SHELDON LEE

El libro de la disidencia Vintage Canada
 This book explores the links between crime, deviance and popular culture in our highly-mediated era, offering an insight into the cultural processes through which particular practices acquire a criminal or deviant status, and come to be seen as social problems. Adopting a multidisciplinary approach, the edited collection brings together international scholars across various areas of specialisation to provide an up-to-date analysis of some important and topical issues in 21st-century popular culture. The chapters look at different aspects of popular culture, including fictional detective narratives and the true crime genre, popular media constructions of

sexual deviance and Islamophobia, sports, graffiti and outlaw biker subcultures. The authors examine a wide range of relevant case studies through a number of crime and deviance-related theories. Crime, Deviance and Popular Culture will be of importance to scholars and students across several disciplines, including criminology, sociology of deviance, social anthropology, media studies, cultural studies, television studies and linguistics.
Migration Soho Press

La placidesa habitual de la ciutat sueca d'Ystad es veu trencada quan, amb un cert interval de temps, tres homes apareixen salvatgement assassinats. Les víctimes duen una vida assossegada i tranquil·la, dedicades a l'ornitologia, el cultiu d'orquídiades i la poesia, la qual cosa fa encara més incomprendible el gairebé insuportable sadisme de què han estat objecte. Durant la investigació del cas, l'inspector de policia Kurt Wallander -un

home vulnerable i amb aires d'antiheroi, però amb la perspicàcia que dona un fi olfacte- descobreix que no només s'ha d'enfrontar amb un assassí amb una temible intel·ligència, que sens dubte rivalitza amb la seva, sinó que sembla que es guia per un desig de venjança sanguinari i fosc. Quan, finalment, en Wallander creu que segueix la pista correcta, un seguit d'atroços descobriments capgira la investigació.

Children of the Light Isles, Book Two
 New Press/ORIM

He strikes at random. His motive unknown. No one is safe... Helsingborg police must solve the unsolvable. A wave of apparently random homicides is sweeping through their idyllic seaside town. The murders have no pattern, no order, no reason. The perpetrator is immune to psychological profiling; forensically untraceable; utterly invulnerable to modern police techniques. The body count

is growing. But lead investigator Fabian Risk is distracted by his mission to expose a corrupt colleague, and his boss Astrid is spiralling back into addiction. As the hunt for the solution becoming ever more desperate, their tight-knit team begins to unravel... Motive X is both an explosive, multi-layered thriller and a fearless exploration of the darkest side of human nature. To enter Stefan Ahnhem's world, with its interwoven plotlines and sprawling cast of characters, is to put yourself in the hands of a master storyteller. The story continues in *X Ways to Die*, available May 2020. **REVIEWS FOR STEFAN AHNHEM:** 'Atmospheric and complicated [...] with great cop characters and some imaginatively grisly perps' *Sunday Times* (star pick). 'More gripping than Jo Nesbo, blacker than Stieg Larsson and more bleakly human than Henning Mankell' *Tony Parsons*. 'Epic in scale and ambition' *Daily Mail*. 'An intense journey, with an intricate plot ... Ahnhem has mastered atmosphere, pacing and intrigue' *Crime Review*. 'Masterly plotting, grisly murders and chilling suspense: Stefan Ahnhem keeps the threads of this complex, two-country narrative pulled tense' *Better Reading*.

The Rock Blaster *Pedagogies de la democràcia i la resistència a l'Europa del segle XX i fins avui*

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better. **SAGE**

Sofia, who lost her legs as a child, is now grown up with children in Mozambique, but when she discovers that Armando, the father of her children, is cheating on her, she leaves him, igniting his terrible rage.

Inodoro Pereyra *Springer Nature*
Henning Mankell's first novel, never before released in English, explores the reflections of a working class man who has struggled against the constraints of his station for his entire life. **A VINTAGE ORIGINAL**. The year is 1911. The young

rock blaster Oskar Johansson has been killed in an accident. Or so it says in the local newspaper. In spite of serious injuries, however, Oskar survives. Decades later, Oskar looks back and reflects on his working life as an invalid, his marriage, his dreams, and his hopes. Oskar's life is woven together out of fragments of voices, images, and episodes that, taken together, provide a sharp and precise picture of life in Sweden for the working class.

Let the Old Dreams Die *Head of Zeus Ltd*

On the windswept shore of a frozen lake lurks a faceless killer determined to keep the past buried forever beneath half a century's silent ice and snow. The body of a young woman surfaces in the River Torne, in the far north of Sweden.

