A Novel HarperCollins

Princess Mia puts together a musical money-making scheme to save her student government, which could serve as preparation for one day balancing the budget of her small country. Reprint. [Christmas Baby for the Greek](#) HarperTeen Mia would give all the jewels in Genovia for the perfect present Every year, Princess Mia spends the holidays in Genovia with Grandmère. This year, she's looking forward to the most perfect Christmas ever: her boyfriend, Michael, and her best friend, Lilly, are coming to Genovia, too. But even a princess's plans can go awry. Lilly has a lot to learn about palace protocol, and with all the state holiday functions Mia must attend, there's no time to linger under the mistletoe with Michael. Worst of all, Mia hasn't been able to find him the perfect gift. Can Mia stop her (bah-hum)bugging long enough to see that the perfect present has nothing to do with international express courier -- and everything to do with real love? (Though some shiny silver ribbon never hurts ...)

[Midnight Days](#) Airhead Book 2: Being Nikki AN UNFORGETTABLE HEROINE, A KING MISUNDERSTOOD BY HISTORY, A LOVE STORY THAT HAS NEVER BEEN TOLD In A Rose for the Crown, we meet one of history's alleged villains through the eyes of a captivating new heroine -- the woman who was the mother of his illegitimate children, a woman who loved him for who he really was, no matter what the cost to herself. As Kate Haute moves from her peasant roots to the luxurious palaces of England, her path is inextricably intertwined with that of Richard, Duke of Gloucester, later King Richard III. Although they could never marry, their young passion grows into a love that sustains them through war, personal tragedy, and the dangerous heights of political triumph. Anne Easter Smith's impeccable research provides the backbone of an engrossing and vibrant debut from a major new historical novelist.

Airhead Book 2: Being Nikki Scholastic Inc. **Wintersong** Dark Valentine Press From the #1 New York Times bestselling author of the Princess Diaries series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia's gorgeous

longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother's leaked "fake" wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne, all because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she's not only ready to wed, but ready to rule as well?

My instincts warned me that Alex Volkov is a dangerous man. My mind told me to run when he set his sights on me with unfaltering determination. It's not that I didn't try to resist, but Alex had a game plan. He was always one step ahead of me, skillfully drawing me deeper into his web. Even when he gave me freedom, it was only an illusion. Now, even that illusion has vanished. I'm his prisoner in the truest sense of the word, whisked away to Russia on his private plane. I no longer have a say, not while our lives are at risk, and maybe never again. Our story balances on a thin edge between disaster and happiness. With each day that passes, I grow less certain of which side the coin will land on... or if we'll even survive. Note: This is the conclusion of Alex and Kate's story.
