous skill of storytelling as other literary giants, including C.S. Lewis and George MacDonald. Her fictional stories appeal to generations of readers, and are

equally embraced in both the secular and religious markets. But it is her ability in her nonfiction to engage with the historical text of the Bible through a dynamic unpacking of protagonists, antagonists, and matters of faith that establishes *The Genesis Trilogy* as a highly treasured collection of spiritual writings. *And It Was Good* beautifully approaches both the biblical text and creation itself with an intelligence and sensitivity that appeals to all seekers looking for a fresh communion with God in the natural world.

The Joys of Love Bethany House

The beloved author of *A Wrinkle in Time* takes an introspective look at her life and muses on creativity in this memoir, the first of her *Crosswicks Journals*.
Every so often I need OUT. . . . My

special place is a small brook in a green glade, a circle of quiet from which there is no visible sign of human beings. . . . I sit there, dangling my legs and looking through the foliage at the sky reflected in the water, and things slowly come back into perspective. Set against the lush backdrop of Crosswicks, her family's farmhouse in rural Connecticut, this deeply personal memoir details Madeleine L'Engle's journey to find balance between her career as a Newbery Medal-winning author and her responsibilities as a wife, mother, teacher, and Christian. As she considers the roles that creativity, family, citizenship, and faith play in her life, L'Engle reveals the complexities behind the author whose works—honored with the National Book Award, the Lewis

Carroll Shelf Award, and countless other prizes—have long been cherished by children and adults alike. Written in simple, profound, and often humorous prose, *A Circle of Quiet* is an insightful woman's elegant search for the meaning and purpose of her life. This ebook features an illustrated biography of Madeleine L'Engle including rare images from the author's estate.

The Arm of the Starfish Convergent Books

"The beauty of Lauren Slater's prose is shocking," said *Newsday* about *Welcome to My Country*, and now, in this powerful and provocative new book, Slater brilliantly explores a mind, a body, and a life under siege. Diagnosed as a child with a strange illness, brought up in a family given to fantasy and ambition,

Lauren Slater developed seizures, auras, neurological disturbances--and an ability to lie. In *Lying: A Metaphorical Memoir*, Slater blends a coming-of-age story with an electrifying exploration of the nature of truth, and of whether it is ever possible to tell--or to know--the facts about a self, a human being, a life. *Lying* chronicles the doctors, the tests, the seizures, the family embarrassments, even as it explores a sensitive child's illness as both metaphor and a means of attention-getting--a human being's susceptibility to malady, and to storytelling as an act of healing and as part of the quest for love. This mesmerizing memoir openly questions the reliability of memoir itself, the trickiness of the mind in perceiving reality, the slippery nature of illness and

diagnosis--the shifting perceptions and images of who we are and what, for God's sake, is the matter with us. In *Lying*, Lauren Slater forces us to redraw the boundary between what we know as fact and what we believe we create as fiction. Here a young woman discovers not only what plagues her but also what heals her--the birth of sensuality, her creativity as an artist--in a book that reaffirms how a fine writer can reveal what is common to us all in the course of telling her own unique story. About *Welcome to My Country*, the San Francisco Chronicle said, "Every page brims with beautifully rendered images of thoughts, feelings, emotional states." The same can be said about *Lying: A Metaphorical Memoir*.

Many Waters Convergent Books

Book #2 of The Genesis Trilogy. This special reissue of a classic work of spirituality from the author of *A Wrinkle in Time* offers life-transforming insights on the rich heritage of the Bible and shows how the characters of this ancient text are relevant for living the good life now. Includes a new reader's guide. In this book for the curious, spiritual seeker, Madeleine L'Engle offers relevant lessons drawn from the life of Jacob from the Old Testament. Here, the son of Isaac becomes a spiritual companion to L'Engle, equipping her to deal with earthly and psychological struggles. Throughout her journey, L'Engle offers contemporary answers to questions that burden modern day readers and believers. With her customary fearlessness and candor, she broaches

such topics as the significance of angels, redemption, sexual identity, forgiveness, and the seemingly constant conflict between good and evil. Madeleine L'Engle possesses the same ambidextrous skill of storytelling as other literary giants, including C. S. Lewis and George MacDonald. Her fictional stories appeal to generations of readers, and are equally embraced in both the secular and religious markets. But, it is her ability in her nonfiction to engage with the historical text of the Bible through a dynamic unpacking of protagonists, antagonists, and matters of faith that establishes the Genesis Trilogy as a highly treasured collection of spiritual writings. *A Stone for a Pillow* acts as a compass for those traveling through the tumultuous landscape of

faith in our cynical and divisive modern culture.

Austin's Amazing Adventures Farrar, Straus and Giroux (BYR)

The Austins have a full house on Christmas Eve when fate brings them a new mother and a young woman who is expecting.

All She Ever Wanted Random House
Bestselling author Lynn Austin's historical novels have entertained readers worldwide; now, rediscover her beloved contemporary debut.

Wilhelmina Brewster and Mike Dolan are two very different people—one is trying to figure out how to live, the other how to die. Wilhelmina Brewster has been a college music professor for 41 years, never marrying, devoting her life to her career instead. After a forced retirement,

however, she is mourning and searching for something to fill the empty hours.

Widower Mike Dolan is a pilot and World War II veteran who has always lived life to the fullest. But when his cancer returns, he makes plans for a final flight in his airplane rather than become a burden to his family. When their paths cross unexpectedly and Wilhelmina accidentally learns of Mike's plans, she's horrified, certain he's making a mistake that she can correct. What she didn't expect was how spectacularly she would fail, or how completely Mike would change her perspective on life, loss, and faith in the process.

