### **Hoodoo Cleansing and Protection Magick** Simon and Schuster

Hoodoo spellwork and rituals for self-protection and how to get "payback" when you're wronged. Features 129 spells, 32 recipes, and numerous rituals. Historically, Hoodoo was the magic of the disenfranchised, marginalized, and vulnerable. It was born of the need to obtain justice, power, and protection, as these were not typically naturally forthcoming. The ancestors and earliest practitioners of Hoodoo were enslaved African Americans, followed by their descendants and neighbors. How does one obtain justice if the system is inherently skewed against you? Hoodoo has developed a vast arsenal of justice and payback spells—spells intended to create a balance of power, punish victimizers, and protect victims from further victimization. It also empowers the victimized, so that they are able to rise above their situations, restore self-esteem, and create better, happier lives for themselves. The spells vary from mild to aggressive, depending on the personal level of justification. Hoodoo Justice Magic contains a diverse collection of these spells, as well as an exploration of their ethics. (Are you really justified? And what happens if you're not?) Featuring 129 spells, 32 recipes, and numerous rituals, there are also 27 prayers for people who fear actually performing spellwork. The spells incorporate common household articles, such as salt and spices, as well as candles, tarot cards, and recitation of Psalms. Learn how to protect yourself and avoid trouble by recognizing the signs indicating predatory behavior. (Although several spells incorporate specific tarot cards, no previous knowledge or experience of them is required, as they are used as materials or objects that radiate magic power.)

### *30 Positive Candle Spells for 30 Days* iUniverse

This is a book about white magick and witchcraft as sources of wisdom, healing and positivity. Like Native American spirituality, to which true witchcraft is akin (some say both were carried by the people of Atlantis), the practice of white magick is based on the belief that that all life is sacred and interconnected in an unbroken circle. For example, every fully grown birch tree - defined in magick as a tree of new beginnings and regeneration - breathes out enough oxygen for a family of four and absorbs the carbon dioxide that we exhale, transforming it again to life-giving oxygen. And this sacred spark of a common source of divinity is contained not only by trees, but also the stones, the animals, the people and everything else on the Earth and in the waters and the sky
