HOLMES CAYDEN

A Wrinkle in Time
Pearson UK
Selected by the
Modern Library as one
of the 100 best
nonfiction books of all
time From the Modern
Library's new set of
beautifully repackaged
hardcover classics by
Truman Capote—also
available are Breakfast
at Tiffany's and Other
Voices, Other Rooms
(in one volume),

Portraits and
Observations, and The
Complete Stories
Truman Capote's
masterpiece, In Cold
Blood, created a
sensation when it was
first published, serially,
in The New Yorker in
1965. The intensively
researched,
atmospheric narrative
of the lives of the
Clutter family of
Holcomb, Kansas, and
of the two men,
Richard Eugene
Hickock and Perry
Edward Smith, who

brutally killed them on the night of November 15, 1959, is the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “I thought he was a very nice gentleman,” he says of Herb Clutter. “Soft-spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers’ flight, Capote’s account is so detailed that the reader comes to feel almost like a participant in the events.

How the Other Half Lives Faber & Faber
A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. “Wild nights are my glory,” the unearthly stranger told them. “I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I’ll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract.” A tesseract (in case the reader doesn’t know) is a wrinkle in time. To tell more would rob the reader of the

enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Out of My Mind

Penguin

Developed from celebrated Harvard statistics lectures, *Introduction to Probability* provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications

and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional *Esperanza Rising (Scholastic Gold)* Penguin
Ben Horowitz, cofounder of Andreessen Horowitz and one of Silicon Valley's most respected and experienced entrepreneurs, offers essential advice on building and running a startup—practical wisdom for managing the toughest problems business school doesn't cover, based on his popular ben's blog. While many people talk about how great it is to start a business, very few are honest about how difficult it is to run one. Ben Horowitz analyzes

the problems that confront leaders every day, sharing the insights he's gained developing, managing, selling, buying, investing in, and supervising technology companies. A lifelong rap fanatic, he amplifies business lessons with lyrics from his favorite songs, telling it straight about everything from firing friends to poaching competitors, cultivating and sustaining a CEO mentality to knowing the right time to cash in. Filled with his trademark humor and straight talk, *The Hard Thing About Hard Things* is invaluable for veteran entrepreneurs as well as those aspiring to their own new ventures, drawing from Horowitz's personal and often

humbling experiences. *Lucky Jim* Simon and Schuster
Three Times Lucky Penguin
The Tiger Rising Enrich Spot Limited
Discovering a magical pencil that imparts answers to her questions, Ava and her best friend, Sophie, learn the pencil's rules and become increasingly reliant on its replies until it reveals a scary truth about Ava's family. By the award-winning author of the Marty McGuire series.

The Poisonwood Bible CRC Press

In this New York Times bestseller, follow the author of *The Notebook* as he travels the world with his brother learning about faith, loss, connection, and hope. As moving as his bestselling works of

fiction, Nicholas Sparks's unique memoir, written with his brother, chronicles the life-affirming journey of two brothers bound by memories, both humorous and tragic. In January 2003, Nicholas Sparks and his brother, Micah, set off on a three-week trip around the globe. It was to mark a milestone in their lives, for at thirty-seven and thirty-eight respectively, they were now the only surviving members of their family. Against the backdrop of the wonders of the world and often overtaken by their feelings, daredevil Micah and the more serious, introspective Nicholas recalled their rambunctious childhood adventures and the tragedies that tested their faith. And

in the process, they discovered startling truths about loss, love, and hope. Narrated with irrepressible humor and rare candor, and including personal photos, *Three Weeks with My Brother* reminds us to embrace life with all its uncertainties . . . and most of all, to cherish the joyful times, both small and momentous, and the wonderful people who make them possible.

The Old Man And The Sea Scholastic Inc.

In Queens, New York, in 1969, twelve-year-old Julian Twerski writes a journal for his English teacher in which he explores his friendships and how they are effected by girls, a new student who may be as fast as Julian, and especially

an incident of bullying.

Head First Statistics

Harper Collins

It is almost impossible to envision what childhood would be like without the enchanting world of fairyland.

Three Weeks with My Brother

Bloomsbury Publishing
USA

Newbery honor winner, New York Times bestseller, Edgar

Award Finalist, and E.B.

