The Curious Case of Benjamin Button Hal Leonard Publishing Corporation

"The Curious Case of Benjamin Button" is a short story by F. Scott Fitzgerald about a man who ages in reverse: He is born a feeble 70-year-old and becomes younger as the years progress. This faithful graphic-novel adaptation chronicles Benjamin Button's many adventures: He falls in love with a woman who ages normally (this causes complications), starts a family, and establishes a successful business. In his later years, he attends Harvard as a student and plays on their football team. By the time he is an old man, Benjamin Button resembles a newborn baby. And then he remembered nothing. Through the noons and nights he breathed and over him there were soft mumbblings and murmurings that he scarcely heard, and faintly differentiated smells, and light and darkness. The Hollywood adaptation of the story-starring Brad Pitt (as Benjamin Button), Cate Blanchett, Tilda Swinton, and Julia Ormond, and directed by David Fincher (who also directed Pitt

in "Fight Club" and "Seven")

Unabridged (100% Original content) Formatted for e-reader Font adjustments & biography included Illustrated About The Curious Case of Benjamin Button by F. Scott Fitzgerald "The Curious Case of Benjamin Button" is a short story written by F. Scott Fitzgerald and first published in *Colliers Magazine* on May 27, 1922. It was subsequently anthologized in his book *Tales of the Jazz Age*, which is occasionally published as *The Curious Case of Benjamin Button and Other Jazz Age Stories*. In 1860 Baltimore, Benjamin is born with the physical appearance of a 70-year-old man, already capable of speech. His father Roger invites neighborhood boys to play with him and orders him to play with

children's toys, but Benjamin obeys only to please his father. At five, Benjamin is sent to kindergarten but is quickly withdrawn after he repeatedly falls asleep during child activities. When Benjamin turns 12, the Button family realizes that he is aging backwards. At the age of 18, Benjamin enrolls in Yale College, but is sent home by officials, who think he is a 50-year-old lunatic. In 1880, when Benjamin is 20, his father gives him a control of Roger Button & Co. Wholesale Hardware. He meets the young Hildegarde Moncrief, a daughter of General Moncrief, and falls in love with her. Hildegarde mistakes Benjamin for a 50-year-old brother of Roger Button; she prefers older men and marries him six months later, but remains ignorant of his condition. Years later, Benjamin's business has been successful, but he is tired of Hildegarde because her beauty has faded and she nags him. Bored at home, he enlists in the Spanish-American War in 1898 and achieves great triumph in the military, rising to the rank of lieutenant colonel. He retires from the army to focus on his company, and receives a medal.

The Curious Case of Benjamin Button and Other Jazz Age Stories OUP Oxford

The inspiration for the major motion picture starring Brad Pitt and Cate Blanchett, plus eighteen

other stories by the beloved author of *The Great Gatsby* In the title story of this collection by one of America's greatest writers, a baby born in 1860 begins life as an old man and proceeds to age backward. F. Scott Fitzgerald hinted at this kind of inversion when he called his era "a generation grown up to find all Gods dead, all wars fought, all faiths in man shaken." Perhaps nowhere in American fiction has this "Lost Generation" been more vividly preserved than in Fitzgerald's short fiction. Spanning the early twentieth-century American landscape, this original collection captures, with Fitzgerald's signature blend of enchantment and disillusionment, America during the Jazz Age. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*The Curious Case of Benjamin Button* The Curious Case of Benjamin Button Illustrated "The Curious Case of Benjamin Button" is a short story written by F. Scott Fitzgerald. First published in *Collier's Magazine* on May 27, 1922. It was subsequently anthologized in his book *Tales of the Jazz Age*, which is occasionally published as *The Curious Case of Benjamin Button and Other Jazz Age Stories*. [1] It also was later adapted into the 2008 namesake film and in 2019 into a stage musical. *The Curious Case of Benjamin Button*

In his short story *The Curious Case of Benjamin Button*, F. Scott Fitzgerald provides a humorous and touching journey that reveals what it's like to be born old and age in reverse. With art by Calef Brown, this collector's edition presents this classic story in illustrated form for the first time.

As long ago as 1860 it was the proper thing to be born at home. At present, so I am told, the high gods of medicine have decreed that the first cries of the young shall be uttered upon the anesthetic air of a hospital, preferably a fashionable one. So young Mr. and Mrs. Roger Button were fifty years ahead of style when they decided, one day in the summer of 1860, that their first baby should be born in a hospital. Whether this anachronism had any bearing upon the astonishing history I am about to set down will never be known. I shall tell you what occurred, and let you judge for yourself.

**Beyond World's Classics** Copp Clark

Although better known today for his novels, in the 1920s F. Scott Fitzgerald ranked among the top writers of magazine fiction. Fitzgerald represented the dreams and aspirations of the post-World War I generation in his life as well as his works. With his glamorous wife, Zelda, and his cosmopolitan social circle, he projected the perfect image for narrating tales of restless youth in a hectic world. These short stories offer insights into many themes, characters, and techniques that emerged in Fitzgerald's later works. The title tale, "The Curious Case of Benjamin Button," reflects his preoccupation with life's fleeting nature. "Winter Dreams," written three years before *The Great Gatsby*, shares the concept of commitment to an idealized dream. "Babes in the Woods," developed during the author's Princeton days, evidences the roots of *This Side of Paradise*. Thirteen other selections offer further insights into the author's growing skills as well as examples of his sparkling prose, understated wit, and deft characterizations.

*The Curious Case of Benjamin Button* is a short story written by F. Scott Fitzgerald and first published in *Colliers Magazine* on May 27, 1922. It was subsequently anthologized in his book *Tales of the Jazz Age*, which is occasionally published as *The Curious Case of Benjamin Button and Other Jazz Age Stories*. Development rights to the story were held for years by the late Hollywood mogul Ray Stark. Stark retained those rights until his death in 2004, when they were purchased from his estate and used for an adaptation of the story as the 2008 film of the same name, directed by David Fincher.
