 The less you love yourself, listen to yourself, and understand yourself, the more confused, angry, and frustrating your reality will be. But when you begin and continue to love yourself more, the more everything you see, everything you do, and everyone you interact with, starts to become a little bit better in every way possible.
 How to love yourself: 16 steps to believing in yourself ...
 Don't get me wrong, I wasn't angry at the person giving me the advice—I was angry with myself for not being able to love myself unconditionally. It's easier to feel love for yourself when things are going well. When you succeed at something, feel appreciated by someone, or when you feel good about yourself and your life.