Meanwhile, Rebecka Martinsson is working as a prosecutor in nearby Kiruna. Her sleep has been disturbed by haunting visions of a shadowy, accusing figure. Could the body be connected to the ghostly young woman in her dreams? Joining forces once again with Police Inspector Anna-Maria Mella, Rebecka is drawn into a murder and missing-person investigation that becomes entangled with old rumors of a German supply plane that mysteriously disappeared in 1943. Shame and secrecy shroud the locals' memories of the war, with Sweden's early collaboration with the Nazis still a raw wound. With psychologically complex twists and turns, this harrowing thriller captivates from the very first page.

Until Thy Wrath Be Past *Society of Biblical Lit*

Recent debates on migration have demonstrated the important role of concepts in academic and political discourse. The contributions to this collection revisit established analytical categories in the study of migration such as border regimes, orders of belonging, coloniality, translation, trans/national digital culture and memory. Exploring notions, images and realities of migration in their cultural framings, this volume sheds light on the powerful work of these concepts. Including perspectives on migration from history, visual studies, pedagogy, literary and cultural studies, cultural anthropology and sociology, it explores the complex scholarly and popular notions of migration with particular focus on their often unspoken assumptions and political implications. Revisiting established analytical tools in the study of migration, the

interdisciplinary contributions explore new approaches and point to the importance of conceptual nuance extending beyond academic discourse.

Aprendre Word *Institut d'Estudis Catalans*
"Every story has a narrator. Someone who writes it down after it's all over. Why am I the narrator of this story? I am because it is the story of my life—and of the people I love most. . . ." Harry and Madeleine Winslow have been blessed with talent, money, and charm. Harry is a National Book Award-winning author on the cusp of greatness. Madeleine is a woman of sublime beauty and grace whose elemental goodness and serenity belie a privileged upbringing. Bonded by deep devotion, they share a love that is both envied and admired. The Winslows play host to a coterie of close friends and acolytes eager to bask in their golden radiance, whether they are in their bucolic East Hampton cottage, abroad in Rome thanks to Harry's writing grant, or in their comfortable Manhattan brownstone. One weekend at the start of the summer season, Harry and Maddy, who are in their early forties, meet Claire and cannot help but be enchanted by her winsome youth, quiet intelligence, and disarming naivete. Drawn by the Winslows' inscrutable magnetism, Claire eagerly falls into their welcoming orbit. But over the course of the summer, her reverence transforms into a dangerous desire. By Labor Day, it is no longer enough to remain one of their hangers-on. A story of love, lust, deception, and betrayal as seen through the omniscient eyes of Maddy's childhood friend Walter, a narrator akin to Nick Carraway in *The Great Gatsby*, *Indiscretion* is a juicy, richly textured novel filled with fascinating, true-to-life characters—an irresistibly sensual page-turner that explores having it all and the consequences of wanting more. *Indiscretion* also marks the debut of a remarkably gifted writer and storyteller whose unique voice bears all the hallmarks of an exciting new literary talent.

The Power of Now *Bold Type Books*
This inventive work explores Mark's Gospel within the contexts of the empires of Rome and Europe. In a unique dual analysis, the book highlights how empire is not only part of the past but also of a present colonial heritage. The book first outlines postcolonial criticism and discusses the challenges it poses for biblical scholarship, then scrutinizes the complex ways with which nineteenth-century commentaries on Mark's Gospel interplayed with the formation of European colonial identities. It examines the stance

of Mark's Gospel vis-à-vis the Roman Empire and analyzes the manner in which the fibers of empire within Mark are interwoven, reproduced, negotiated, modified and subverted. Finally, it offers synthesizing suggestions for bringing Mark beyond a colonial heritage. The book's candid use of postcolonial criticism illustrates how a contemporary perspective can illuminate and shed new light on an ancient text in its imperial setting.

A Novel Tor Books

In this open access book, seventeen scholars discuss how contemporary Scandinavian art and media have become important arenas to articulate and stage various forms of vulnerability in the Scandinavian welfare states. How do discourses of privilege and vulnerability coexist and interact in Scandinavia? How do the Scandinavian countries respond to vulnerability given increased migration? How is vulnerability distributed in terms of margin and centre, normality and deviance? And how can vulnerability be used to move audiences towards each other and accomplish change? We address these questions in an interdisciplinary study that brings examples from celebrated and provocative fiction and documentary films, TV-series, reality TV, art installations, design, literature, graphic art, radio podcasts and campaigns on social media.

