 Positive. Negative. It's how you look at it. . . . Someone shoves a photo negative into Rowan's hands. She is distracted but, frankly, she has larger problems to worry about. Her brother is dead. Her father has left. Her mother won't get out of bed. She has to take care of her younger sister. And keep it all together . . . But Rowan is curious about the mysterious boy and the negative. Who is he? Why did he give it to her? The mystery only deepens when the photo is developed and the inconceivable appears. Everything is about to change for Rowan. . . . Finally, something positive is in her life. Award-winning author Jenny Valentine delivers a powerful and life-affirming story of grief, friendship, and healing that will resonate long after the last page.

*Clergyman's Wife* combines the knowing eye of Jane Austen with the eroticism and Gothic intrigue of Sarah Waters to reimagine the life of the mysterious Anne de Bourgh. As a fussy baby, Anne de Bourgh was prescribed laudanum to quiet her, and now the young woman must take the opium-heavy tincture every day. Growing up sheltered and confined, removed from sunshine and fresh air, the pale and overly slender Anne grew up with few companions except her cousins, including Fitzwilliam Darcy. Throughout their childhoods, it was understood that Darcy and Anne would marry and combine their vast estates of Pemberley and Rosings. But Darcy does not love Anne or want her. After her father dies unexpectedly, leaving her his vast fortune, Anne has a moment of clarity: what if her life of fragility and illness isn't truly real? What if she could free herself from the medicine that clouds her sharp mind and leaves her body weak and lethargic? Might there be a better life without the medicine she has been told she cannot live without? In a frenzy of desperation, Anne discards her laudanum and flees to the London home of her cousin, Colonel John Fitzwilliam, who helps her through her painful recovery. Yet once she returns to health, new challenges await. Shy and utterly inexperienced, the wealthy heiress must forge a new identity for herself, learning to navigate a "season" in society and the

complexities of love and passion. The once wan, passive Anne gives way to a braver woman with a keen edge—leading to a powerful reckoning with the domineering mother determined to control Anne’s fortune . . . and her life. An extraordinary tale of one woman’s liberation, *The Heiress* reveals both the darkness and light in Austen’s world, with wit, sensuality, and a deeply compassionate understanding of the human heart.

For fans of Emma Lord and Abbi Glines, Jennifer Iacopelli’s swoony, romantic new novel follows elite ice dancer Adriana Russo as she finds herself drawn to both her old dance partner and her new one. Adriana Russo is figure skating royalty. With gold-medalist parents, and her older sister headed to the Olympics, all she wants is to live up to the family name and stand atop the ice dance podium at the Junior World Championships. But fame doesn’t always mean fortune, and their legendary skating rink is struggling under the weight of her dad’s lavish lifestyle. The only thing keeping it afloat is a deal to host the rest of the Junior Worlds team before they leave for France. That means training on the same ice as her first crush, Freddie, the partner she left when her growth spurt outpaced his. For the past two years, he’s barely acknowledged her existence, and she can’t even blame him for it. When the family’s finances take another unexpected hit, losing the rink seems inevitable until her partner, Brayden, suggests they let the world believe what many have suspected: that their intense chemistry isn’t contained to the ice. Fans and sponsors alike take the bait, but keeping up the charade is harder than she ever imagined. And training alongside Freddie makes it worse, especially when pretending with Brayden starts to feel very real. As the biggest competition of her life draws closer and her family’s legacy hangs in the balance, Adriana is caught between her past and present, between the golden future she’s worked so hard for, and the one she gave up long ago.

trouble, Aubree is talked into taking over Elizabeth's summer job, leading a group of senior citizens on a bus tour through Europe. Aubree doesn't even make it to the first stop in Amsterdam before their perfect plan unravels, leaving her with no phone, no carefully prepared binder full of helpful facts, and an unexpected guest: the tour company owner's son, Sam. Considering she's pretending to be Elizabeth, she absolutely shouldn't fall for him, but she can't help it, especially with the most romantic European cities as the backdrop for their love story.