White Read-Aloud

Honor book. A hilarious

Southern debut with

the kind of characters

you meet once in a

lifetime Rising sixth

grader Miss Moses

LoBeau lives in the

small town of Tupelo

Landing, NC, where

everyone's business is

fair game and no

secret is sacred. She

washed ashore in a

hurricane eleven years

ago, and she's been

making waves ever

since. Although Mo

hopes someday to find

her "upstream

mother," she's found a

home with the Colonel-

-a café owner with a

forgotten past of his own--and Miss Lana, the fabulous café hostess. She will protect those she loves with every bit of her strong will and tough attitude. So when a lawman comes to town asking about a murder, Mo and her best friend, Dale Earnhardt Johnson III, set out to uncover the truth in hopes of saving the only family Mo has ever known. Full of wisdom, humor, and grit, this timeless yarn will melt the heart of even the sternest Yankee.

**The Hard Thing
About Hard Things**

Harper Collins
Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always

loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

The Iliad Penguin

The New York Times bestseller with more than 1 million copies sold worldwide inspired by the incredible true story of one Jewish family separated at the start of World War II, determined to survive—and to reunite—*We Were the Lucky Ones* is a tribute to the triumph of hope and love against all odds. “Love in the face of global adversity? It couldn't be more timely.” —*Glamour* It is the spring of 1939 and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows closer. The talk around the family Seder table is of new babies and budding romance, not of the increasing hardships threatening Jews in their hometown of

Radom, Poland. But soon the horrors overtaking Europe will become inescapable and the Kurcs will be flung to the far corners of the world, each desperately trying to navigate his or her own path to safety. As one sibling is forced into exile, another attempts to flee the continent, while others struggle to escape certain death, either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight. Driven by an unwavering will to survive and by the fear that they may never see one another again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere. An extraordinary, propulsive novel, *We*

Were the Lucky Ones demonstrates how in the face of the twentieth century's darkest moment, the human spirit can endure and even thrive.

In Cold Blood Penguin
A hilarious satire about college life and high class manners, this is a classic of postwar English literature.

Regarded by many as the finest, and funniest, comic novel of the twentieth century, *Lucky Jim* remains as trenchant, withering, and eloquently misanthropic as when it first scandalized readers in 1954. This is the story of Jim Dixon, a hapless lecturer in medieval history at a provincial university who knows better than most that "there was no end to the ways in

which nice things are nicer than nasty ones." Amis's scabrous debut leads the reader through a gallery of emphatically English bores, cranks, frauds, and neurotics, with each of whom Dixon must contend in one way or another in order to hold on to his cushy academic perch and win the girl of his fancy. More than just a merciless satire of cloistered college life and stuffy post-war manners, *Lucky Jim* is an attack on the forces of boredom, whatever form they may take, and a work of art that at once distills and extends an entire tradition of English comic writing, from Fielding and Dickens through Wodehouse and Waugh. As Christopher Hitchens has written, "if you can

picture Bertie or Jeeves being capable of actual malice, and simultaneously imagine Evelyn Waugh forgetting about original sin, you have the combination of innocence and experience that makes this short romp so imperishable.”

The Outsiders Simon and Schuster

This translation of The Iliad equals Fitzgerald's earlier Odyssey in power and imagination. It recreates the original action as conceived by Homer, using fresh and flexible blank verse that is both lyrical and dramatic.

Three Times Lucky

Yearling

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels.

Includes exclusive

bonus content!

Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-

because Mama's life, and her own, depend on it.

Lord of the Flies CRC Press

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The

extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing

foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE *THE BOOK THIEF*. The Crimson Fairy A&C Black
The struggle of three

brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Roll of Thunder, Hear My Cry Harper Collins Presents recipes ranging in difficulty with the science and technology-minded cook in mind, providing the science behind cooking, the physiology of taste, and the techniques of molecular gastronomy.

Little Fires Everywhere (Movie Tie-In) Kathy Dawson Books A comprehensive introduction to statistics that teaches the fundamentals with real-life scenarios, and covers histograms, quartiles, probability, Bayes' theorem,

predictions, approximations, random samples, and related topics.

Real Science, Great Hacks, and Good Food "O'Reilly Media, Inc." A monster assembled by a scientist from parts of dead bodies develops a mind of his own as he learns to loathe himself and hate his creator. Shelley's suspenseful and intellectually rich gothic tale confronts some of the most important and enduring themes in all of literature—the power of human imagination, the potential hubris of science, the gulf between appearance and essence, the effects of human cruelty, the desire for revenge and the need for forgiveness, and much more.
