10 Roz Nay's *Our Little Secret* is a twisted tale of love, pain, and revenge that will stay with the reader long after they turn the last page. They say you never forget your first love. What they don't say though, is that sometimes your first love won't forget you... Angela Petitjean sits in a cold, dull room. The police have been interrogating her for hours, asking about Saskia Parker. She's the wife of Angela's high school sweetheart, HP, and the mother of his child. She has vanished. Homicide Detective J. Novak believes Angela knows what happened to Saskia. He wants the truth, and he wants it now. But Angela has a different story to tell. It began more than a decade ago when she

and HP met in high school in Cove, Vermont. She was an awkward, shy teenager. He was a popular athlete. They became friends, fell in love, and dated senior year. Everything changed when Angela went to college. When time and distance separated them. When Saskia entered the picture. That was eight years ago. HP foolishly married a drama queen and Angela moved on with her life. Whatever marital rift caused Saskia to leave her husband has nothing to do with Angela. Nothing at all. Detective Novak needs to stop asking questions and listen to what Angela is telling him. And once he understands everything, he'll have the truth he so

desperately wants...

But everything changes one cold January morning when Ellice arrives in the executive suite and finds him dead with a gunshot to his head. And then she walks away like nothing has happened. Why? Ellice has been keeping a cache of dark secrets, including a small-town past and a kid brother who's spent time on the other side of the law. She can't be thrust into the spotlight—again. But instead of grieving this

tragedy, people are gossiping, the police are getting suspicious, and Ellice, the company's lone black attorney, is promoted to replace her boss. While the opportunity is a dream-come-true, Ellice just can't shake the feeling that something is off. When she uncovers shady dealings inside the company, Ellice is trapped in an impossible ethical and moral dilemma. Suddenly, Ellice's past and present lives collide as she launches into a pulse-pounding race to protect the brother she tried to save years ago and stop a conspiracy far more sinister than she could have ever imagined...

A memoir about

trauma and writing yourself to a place of healing At 15, Emily is a relatively typical teenage girl living in the Maritimes. She lives with her eccentric dad as he prepares to build a log cabin. She rides her beloved horse and spends all her free time taking in the fresh air. But things aren't perfect, the winters are harsh and her dad's place is cold and draughty. Enter their neighbour who sees a girl in need and offers to lend a hand. Three words: "OUR LITTLE SECRET," and Emily's fate is sealed. Twenty five years later, Emily is adrift and depressed when she spots her neighbour again on a ferry. The events of that long-ago winter come rushing back, and she is forced to reckon with the past

anew. She vows that she will bring him to justice, tell her secret, and come to terms with the wounds that defined so many years of her life. Inept lawyers, expensive therapy, and a broken justice system block Emily's path to peace. Only when she rediscovers her youthful artistic talent by putting pen to paper does she see a way out. Now in her fifties, Carrington has crafted a compulsively readable debut that shows a powerful command of the comics medium. Our Little Secret is a testament to survival and to the importance of telling your story your way.

From the moment she saw him on her first day at her new job in London, there was something about

Michael which annoyed Siobhan Brennan... and something else that pulled her to this stunningly handsome man and his boldly arrogant personality. In spite of her misgivings she soon finds herself out on a date with him, and she is torn between a desire to defy him as often as possible and a deeper, more disturbing need to submit to him. It certainly doesn't help that very embarrassing thoughts keep popping into her head uninvited: images of herself bent over, bare bottom on display, waiting for Michael to chastise her firmly. It is not long before Siobhan, in a rash moment, actually dares Michael to spank her, only to find that he is more than up to the challenge of turning

her naked backside bright red. To her horror, her sore behind only fuels the fire growing within her, and she is soon on her knees before him, blushing with shame yet needing him to take her and take her hard. It is only afterwards that the couple must come to terms with what took place, and what it means for their relationship. Was this just a one-time event, something to be tried but never repeated, or will Siobhan find herself punished like a naughty girl again in the future? As scandalized as it makes her feel, in her heart she knows what she needs, but is Michael prepared to give it to her? And when she finds out that Michael has kept

something important from her about his past and who he really is, will she be able to forgive him or will the revelation tear them apart forever?

LiThe last place I ever expected to run into the boy who broke my heart was at a Savage Run race. Almost four years have passed since Roman Capril ghosted me after promising forever. Yes my father became mayor, and yes he moved us from our two

bedroom ranch into a much bigger house behind secure gates, but that shouldn't have changed anything. Not when we were in love. I thought I was over him, but seeing him reopened old wounds and now I need answers. Why he stopped returning my texts. Why he walked away without any explanation. So I barge back into Rome's life, not letting the fact that Dad needs to take down the illegal street racers, the Savages, to win his reelection. Corruption runs deep in Reynolds, North Carolina, and those with the most to lose step it up, putting the man I love in danger. I will do anything to protect Rome, even sacrifice myself, so watch out Dad, falling from that

high up is really going to hurt. Rome! I'll never forgive Lilianna Montgomery for betraying me. We were supposed to be forever and she tossed it away as soon as she was behind those fancy iron gates, choosing that life over me. I never thought I'd see her again, but when an unexpected encounter brings us together, the sparks fly. Her father wants to take us down, make an example out of the Savages to win his reelection campaign, and Lil is the perfect weapon to destroy his chances. The only catch? To ruin him, I have to let her back in. But the more time we spend together, the more I want her, and not to just use her as blackmail. Our stories don't add up and

everything I thought I knew is a lie, but it's too late to change my mind. The stakes are higher than ever and our racing isn't the only illegal thing happening in the city. If I don't follow through, my family loses everything, but if I do? The girl I never stopped loving may never forgive me. Loyalty. Family. Love. How the hell am I supposed to choose? Dirty Little Secret is a 57,000 word second chance, enemies to lovers, contemporary romance standalone, but is also part of an interconnected series featuring a different couple in each book following the same timeline. Mature content and swearing, because f&\*k is my favorite word!

An addictive psychological thriller packed with suspense  
Drawn and Quarterly  
On the first day of sophomore year, Lillian Grace Parker organizes handouts with sticky tabs, assigns different colored highlighters to each class, and loads the whole thing into a bubblegum-pink binder. Lilly's pencil-straight brown hair and a sea of freckles feel even more annoying to her with the few extra pounds she has gained over summer break. But Lilly never met a problem she can't fix. As the number on the scale goes down, Lilly keeps changing her goal to a lower weight. Everything's going even better than planned. She's got a BFF who is awesome, all A's (not to mention every extra credit

available), and on the soccer field, she's scoring goal after goal. Best of all, she's head over heels in love with Sean, the quirky, sensitive guy who sweeps her off her feet the first week of school. Then why doesn't she feel good? Lilly thinks if she can just lose a few more pounds all her troubles will melt away. With coffee for breakfast, her favorite foods on the NO EAT list, and her dog getting fat from the scraps she's feeding her under the table, Lilly is losing not only pounds, but herself. When Lilly collapses on the soccer field, she's forced to make one of the biggest decisions of her life. Will she continue to lie to everyone she loves to hide her little secret

and maintain her distorted version of a perfect body or will she have the courage to fight for her life and see herself for more than the reflection in the mirror?
