NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members

and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

If you want to learn how to read Tarot Cards, then this book is for you! Many people have incorrectly categorized Tarot Card reading along with other occult fortune-telling techniques such as Ouija boards, crystal balls, palm readings, tea leaves and so forth. However, this could not be further from the truth. Tarot is a divination system that is used to reveal possible outcomes and influences in someone's life or particular situation; and readings are most helpful if used as a platform of guidance to help inform whether or not a person is on the right path or should change course. For example, a tarot reading could give you a glimpse of events to assist in seeing whether there is impending danger or if you are on a path to self-destruction. Therefore, although tarot card readings don't reveal specifically what's in store for the future, they can certainly help to open your eyes and make more informed decisions. For those wanting to learn how to read Tarot Cards, this book serves as a fantastic starting point. Let's begin!

The beloved literary iconoclast delivers a fresh twenty-first century primer on tarot that can be used with any deck. While tarot has gone mainstream with a diverse range of tarot decks widely available, there has been no equally mainstream guide to the tarot—one that can be applied to any deck—until now. Infused with beloved iconoclastic author Michelle Tea's unique insight, inviting pop sensibility, and wicked humor, Modern Tarot is a fascinating journey through the cards that teaches how to use this tradition to connect with our higher selves. Whether you're a committed seeker or a digital-age skeptic—or perhaps a little of both—Tea's essential guide opens the power of tarot to you. Modern Tarot doesn't require you to believe in the supernatural or narrowly focus on the tarot as a divination tool. Tea instead provides incisive descriptions of each of the 78 cards in the tarot system—each illustrated in the charmingly offbeat style of cartoonist Amanda Verwey—and introduces specially designed card-based rituals that can be used with any deck to guide you on a path toward radical growth and self-improvement. Tea reveals how tarot offers moments of deep, transformative connection—an affirming, spiritual experience that is gentle, individual, and aspirational. Grounded in Tea's twenty-five years of tarot wisdom and her abiding love of the cards, and featuring 78 black and white illustrations throughout, Modern Tarot is the ultimate introduction to the tradition of the tarot for millennial readers.