Imagining Human Rights in Twenty-First Century Theater Palgrave Macmillan

A tense and atmospheric standalone thriller about two brothers, one small town, and a lifetime of dark secrets, from bestselling author Jo Nesbø "I read *The Kingdom* and couldn't put it down ... Suspenseful ... Original ... This one is special in every way." —Stephen King A KIRKUS REVIEWS BEST MYSTERY AND THRILLER OF THE YEAR Roy and Carl, brothers from a small mountain town, have spent their whole lives hiding from the darkness in their pasts—Roy by staying put and staying quiet, and Carl by running far away. Roy believed his little brother was gone for good. But Carl has big plans for his hometown. And when he returns with a mysterious new wife and a business opportunity that seems too good to be true, simmering tensions begin to surface and unexplained deaths in the town's past come under new scrutiny. Soon powerful players set their sights on taking the brothers down by exposing their role in the town's sordid history. But Roy and Carl are survivors, and no strangers to violence. As the town's long-buried past begins to surface, Roy will be forced to choose between his own flesh

and blood and a future he had never dared to believe possible.

The Water Rituals Purdue University Press

From the New York Times–bestselling author: A story of one man's awakening and "a heartfelt reminder of the many people whose struggles are never known" (*The Plain Dealer*). Jesper Humlin, a poet of middling acclaim and underwhelming book sales, is facing a crisis. His boy-wonder stockbroker has squandered Humlin's investments, and his editor, who says he must write a crime novel to survive, starts pitching and promoting the nonexistent book despite Humlin's emphatic refusals. Then, when he travels to Gothenburg to give a reading, he finds himself thrust into a world where names shift, stories overlap, and histories are both deeply secret and in profound need of retelling. Leyla from Iran, Tanya from Russia, and Tea-Bag, who is from Africa but claims to be from Kurdistan (because Kurds might receive preferential treatment as refugees)—these are the shadow girls who become Humlin's unlikely pupils in impromptu writing workshops. Though he had imagined their stories as fodder for his own book, soon their intertwining lives require him to play a much different role. Offering both surprising humor and heartrending tragedy, *The Shadow Girls* is a "passionate and entertaining" triumph that will astonish longtime fans of Mankell's acclaimed Kurt Wallander novels as well as readers new to his work (*The Daily Telegraph*).

Laterals Harper Collins

HOW DO YOU UNMASK A KILLER WHO'S SPENT YEARS PREPARING TO HUNT YOU DOWN? A pregnant woman has been murdered in a brutal, ritualistic way: burned, hung, and then placed upside down in a Bronze Age cauldron. When Unai "Kraken" Lopez de Ayala discovers the victim is his first love, Ana Belén Liaño, memories of their time together come flooding back, and with them reminders of a dark secret long buried. Then the killer strikes again, enacting the same ritual against a second expectant parent. Kraken knows he must confront his past in order to unmask this fiend. And there's no time to waste, because Deputy Superintendent Díaz de Salvatierra has just found out she's carrying a child. And the father could very well be Kraken himself...

Word 2010, el processador de textos per excel·lència de Microsoft, és una òptima eina de creació i edició de documents de textos. Gràcies a les seves increïbles i potents funcions, vostè podrà crear documents de text de tota mena, incloent-

hi imatges, gràfics i altres elements. No dubti a realitzar els 100 exercicis d'aquest llibre per descobrir les mil i una possibilitats que amaga aquest genial programa, tan utilitzat pels usuaris. Amb aquest llibre: Descobreixi una millor experiència de recerca i navegació gràcies al nou Panell de navegació. Afegeixi espectaculars efectes visuals propis d'imatges als textos dels seus documents. Editi les imatges inserides en els seus documents amb les noves eines d'edició, semblants a les de qualsevol programa d'edició de fotografies. Insereixi captures de pantalla per plasmar i incorporar de forma ràpida i senzilla il·lustracions visuals. Simplifiqui el mode d'accés a les característiques de gestió d'arxius des de la nova vista Microsoft Office Backstage. Tots els títols d'aquesta col·lecció en color i amb un format de 19,5x24 cm, la qual cosa permet una lectura més agradable dels temes tractats.

Vampire Junction Marcombo

There is extraordinary diversity, depth, and complexity in the encounter between theatre, performance, and human rights. Through an examination of a rich repertoire of plays and performance practices from and about countries across six continents, the contributors to this volume seek to open the way toward understanding the character and significance of this encounter. Divided into three interrelated sections, the book focuses on a range of critical and timely human rights questions as they relate to transitional justice, memory politics, citizenship, the 'War on Terror,' transnational spectatorship, and the global economic order. Authors ask what artists, audiences and readers imagine, expect, and desire from the engagement of theatre and performance with these crucial questions. Ultimately, this book aims to provide nuanced, global perspectives on the emerging and transformative aesthetics, ethics and effects of this encounter at the turn of the twenty-first century.

