Workbook McGraw Hill Professional Learning to read and write Chinese requires lots of practice. This unique practice guide can be used with any Chinese textbook or on its own to enhance your proficiency in reading and writing Mandarin Chinese. Intermediate Written Chinese Practice Essentials offers a wealth of carefully-designed exercises and activities to help you develop every aspect of your reading and writing ability. This workbook has been designed so it can be used either in a class with an instructor or by independent learners working on their own. Both simplified and traditional characters are taught and practiced in the same volume. This means students can learn either or both kinds of characters without having to purchase another book, and instructors have the flexibility to teach a combined class where some students read and write one type of characters and other students the other type. This workbook provides character practice sheets for the 336 characters introduced in Intermediate Written Chinese, with complete information on stroke order and direction for both the simplified and traditional forms of the characters. Reading and writing exercises are included, such as those involving dictation and the answering of questions based on the content of each lesson. English-Chinese translation exercises are provided for each unit. The Downloadable content provides: Native-speaker audio recordings for dictation practice. Printable flash cards for all the new characters and words, with Chinese characters on one side and Pinyin and English on the other. Printable pdf files with additional exercises and activities. Together with this book, you can use Intermediate Spoken Chinese if you

want to learn fluent spoken Mandarin. About the Series: Respected Chinese language expert Dr. Cornelius Kubler, who has taught diplomats, business people and students, presents a learning system that uses separate but integrated "tracks" to help you efficiently master the basics of spoken and written Chinese. The materials in the Basic Chinese series allow you to move from complete beginner level to basic fluency.

This book offers a complete Chinese course based on Level 1 of the Chinese Proficiency Test (HSK). There are totally 150 Simplified Chinese words with pinyin and translation in English with strokes order for every word. The HSK 普通话考试 (Hànyǔ Shuǐpíng Kǎoshì), or Chinese Proficiency Test, is the standardized exam roughly equivalent to a TOEFL for Mandarin. It covers academic, professional, and daily life Chinese skills, making it appropriate for anyone who wants to obtain official credentials for their Chinese ability or just track their learning. While the majority of test takers are students, the HSK is a great way for professionals to impress prospective employers with your commitment to learning Chinese, and an opportunity to continue improving your Chinese in a measured process. As with any test, practice makes perfect. Consistent exposure and experience with Chinese grammar structures and instances of how vocabulary words are used properly is necessary with the HSK. The HSK is a great opportunity to be rewarded for your Chinese studies.

This is an intermediate-level course in written Chinese that employs a revolutionary new method designed to have you quickly reading and writing simple, connected Chinese sentences. The Basic Chinese and Intermediate Chinese books provide separate but integrated "tracks" to help you learn to speak, read, and write Chinese efficiently at your own pace. Some students and teachers wish to emphasize speaking ability first, whereas others wish to focus on learning to speak, read, and write Chinese at the same time. Intermediate Written Chinese allows you the flexibility to learn the written language and the written Chinese at your own pace. Learn to use 336 high frequency characters, and over 1,200 common words written with them. Together with the 288 characters and 700 words introduced in Basic Written Chinese, a total of 624 characters and more than 1,900 words are formally taught in this two-volume course. In addition, another 199 supplementary characters and over 700 supplementary words are introduced for extra learning, meaning that you will have encountered a grand total of 823 characters and over 2,600 words by the end of this course. Carefully designed to have you quickly reading and writing connected Chinese sentences. Each lesson introduces six new characters and a number of words written with them. By dividing the learning into small tasks, you attain a sense of accomplishment rather than getting bogged down. The structure and etymology of each new character is explained in detail to make the learning of

characters easier, and similar characters are compared and contrasted. Some lessons include realia such as photographs of street signs, name cards, e-mail messages, and handwritten notes. Both simplified and traditional characters are taught throughout; you may choose to learn one or both. Features a variety of fonts in both typeset and handwritten styles, to prepare you to use Chinese in many different contexts—from reading signs and newspapers, to computers and mobile phone texts. The downloadable audio includes: Over 6 hours of audio by several native Mandarin speakers. Recordings of all reading selections. Recordings with the pronunciations of all new characters and words. Additional lessons and reading selections. Available separately, Intermediate Written Chinese Practice Essentials is the companion workbook for Intermediate Written Chinese. This practical guide includes a broad range of drills and exercises designed to dramatically enhance your proficiency in reading and writing Chinese. While designed for use with the companion textbook, it can be used together with any Chinese textbook or teaching program to hone your Chinese reading and writing skills.

This workbook is designed to accompany the Continuing Mandarin Chinese Textbook and offers a wealth of carefully-designed practice activities to help you solidify every aspect of your Chinese skills in listening, speaking, reading, and writing. It includes copious drills, exercises, and other practice materials. Online audio and video files are available for use in the relevant exercises. The lessons in this workbook correspond to the 24 lessons in the Continuing Mandarin Chinese Textbook. The materials in this workbook are meant to be completed by students outside of class, to strengthen and consolidate their understanding of the materials in the textbook. Each lesson of the workbook contains two parts. Each part has two sets of listening comprehension exercises, one translation exercise, one character practice sheet, and one reading and writing exercise. Lessons 13 and 24 of the textbook are review lessons and therefore have no corresponding workbook materials.
