 King is a passionate and entertaining guide and reading Danse Macabre is rather like being in a pub with a much-loved uncle as he tells you stories of ghosts and monsters. Danse Macabre is King's personal trawl through the world of horror: horror films and fiction in the main, but also the world of 1950s sci-fi radio, the murky world of E.C comics and, well, pretty much anything else he finds relevant and of interest.

 The Danse Macabre, or dance of death, is a medieval concept about the power of death as an equalizer. No matter who you are or where you come from, death finds us all. The term has a death positive tone. It's not intended to evoke fear or worry. It's a simple reminder that dance is always lurking near.
