**A Competitive Advantage Approach** Routledge

This innovative introduction to business policy and strategic management, covering both the illustrative cases and conceptual foundation, offers authoritative approaches to strategic leadership in emerging markets. Among its many unique features, this comprehensively updated and revised second edition is structured to help students think strategically. The major organizational issues in strategy development are covered through an analytical study of: Nine different perspectives on organization to capture the rich history of the discipline and enlighten the nature of strategy. The concept of strategic intent to guide action. 9-M model to analyze strategies in functional areas of manpower, materials, methods, money, manufacturing, machine, marketing, motivating, and manipulating. Competitive gaming model to strategize different types of market structures. Internetworking model to develop high-performance Internet ventures. Strategic business model to unfold hidden value into new directions. Value model to explain strategic elements of innovation and technology management. Ethical and international issues in the context of corporate governance. Strategic leadership model relevant to the emerging market ground realities. Strategic control model (both balanced and extended scorecard) to explore the influence of environmental and cultural contexts on effective performance. The text is well supported by more than one thousand sources of international research, India-focused case studies and experiential assignments. This comprehensive text on theory and practice of strategic management is a must read for management students as well as business practitioners and consultants.

**Competitiveness and Globalization ; Concepts Only**

Cengage Learning

Updated to include the current models, theories, and hospitality practices, Hospitality Strategic Management: Concept and Cases, Second Edition is a comprehensive guide to strategic management in the international hospitality industry. Author Cathy A. Enz uses the case study approach to cover current topics such as innovation, entrepreneurship, leadership, ethics, and franchising. Eight full case studies with exhibits and documents address the areas of lodging, food service, tourism e-commerce, gaming, cruise lines, and airlines, making this book ideal for executive level training courses or hospitality industry executives interested in developing their strategic management

skills.

Competitiveness & Globalization : Concepts and Cases Pearson Strategic Fashion Management: Concepts, Models and Strategies for Competitive Advantage is a highly accessible book providing a unique look into the strategic drivers of the dynamic and ever-growing fashion industry. Derived from the knowledge gap in quality strategic fashion management literature, this book blends theory with a variety of examples and uses 18 case studies to help bring to life contemporary topics faced by senior executives. The analysis is highly global in nature and aims to accelerate the strategic skills required to navigate the industry and contribute to a firm's growth. Using copious examples from across the world, this book provides in-depth discourse and progressive theoretical concepts and strategies which readers will be able to apply immediately to their studies or practices. The book is particularly suitable for final-year undergraduate and postgraduate students studying fashion management or marketing, as well as those on MBA and international business courses who wish to understand more about the fashion ecosystem. It is also designed to serve as an important reference for executives who are interested in conceptualising strategic issues that are pertinent to the industry.
