Get better and faster: In our fast-paced world, precision and speed are valuable qualities. Kumon Speed and Accuracy Math Workbooks give your child the competitive edge they need for school and beyond. On each page, children time their progress, so they can see their skills and speed improve. If your child can add numbers 1 through 9,

then this book will increase his or her speed and accuracy when adding. Use this book to help your child practice and master basic addition. Summer Review and Prep 4-5 Kumon Pub North America Limited
Kumon's research has discovered that children learn more easily when they tackle one skill at a time. That's why Kumon Focus on Workbooks shine a spotlight on one

challenging maths topic per book and help children improve these essential skills and gain confidence in their abilities. Each workbook utilises the Kumon Method - a step-by-step, incremental approach that helps children learn at their own pace and without anxiety. By rigorously practising each skill, the child will be proficient in the mathematics that is crucial for future learning.
