ADVERTISEMENTS: In this article we will discuss about the state of education during Mughal period in India. With the coming of the Mughals

educational and cultural activities received great fillip. Babur, the first Mughal ruler, was a man of literary taste and possessed perfect knowledge of Persian, Arabic and Turkish. His memoirs, is a work [...] Education during the Mughal Period in India The mughal empire : Paintings and Music. The contribution of Mughals to the art of painting was remarkable. The foundation for the Mughal painting was laid by Humayun when he was staying in Persia. He brought with him two painters - Mir Sayyid Ali and Abdal Samad to India. These two painters became famous during Akbar's reign. The mughal empire : Paintings and Music Although each classic period Mughal ruler was the son of his predecessor, the succession was by no means one of primogeniture—the

eldest did not necessarily win his father's throne. In the Mughal world, every son had an equal share in his father's patrimony, and all males within a ruling group had a right to succeed to the throne, creating an open-ended, if contentious, system.