Foxmask Walter de Gruyter GmbH & Co KG

A la vida de l'inspector Kurt Wallander hi ha hagut alguns canvis: no només ha fet realitat el somni de tenir una casa al camp, sinó que a més la seva filla Linda l'ha fet avi. Però la tranquil·litat de seguida s'esvaeix quan, un dia d'hivern de 2008, el sogre de Linda, un oficial de la marina, desapareix en un bosc. Wallander no pot evitar implicar-s'hi. Les pistes apunten a grups d'extrema dreta que són dins la marina sueca, i a uns fets que van tenir lloc al final de la Guerra Freda, quan diversos submarins soviètics van ser

acusats de violar les aigües territorials de Suècia.

Delibros Ediciones AKAL

In Goliath, New York Times bestselling author Max Blumenthal takes us on a journey through the badlands and high roads of Israel-Palestine, painting a startling portrait of Israeli society under the siege of increasingly authoritarian politics as the occupation of the Palestinians deepens. Beginning with the national elections carried out during Israel's war on Gaza in 2008-09, which brought into power the country's most right-wing government to date, Blumenthal tells the story of Israel in the wake of the collapse of the Oslo peace process. As Blumenthal reveals, Israel has become a country where right-wing leaders like Avigdor Lieberman and Bibi Netanyahu are sacrificing democracy on the altar of their power politics; where the loyal opposition largely and passively stands aside and watches the organized assault on civil liberties; where state-funded Orthodox rabbis publish books that provide instructions on how and when to kill Gentiles; where half of Jewish youth declare their refusal to sit in a classroom with an Arab; and where mob violence targets Palestinians and African asylum seekers scapegoated by leading government officials as "demographic threats." Immersing himself like few other journalists inside the world of hardline political leaders and movements,

Blumenthal interviews the demagogues and divas in their homes, in the Knesset, and in the watering holes where their young acolytes hang out, and speaks with those political leaders behind the organized assault on civil liberties. As his journey deepens, he painstakingly reports on the occupied Palestinians challenging schemes of demographic separation through unarmed protest. He talks at length to the leaders and youth of Palestinian society inside Israel now targeted by security service dragnets and legislation suppressing their speech, and provides in-depth reporting on the small band of Jewish Israeli dissidents who have shaken off a conformist mindset that permeates the media, schools, and the military. Through his far-ranging travels, Blumenthal illuminates the present by uncovering the ghosts of the past—the histories of Palestinian neighborhoods and villages now gone and forgotten; how that history has set the stage for the current crisis of Israeli society; and how the Holocaust has been turned into justification for occupation. A brave and unflinching account of the real facts on the ground, Goliath is an unprecedented and compelling work of journalism.

De Espartaco al lanzador de zapatos de Bagdad New World Library

Desde el principio de los tiempos y a lo largo y ancho de todos los continentes, la gente se ha enfrentado a los que ostentaban el poder y ha alzado sus voces en protesta, movilizándolo a otros e

inspirando futuras sublevaciones. Sus ecos reverberan desde la antigua Grecia, China y Egipto, a través de los poetas y filósofos disidentes del islam y el judaísmo, las revueltas de los esclavos árabes y las rebeliones en contra del Imperio otomano de la Edad Media. En los inicios del mundo moderno, las revoluciones holandesa e inglesa, que a su vez desembocaron en las revoluciones francesa, haitiana, norteamericana, rusa y china, recurrieron a estas fuentes. En la actualidad la resistencia está a la orden del día, ante la guerra y la opresión económica, en los campos de batalla y en los espacios públicos desde Pekín a Bagdad, de Caracas a Los Ángeles, de Madrid a Nueva York. Esta antología, de ámbito global, presenta voces disidentes de toda la historia de la humanidad: discursos y panfletos, poemas y canciones, obras de teatro y manifiestos. Cada época tuvo sus iconoclastas, los más importantes de los cuales se fundamentaron en las palabras y acciones de sus predecesores. El libro de la disidencia se convertirá en un recurso inestimable, que recuerde a los ciudadanos actuales que esas tradiciones nunca perecerán. «El libro de la disidencia pone de manifiesto las muchas formas en las que la lucha constante por crear un mundo mejor ha traspasado los muros de la apatía y el conformismo.» Noam Chomsky «Leer este libro es como encontrarse con nuestra airada mejor versión.» Time Out Chicago