A Severed Wasp Meet the Austins
Book One of The Austin Family Chronicles
As she tries to stay alive after being left on an iceberg in the Antarctic, sixteen-

year-old Vicky recalls the series of events that brought her to the bottom of the world and involved her in a dangerous mystery.

A Ring of Endless Light Open Road Media
All She Ever Wanted is the emotion-packed story of three generations of women: Kathleen, her mother, Eleanor, and her grandmother, Fiona. Each woman left home to escape her family's past and to start a new life. Kathleen has been estranged from her family for 35 years, and she is torn between the need to forgive and the urge to forget. Hoping to find answers that will patch the wounds of her tattered heart and salvage her relationship with her daughter, Kathleen embarks on a journey into her family's mysterious past.

The Small Rain Macmillan

Book two in the award-winning young adult Austin Family Chronicles series from Madeleine L'Engle, author of *A Wrinkle in Time*, Vicky Austin experiences the difficulties and joys of growing up. As if simply being fourteen-years-old weren't bad enough—what with the usual teenage angst and uncertainty, Vicky Austin's always comforting and reliable home life is changing completely. Her brother John is going off to college in the fall. Maggy, an orphan taken in by the Austins two years ago, has gone to live with her legal guardian. And the rest of Vicky's family is moving from their quiet house in the country to the heart of New York City. But before the big move, the entire Austin family is taking a meandering trip

across the country in their station wagon, stopping to camp along the way, with no set schedule and not a single night of camping experience among them. Wild animal attacks. Life-threatening natural disasters. Cute boys on the prowl. Anything can happen in the great outdoors. Books by Madeleine L'Engle *A Wrinkle in Time Quintet* *A Wrinkle in Time* *A Wind in the Door* *A Swiftly Tilting Planet* *Many Waters* *An Acceptable Time* *A Wrinkle in Time: The Graphic Novel* by Madeleine L'Engle; adapted & illustrated by Hope Larson *Intergalactic P.S. 3* by Madeleine L'Engle; illustrated by Hope Larson: A standalone story set in the world of *A Wrinkle in Time*. *The Austin Family Chronicles Meet the Austins* (Volume 1) *The Moon by Night* (Volume 2) *The Young Unicorns*

Meet the Austins Macmillan
 In 1919, 17-year-old Hattie leaves the Montana prairie—and her sweetheart Charlie—to become a female reporter in San Francisco, in the sequel to *Hattie Big Sky*, that was written, in part, to answer many questions that readers posed about the irrepressible Hattie.
And It Was Good Baker Books
 Characters from Madeleine L'Engle's *Time Quintet* and *Austin Family Chronicles* cross paths in this story that explore the timeless themes of love,

chance, and destiny. When Adam Eddington, a gifted marine biology student, makes the acquaintance of blond and beautiful Kali Cutter at Kennedy International Airport on his way to Portugal to spend the summer working for the renowned scientist Dr. O'Keefe, he has no idea that this seemingly chance meeting will set into motion a chain of events he will be unable to stop. Caught between Kali's seductive wiles and the trusting adoration of Dr. O'Keefe's daughter, Poly, Adam finds himself enmeshed in a deadly power struggle between two groups of people, only one of which can have right on its side. As the danger escalates, Adam must make a decision that could affect the entire world—which side is he on? Books by Madeleine

President Austin is a children's book based on a true story about a little boy who gave up all of his allowance and toy money to feed the homeless. In this book Austin narrates the story on how he became a real life super hero. This book is an educational tool on kindness and love for children of all ages.

A Circle of Quiet Macmillan

The life of the Austin family is changed by the arrival of self-centered young Maggy Hamilton, orphaned by the sudden death of her pilot father.

A Portrait of Madeleine L'Engle in Many Voices Harold Shaw Pub

Austin's Amazing Adventures is the first book in a new series of short poetic stories from award winning author and advocate for the visually impaired community The Blind Poet Dave

Steele. Meet Austin, a young boy who is slowly losing his sight and his best friend his guide dog Joe. These rhyming tales give a much needed glimpse into how children with different challenges experience day to day life going to school and doing all the things children do. Austin's Amazing Adventures seeks to give children living with blindness and low vision a character they can relate to whilst helping to break down the many social barriers and misconceptions that many people with disabilities face.

Meet the Austins Simon and Schuster
With Meg Murry's help, the dragons her six-year-old brother saw in the vegetable garden play an important part in his struggle between life and death. Simultaneous.

Austin's Revenge HarperCollins

The Austins provide a home for a spoiled orphaned girl.

A Novel Convergent Books

Stunning cake designs and technique how-tos from top cake artist Maggie Austin A former ballerina, Maggie Austin turned to baking when an injury ended her dancing career—and has since become one of today’s most sought-after cake artists, serving celebrity clients and even royalty around the world. Her design hallmarks are instantly recognizable to the legions of fans who follow her work: ethereal frills, dreamy watercolors, lifelike sugar flowers, rice-paper accents, graceful composition, and

other impeccable details. Here, she shares a collection of her edible works of art and the methods behind their creation, with a “theme and variations” organization that shows how mastering any single technique can open the door to endless creativity. Each is broken down into clear instructions and illustrated with step-by-step photos that are easy to follow whether you’re a professional baker or an amateur enthusiast. From a single sugar blossom to a multi-tiered cake festooned with pearls and intricate appliques, there’s inspiration for bakers and crafters of all stripes.
